

## ACI Worldwide to Highlight Real-Time Payments and Open Banking Capabilities at SIBOS 2018

October 10, 2018

NAPLES, Fla.--(BUSINESS WIRE)--Oct. 10, 2018-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), today announced its participation at [SIBOS 2018](#), SWIFT's annual international financial services conference, taking place in Sydney, Australia, October 22 to 25, 2018.

With real-time now a global reality, banks are increasingly looking beyond adoption—at how to create new value-added services enabled by real-time. Within ACI's SIBOS Open Theatre session—Making Possibilities Happen: One Solution for the New Payments World—Craig Ramsey, Head of Real-Time Payments, will introduce a strategic approach to real-time payments that bridges the full breadth of opportunities across the modern, digital landscape. The session, Wednesday, October 24 from 11:30 – 12:00pm in Open Theater One (OT1), will highlight how financial institutions can go beyond compliance and transform their business with real-time payment strategies, optimized for end-to-end customer experience

ACI executives will be available for in-booth demonstrations and discussions of key ACI solutions and capabilities supporting the new real-time and Open Banking ecosystem:

- [UP Real-Time Payments solution](#) offers banks the ability to serve both corporate (RTGS) and retail customers' real-time needs with a single, universal solution. As part of the solution, ACI recently launched a new set of [SWIFT gpi capabilities](#) supporting banks to fully enable and derive maximum value from SWIFT's global payments innovation (gpi) service. The solution also features ACI's API Manager Capabilities, designed to help customers develop a strategic approach to the Open Banking payments ecosystem, and to provide tools to meet regulatory requirements including PSD2 and GDPR.
- [UP Payments Risk Management solution](#) delivers enterprise fraud management capabilities, including advanced machine learning, predictive analytics and expertly-defined rules, to help card issuers, merchants, acquirers and financial institutions identify and mitigate financial fraud.

Meet with us [@Sibos](#) and find out how to transform your business with real-time payments and Open Banking strategies. Find us at Booth D41, October 22 – 25, International Convention Centre, Sydney. For more info visit [ACI Worldwide at SIBOS](#).
