

ACI Worldwide Recognized Among Top 20 Largest Providers of Financial Technology

Growing global demand for Universal Payments propels ACI in 2016 FinTech Rankings

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), today announced its ranking in the IDC Financial Insights 2016 FinTech Rankings. ACI is ranked 18th on this international list of financial technology companies that were judged according to their global revenues attributed to financial institutions.

Now in its 13th year, the IDC FI FinTech Rankings categorize and evaluate the top global providers of financial technology based on calendar year revenues from financial institutions for hardware, software and/or services. These providers supply the technological backbone of the financial services industry, an industry in which IDC Financial Insights forecasts worldwide spending on IT across the globe to reach half a trillion dollars by 2018.

This latest recognition follows ACI's positions in other recent industry rankings.
