STOCKHOLDERS MEETINGS

1. Time and Place of Meetings. All meetings of the stockholders for the election of the members of the Board of Directors (the “**Directors**”) or for any other purpose will be held at such time and place, within or without the State of Delaware, as may be designated by the Board of Directors of the Company (the “**Board**”) or, in the absence of a designation by the Board, the Chairman of the Board (the “**Chairman**”), the Chief Executive Officer, the President or the Secretary, and stated in the notice of meeting. Notwithstanding the foregoing, the Board may, in its sole discretion, determine that meetings of the stockholders shall not be held at any place, but may instead be held by means of remote communications, subject to such guidelines and procedures as the Board may adopt from time to time. The Board may postpone and reschedule any previously scheduled annual or special meeting of the stockholders.
2. Annual Meeting. An annual meeting of the stockholders will be held at such date and time as may be designated from time to time by the Board, at which meeting the stockholders will elect by a plurality vote the Directors, and will transact such other business as may properly be brought before the meeting in accordance with Bylaw 8.
3. Special Meetings. Special meetings of the stockholders may be called only by (i) the Chairman, (ii) the President or (iii) the Secretary within 10 calendar days after receipt of the written request of a majority of the total number of Directors that the Company would have if there were no vacancies (the “**Whole Board**”). Any such request by a majority of the Whole Board must be sent to the Chairman and the Secretary and must state the purpose or purposes of the proposed meeting. Special meetings of holders of the outstanding Preferred Stock of the Company (the “**Preferred Stock**”), if any, may be called in the manner and for the purposes provided in the applicable Preferred Stock Designation (as defined in the certificate of incorporation of the Company, as amended from time to time (the “**Certificate of Incorporation**”)).
4. Notice of Meetings. Written notice of every meeting of the stockholders, stating the place, if any, date and time thereof, the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called, will be given not less than 10 nor more than 60 calendar days before the date of the meeting to each stockholder of record entitled to vote at such meeting, except as otherwise provided herein or by law. When a meeting is adjourned to another place, date, or time, written notice need not be given of the adjourned meeting if the place, if any, date and time thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken; provided, however, that if the adjournment is for more than 30 calendar days, or if after the adjournment a new record date is fixed for the adjourned

meeting, written notice of the place, if any, date and time thereof, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting must be given in conformity herewith. At any adjourned meeting, any business may be transacted which properly could have been transacted at the original meeting.

5. Inspectors for Stockholder Meetings. The Board may appoint one or more inspectors of election to act as judges of the voting and to determine those entitled to vote at any meeting of the stockholders, or any adjournment thereof, in advance of such meeting. The Board may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the presiding officer of the meeting may appoint one or more substitute inspectors.
6. Quorum. Except as otherwise provided by law or in a Preferred Stock Designation, the holders of a majority of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, will constitute a quorum at all meetings of the stockholders for the transaction of business thereat. If, however, such quorum is not present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present or represented.
7. Voting; Proxies. Except as otherwise provided by law, by the Company's Certificate of Incorporation, or in a Preferred Stock Designation, each stockholder will be entitled at every meeting of the stockholders to one vote for each share of stock having voting power standing in the name of such stockholder on the books of the Company on the record date for the meeting and such votes may be cast either in person or by proxy. Every proxy must be authorized in a manner permitted by Section 212 of the Delaware General Corporation Law (or any successor provision). Without affecting any vote previously taken, a stockholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person, by revoking the proxy by giving notice to the Secretary of the Company, or by a later appointment of a proxy. The vote upon any question brought before a meeting of the stockholders may be by voice vote, unless otherwise required by the Certificate of Incorporation or these Bylaws or unless the Chairman or the holders of a majority of the outstanding shares of all classes of stock entitled to vote thereon present in person or by proxy at such meeting otherwise determine. Every vote taken by written ballot will be counted by the inspectors of election. When a quorum is present at any meeting, the affirmative vote of the holders of a majority of the stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter and which has actually been voted (the "**Voting Stock**") will be the act of the stockholders, except in the election of Directors or as otherwise provided in these Bylaws, the Certificate of Incorporation, a Preferred Stock Designation, or by law.

