(NEW YORK — April 29, 2010) — ACI Worldwide, Inc. (NASDAQ:ACIW), a leading international provider of electronic payments software and solutions, today announced financial results for the period ended March 31, 2010. We will hold a conference call on April 29, 2010, at 8.30 a.m. EDT to discuss this information. “In Q1 2010, ACI achieved strong growth in profitability, sales and operating free cash flow as compared to the prior year. Our best practices implementation produced ongoing operating expense controls even while we experienced encouraging improvements in our recurring revenue and sales. We have also continued to invest in our ability to deliver new product to market directly and through partners and believe that the higher level of integration between our products has led to an improved ability to cross-sell new products to existing customers. Strategically, we have commenced a direct-to-market model in India in addition to hiring a new head of engineering as well as a new leader for EMEA sales,” Chief Executive Officer Philip Heasley said.
