Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) 2016 Executive MIC. On March 1, 2016, the Compensation and Leadership Committee of the Board of Directors of ACI Worldwide, Inc. (the “Company”) approved the 2016 Executive Management Incentive Compensation plan (the “2016 Executive MIC”) for the Company’s executives, including the executives who were listed as named executive officers in the Company’s proxy statement for its 2015 annual stockholders’ meeting. The 2016 Executive MIC, including the 2016 short-term incentive goals (the “2016 Executive MIC Goals”), was established pursuant to and in accordance with the Executive Management Incentive Compensation Plan adopted by the Company’s stockholders at the Company’s 2013 annual stockholders’ meeting.

The objective of the 2016 Executive MIC is to incent executives to achieve or exceed the Company’s financial and performance goals for the Company’s fiscal year commencing January 1, 2016 (the “MIC Performance Period”). MIC bonus amounts are determined based upon the achievement of three categories of performance metrics: (1) funding metrics, (2) individual MBOs including operational excellence, and (3) business unit performance metrics. A 2016 Executive MIC bonus may be more or less than 100% (up to a maximum of 200%) of its target level depending upon the percentage attainment of the performance metrics in the executive’s plan. Performance attainment less than the threshold level indicated yields zero payout for that metric.

The funding metrics consist of the two consolidated Company financial metrics set forth in the table below. The total funded incentive pool available for payout to executives will be calculated based upon the achievement of these two metrics.

Company Performance Metric	Metric Weighting	Attainment Percentage	Payout Percentage
Adjusted EBITDA	66%	85%	40%
		100%	100%
		107.5%	200%
Revenue	34%	90%	40%
		100%	100%
		105%	200%

Certain executives have individualized MIC plans comprised solely of the funding metrics above and individual MBOs. Other executives have individualized MIC plans comprised of one or more business unit performance metrics and individual MBOs.

Distribution of the funded incentive pool to executives depends upon each executive’s performance against his or her individual MIC plan metrics. In no event will the aggregate 2016 Executive MIC bonuses paid to all plan participants exceed the amount of the funded incentive pool.

In order to be entitled to any payment under the 2016 Executive MIC, the executive must be an employee of the Company on the date of payment, except to the extent otherwise provided by the Company. If the executive’s employment with the Company is terminated for any reason prior to the payment date, the executive will not be eligible for a MIC bonus for the MIC Performance Period, and the executive will forfeit all rights to such payment except to the extent otherwise provided by the Company.

The Company reserves the right at any time during the MIC Performance Period to: (1) amend or terminate the 2016 Executive MIC in whole or in part, (2) revoke any eligible executive’s right to participate in the 2016 Executive MIC and (3) make adjustments to targets and payouts subject to the terms of the 2016 Executive MIC.
