

ACI Worldwide Presents Insights Into Fast-Growing Mobile Telco Payments Opportunity at Mobile World Congress

February 22, 2018

ACI executives and customers highlight how the Internet of Things will transform the mobile telco customer experience

NAPLES, Fla.--(BUSINESS WIRE)--Feb. 22, 2018-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), will bring its global mobile telco payments expertise and insights to Mobile World Congress 2018, February 26 – March 1 in Barcelona.

ACI executives will be joined by industry leaders at Mobile World Congress for [Risk, Retention And Reward](#), a 'Power Hour' session that will examine how telcos are simplifying the checkout experience, implementing new payment methods to support international expansion of their business, and enabling fraud prevention solutions that increase payments acceptance and drive loyalty. Panelists will also share their views on how the emergence of the Internet of Things (IoT) ecosystem is transforming customer experience in the telecommunications industry, creating exciting new revenue opportunities for telcos that innovate.