8. Order of Business.

- (a) The Chairman, or such other officer of the Company designated by a majority of the Whole Board, will call meetings of the stockholders to order and will act as presiding officer thereof. Unless otherwise determined by the Board prior to the meeting, the presiding officer of the meeting of the stockholders will also determine the order of business and have the authority in his or her sole discretion to regulate the conduct of any such meeting, including without limitation by imposing restrictions on the persons (other than stockholders of the Company or their duly appointed proxies) that may attend any such stockholders' meeting, by ascertaining whether any stockholder or his proxy may be excluded from any meeting of the stockholders based upon any determination by the presiding officer, in his sole discretion, that any such person has disrupted or is likely to disrupt the proceedings thereat, and by determining the circumstances in which any person may make a statement or ask questions at any meeting of the stockholders.
- (b) At an annual meeting of the stockholders, only such business will be conducted or considered as is properly brought before the annual meeting. To be properly brought before an annual meeting, business must be (i) specified in the notice of the annual meeting (or any supplement thereto) given by or at the direction of the Board in accordance with Bylaw 4, (ii) otherwise properly brought before the annual meeting by the presiding officer or by or at the direction of a majority of the Whole Board, or (iii) otherwise properly requested to be brought before the annual meeting by a stockholder of the Company in accordance with Bylaw 8(c).
- (c) For business to be properly requested by a stockholder to be brought before an annual meeting, (i) the stockholder must be a stockholder of the Company of record at the time of the giving of the notice for such annual meeting provided for in these Bylaws, (ii) the stockholder must be entitled to vote at such meeting, (iii) the stockholder must have given timely notice thereof in writing to the Secretary and (iv) if the stockholder, or the beneficial owner on whose behalf any business is brought before the meeting, has provided the Company with a Proposal Solicitation Notice, as that term is defined in this Bylaw 8(c), such stockholder or beneficial owner must have delivered a proxy statement and form of proxy to the holders of at least the percentage of shares of the Company entitled to vote required to approve such business that the stockholder proposes to bring before the annual meeting and included in such materials. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 nor more than 90 calendar days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if the date of the annual meeting is advanced more than 30 calendar days prior to or

delayed by more than 30 calendar days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of the 90th calendar day prior to such annual meeting or the 10th calendar day following the day on which public disclosure of the date of such meeting is first made. In no event shall the public disclosure of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. A stockholder's notice to the Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting (A) a description in reasonable detail of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (B) the name and address, as they appear on the Company's books, of the stockholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made, (C) the class and series and number of shares of capital stock of the Company that are owned beneficially and of record by the stockholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made, (D) a description of all arrangements or understandings among such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business, (E) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the Company entitled to vote required to approve the proposal (an affirmative statement of such intent, a "**Proposal Solicitation Notice**"), and (F) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the annual meeting. Notwithstanding the foregoing provisions of this Bylaw 8(c), a stockholder must also comply with all applicable requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (the "**Exchange Act**") with respect to matters set forth in this Bylaw 8(c). For purposes of this Bylaw 8 and Bylaw 14, "**public disclosure**" means disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document filed by the Company with the Securities and Exchange Commission pursuant to the Exchange Act or furnished by the Company to stockholders. Nothing in this Bylaw 8(c) will be deemed to affect any rights of stockholders to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

- (d) At a special meeting of stockholders, only such business may be conducted or considered as is properly brought before the meeting. To be properly brought before a special meeting, business must be (i) specified in the notice of the meeting (or any supplement thereto) given by or at the direction of the Chairman, the President or a majority of the Whole Board in accordance with Bylaw 4 or (ii) otherwise properly brought before the

meeting by the presiding officer or by or at the direction of a majority of the Whole Board.

- (e) The determination of whether any business sought to be brought before any annual or special meeting of the stockholders is properly brought before such meeting in accordance with this Bylaw 8 will be made by the presiding officer of such meeting. If the presiding officer determines that any business is not properly brought before such meeting, he or she will so declare to the meeting and any such business will not be conducted or considered.

CONSENTS OF STOCKHOLDERS

9. Consent of Stockholders in Lieu of Meeting. Subject to the requirements of Bylaw 32 and unless otherwise provided in the Certificate of Incorporation, any corporate action required to be taken at a meeting of the stockholders, or any other corporate action which may be taken at a meeting of the stockholders, may be taken without a meeting, if a consent or consents in writing setting forth the corporate action to be so taken shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such corporate action at a meeting at which all shares entitled to vote thereon were present and voted, and delivered to the Company's registered office in the State of Delaware, to its principal place of business or to any officer or agent of the Company having custody of the book in which proceedings of stockholders meetings are recorded, in each case addressed to the attention of the Secretary. Delivery shall be by hand or by certified or registered mail, return receipt requested. The Company shall give prompt notice of the taking of corporate action without a meeting by less than unanimous written consent to stockholders who have not consented in writing and who, if the corporate action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the corporate action were delivered to the Company in the manner provided herein and in the Delaware General Corporation Law.
10. Inspectors for Consent of Stockholders in Lieu of Meeting. The Board may appoint one or more inspectors of elections to perform a ministerial review, or act as judges, of the validity of written consents delivered in accordance with Bylaw 9 and any revocations thereof. No corporate action by written consent without a meeting shall be effective until such date as the inspectors certify to the Company that the signed written consents delivered to the Company in accordance with Bylaw 9 represent at least the minimum number of votes that would be necessary to authorize or take such corporate action at a meeting at which all shares entitled to vote thereon were present and voted.

