

ACI Worldwide to Highlight the Future of Campus Commerce at Ellucian Live 2018

April 4, 2018

Faster payments and eCommerce in the cloud among topics to be showcased

NAPLES, Fla.--(BUSINESS WIRE)--Apr. 4, 2018-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), today announced its participation at Ellucian Live 2018, the largest user event in higher education technology. This year, Ellucian Live will be held on April 8-11 in San Diego, Calif.

ACI experts will speak on topics including faster payments and eCommerce in the Cloud as well as other emerging technologies shaping the future of campus commerce.

Marc Sczesnak, director, product management, will participate in a solution showcase titled: "Future of Commerce to Your Campus," at 12:45 – 1 p.m. Monday, Apr. 9.

During this session, attendees will discover ways to simplify financial interactions on campus through the cloud, including easy billing, payment and collections. The discussion will comprise key methods to receiving payments 40 times faster and saving 19 percent of staff time spent on back-office processes.

Gene Scriven, chief information security officer, and Tom Gavin, solutions executive, will participate in a session titled: "The Future of eCommerce in the Cloud," at 9 – 9:45 a.m. Wednesday, Apr. 11.

This interactive session will explore the cloud business case that Ellucian Colleague users, such as ACI customer Ursinus College, use to protect data, grow revenue and slice costs. Attendees will learn how the choices in cloud options can result in stark differences in ROI and the risk of a data breach. Panelists will also discuss the biggest security threats coming in 2018 and how cloud security stacks up. Additional speakers include leaders from Ursinus College and Ellucian.

ACI has been an Ellucian strategic partner for more than 20 years, providing campus commerce services to more than 300 higher education institutions in the United States and Canada. A third-party survey revealed that these institutions have raised student satisfaction by an average of 24 percent since working with ACI.
