

## ACI Worldwide and J.P. Morgan Collaborate to Offer Merchants in Europe Greater Choice of Payment Options

May 25, 2021

- Collaboration planned to enable merchants to use J.P. Morgan's European Acquiring Platform with ACI's Omni-Commerce solution for in-store payments acceptance
- Pre-certified, off-the-shelf joint solution can reduce time, cost and risk for merchants

MIAMI--(BUSINESS WIRE)--May 25, 2021-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of [real-time digital payment software and solutions](#), today announced a collaboration with J.P. Morgan, a global leader across banking, markets and securities services, that will enable merchants in certain European countries to deliver in-store payment acceptance capabilities to their customers.

J.P. Morgan has been ranked the top acquirer of web transactions in Europe<sup>1</sup> for the sixth consecutive year. Through this collaboration, merchants will have a pre-certified and easy-to-onboard service combining J.P. Morgan's European acquiring platform with the ACI [Omni-Commerce solution](#) to deliver in-store payment acceptance capabilities. [ACI Omni-Commerce](#) is a secure, cloud-based, point-to-point encryption (P2PE)-validated payments platform, providing merchants a safe, consistent and seamless payments experience across all channels, whether in-store, online or mobile.

"We are keen to be in a position to support merchants as they navigate the post-lockdown era after a significantly challenging period of time," said Basil Bailey, Head of Product for EMEA Merchant Services, J.P. Morgan. "ACI's Omni-Commerce solution will play a key role helping us to do that."

"We look forward to supporting J.P. Morgan in expanding its merchant payment capabilities," said Andrew Quartermaine, Vice President, ACI Worldwide. "ACI's Omni-Commerce service simplifies merchants' needs to serve customers in their modern omni-commerce buying journeys, taking payments in-store and from many digital touchpoints."
