

ACI Worldwide Wins 'Best Payment Solutions Provider Europe' in 2018 Global Banking & Finance Awards

January 4, 2019

ACI's UP eCommerce Payments solution recognized for technical flexibility and cross-border capabilities

NAPLES, Fla.--(BUSINESS WIRE)--Jan. 4, 2019-- [ACI Worldwide](#) (NASDAQ:ACIW), a leading global provider of provider of real-time [electronic payment and banking solutions](#), has been awarded 'Best Payment Solutions Provider Europe' by the [2018 Global Banking & Finance Awards](#).

ACI's [UP eCommerce Payments](#), which is available to payment providers and merchants globally, was selected on the strength of the technology underpinning its integrated eCommerce payments and fraud solution, including new developer-centric [self-integration capabilities](#) that give card acquirers and alternative payment providers greater flexibility in how they connect to ACI's API. The solution connects more ways to pay with more payment capabilities than any other provider, with flexible, open payment technology based on open API architecture.

"The vision of ACI's UP eCommerce Payments solution is to open up payment endpoints to all partners within our ecosystem and enable fast, simple and secure payments around the world. This gives payment providers and merchants the ability to scale their business, quickly enter new markets and fine-tune their payment setup to meet local needs," said Sanjay Gupta, executive vice president, ACI Worldwide. "This recognition demonstrates ACI's ability to deliver the level of service and technological infrastructure that payment providers and merchants now demand – particularly within the diverse European market."
