

ACI Worldwide and Walletron to Enable Mobile Bill Payments for Consumers

October 23, 2018

Flexibility of mobile wallets addresses growing consumer need of simplicity in paying bills

NAPLES, Fla.--(BUSINESS WIRE)--Oct. 23, 2018-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), today announced a strategic relationship with Walletron, a leader in innovative technology solutions for mobile wallet billing, payment and loyalty programs. ACI's clients will be able to enhance their customer experience by offering consumers the ability to view bills from the wallet feature on their smartphones and make quicker payments - within two clicks - using ACI's market-leading UP [Bill Payment solution](#).

With Walletron's patented digital engagement technology - moBills® - organizations can place bills, invoices, statements, compliance documents and other notifications directly into consumers' hands through their mobile wallets native to both Android and Apple devices. Through this relationship, ACI customers can augment their mobile channel effectiveness by linking consumers to other valuable products, services and programs directly from their bills. Additionally, consumers will not be required to download a new app since the mobile wallet app is already preloaded on Android and Apple devices.

"With the tremendous growth of the mobile market, electronic bill presentment and payment has advanced into the world of smartphones," said Robert Craig, chief digital officer, Walletron. "By reaching consumers where they are - on their smartphones - ACI is not only improving the bill payment experience, but driving customer satisfaction as well, and we're thrilled to partner with them."

"At ACI, we understand the need for consumers to have convenient access to bills and to easily make payments on-the-go," said Andrew Sajeski, business leader, biller solutions, ACI Worldwide. "With Walletron's capabilities, we can further empower our customers to maximize their reach and improve their own customer engagement through seamless mobile billing. Our customers have requested this service in the past and we're happy to be able to provide it through Walletron's moBills."

ACI's UP Bill Payment solution is an integrated suite of [bill presentment](#) and payment services that empowers the success of 3,600 clients. UP Bill Payment is proven to raise consumer satisfaction by 25 percent by offering easy ways to view and pay bills.

ACI will be at the Auto Finance Summit, October 24-26, 2018, The Wynn, Las Vegas. For more information visit [ACI Worldwide at Auto Finance Summit](#).
