

## ACI Worldwide's Mike Rogers Recognized by Auto Finance Industry

*Bill pay executive honored by SubPrime Auto Finance News Magazine for inaugural "Trailblazers, Innovators and Disruptors" list*

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), announced today that Mike Rogers has been recognized by *SubPrime Auto Finance News Magazine* in its inaugural "Trailblazers, Innovators and Disruptors" awards, featured in the July/August issue.

The auto finance industry is faced with the challenge of combating the high cost of payments while meeting consumer demands for convenient and faster payment options. Mr. Rogers is spotlighted among other leaders who are helping finance companies and other service providers thrive by innovating with fresh ideas and business solutions, disrupting the status quo with unique strategies, technologies and applications to grow and improve profitability.

"Mike Rogers and ACI have brought solutions to the industry that are significantly lowering the cost of payments and providing a technology lift that didn't previously exist," said Stephen Brannon, director of business development, Shaw Systems. "Mike is an industry advocate for payments, who has developed countless relationships with card networks as well as industry-leading software providers—including Shaw Systems—to deliver innovative approaches to loan servicing."

"On behalf of the team at ACI, I'm honored to receive this recognition from *SubPrime Auto Finance News*," said Rogers, director of business development, Electronic Bill Presentment and Payment, ACI Worldwide. "This acknowledgement reflects a team effort among ACI, our partners and customers—and validates our dedication to providing a superior customer experience throughout the payment lifecycle."

Electronic Bill Presentment and Payment (EBPP) Services are part of ACI's UP [Bill Payment solution](#). ACI's [Universal Payments](#) (UP) portfolio of solutions orchestrates all aspects of payments processing for any payment type, any channel, any currency and any network.
