

ACI Worldwide Publishes 2023 Sustainability Report

January 16, 2024

Report outlines ACI Worldwide's commitment to responsible and sustainable business practices across its global operations

MIAMI, FL--January 16, 2024--[ACI Worldwide](#) (NASDAQ: ACIW), a global leader in mission-critical, [real-time payments software](#), today announced the release of its [2023 Sustainability Report](#), providing insights into its approach to environmental, social and governance (ESG) topics in fiscal-year 2022.

The priorities, indicators and information shared within the report were developed based on guidelines from the Sustainability Accounting Standards Board (SASB) standards for IT and Software Services and Global Reporting Initiative (GRI) standards. High-level topics addressed include energy use, waste control, employee development, diversity and inclusion, cybersecurity, data privacy, corporate governance and board structure.

"As a payments software leader, we take great pride in accelerating global commerce and prosperity. We take just as much pride in ensuring that we conduct our operations in a responsible and sustainable way," said Thomas Warsop, president and CEO, ACI Worldwide. "This report includes an impressive collection of data that illustrates ACI's commitment to sustaining our business, our people and our planet. We are very happy to share the progress we have made on our ongoing sustainability journey."
