

ACI Worldwide Highlights Real-Time Payments and Request to Pay at EBAday 2021

June 23, 2021

MIAMI, FL/LONDON, UK —June 23, 2021 —[ACI Worldwide](#), a leading global provider of [real-time payments and digital payments software solutions](#), today announced its participation at [EBAday 2021](#), Europe's leading forum about the key trends driving change in the payments industry.

Craig Ramsey, head of real-time payments, banking, ACI Worldwide, will participate in a panel discussion at the virtual event —*Instant Payments —a success story yet?* The session will take place on *June 28 at 15.00-15.40 CEST (9:00 am-9:40 am ET)*. The panelists will discuss ways in which real-time payments can improve competitiveness, what is still missing to increase their uptake and how they are being positioned in Europe, North America and beyond — as the new normal or as a premium service.

As part of EBAday 2021, ACI is also participating in an ideation contest for Request to Pay end-user solutions. ACI's Somya Patnaik, principal product manager, real-time and digital payments, and Amelia Ruiz Heras, manager of solution consulting, will present a bill payment use case enabling Request to Pay for government tax collections, which can be integrated into the proposed [EU Digital Wallet](#).

The Request to Pay presentation will be shown online on June 28 in an EBA CLEARING Community Session where audience members will determine contest winners.