DIRECTORS

11. Function. The business and affairs of the Company will be managed under the direction of its Board.
12. Number, Election and Terms. Subject to the rights, if any, of any series of Preferred Stock to elect additional Directors under circumstances specified in a Preferred Stock Designation, and to any minimum and maximum number of authorized Directors provided in the Certificate of Incorporation, the authorized number of Directors may be determined from time to time only by a vote of a majority of the Whole Board, but such number shall be no fewer than three nor more than nine.
13. Vacancies and Newly Created Directorships. Subject to the rights, if any, of the holders of any series of Preferred Stock to elect additional Directors under circumstances specified in a Preferred Stock Designation, newly created directorships resulting from any increase in the number of Directors and any vacancies on the Board resulting from death, resignation, disqualification, removal, or other cause will be filled solely by the affirmative vote of a majority of the remaining Directors then in office, even though less than a quorum of the Board, or by a sole remaining Director. Any Director elected in accordance with the preceding sentence will hold office for the remainder of the full term of the class of Directors in which the new directorship was created or the vacancy occurred and until such Director's successor is elected and qualified. No decrease in the number of Directors constituting the Board will shorten the term of an incumbent Director.
14. Nominations of Directors; Election.
 - (a) Subject to the rights, if any, of the holders of any series of Preferred Stock to elect additional Directors under circumstances specified in a Preferred Stock Designation, only persons who are nominated in accordance with this Bylaw 14 will be eligible for election at a meeting of stockholders as Directors of the Company.
 - (b) Nominations of persons for election as Directors of the Company may be made only at an annual meeting of stockholders (i) by or at the direction of the Board or a committee thereof or (ii) by any stockholder that is a stockholder of record at the time of giving of notice provided for in this Bylaw 14, who is entitled to vote for the election of Directors at such annual meeting, and who complies with the procedures set forth in this Bylaw 14. If a stockholder, or a beneficial owner on whose behalf any such nomination is made, has provided the Company with a Nomination Solicitation Notice, as that term is defined in this Bylaw 14 below, such stockholder or beneficial owner must have delivered a proxy statement and form of proxy to the holders of at least the percentage of shares of the Company entitled to vote required to approve such nomination and

included in such materials the Nomination Solicitation Notice. All nominations by stockholders must be made pursuant to timely notice in proper written form to the Secretary.

- (c) To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 nor more than 90 calendar days prior to the first anniversary of the date on which the Company first mailed its proxy materials for the preceding year's annual meeting of stockholders; provided, however, that if the date of the annual meeting is advanced more than 30 calendar days prior to or delayed by more than 30 calendar days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of the 90th calendar day prior to such annual meeting or the 10th calendar day following the day on which public disclosure of the date of such meeting is first made. In no event shall the public disclosure of an adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. To be in proper written form, such stockholder's notice must set forth or include (i) the name and address, as they appear on the Company's books, of the stockholder giving the notice and of the beneficial owner, if any, on whose behalf the nomination is made; (ii) a representation that the stockholder giving the notice is a holder of record of stock of the Company entitled to vote at such annual meeting and intends to appear in person or by proxy at the annual meeting to nominate the person or persons specified in the notice; (iii) the class and number of shares of stock of the Company owned beneficially and of record by the stockholder giving the notice and by the beneficial owner, if any, on whose behalf the nomination is made; (iv) a description of all arrangements or understandings between or among any of (A) the stockholder giving the notice, (B) the beneficial owner on whose behalf the notice is given, (C) each nominee, and (D) any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder giving the notice; (v) such other information regarding each nominee proposed by the stockholder giving the notice as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board; (vi) the signed consent of each nominee to serve as a Director of the Company if so elected; (vii) whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of shares of the Company entitled to vote required to elect such nominee or nominees (an affirmative statement of such intent, a "**Nomination Solicitation Notice**"); and (viii) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in the notice. At the request of the Board, any person nominated by the Board for election as a Director must furnish to the Secretary that information

required to be set forth in a stockholder's notice of nomination that pertains to the nominee. The presiding officer of any annual meeting will, if the facts warrant, determine that a nomination was not made in accordance with the procedures prescribed by this Bylaw 14, and if he or she should so determine, he or she will so declare to the meeting and the defective nomination will be disregarded. Notwithstanding the foregoing provisions of this Bylaw 14, a stockholder must also comply with all applicable requirements of the Exchange Act with respect to the matters set forth in this Bylaw 14.

15. Resignation. Any Director may resign at any time by giving notice in writing or by electronic transmission of his or her resignation to the Chairman or the Secretary. Any resignation will be effective upon actual receipt by any such person or, if later, as of the date and time specified in such written notice.
16. Regular Meetings. Regular meetings of the Board may be held immediately after the annual meeting of the stockholders and at such other time and place either within or without the State of Delaware as may from time to time be determined by the Board. Notice of regular meetings of the Board need not be given.
17. Special Meetings. Special meetings of the Board may be called by the Chairman or the President on one day's notice to each Director by whom such notice is not waived, given either personally or by mail, courier, telephone, facsimile, or similar medium of communication, and will be called by the Chairman or the President, in like manner and on like notice, on the written request of a majority of the Whole Board. Special meetings of the Board may be held at such time and place either within or without the State of Delaware as is determined by the Board or specified in the notice of any such meeting.
18. Quorum. At all meetings of the Board, a majority of the Whole Board will constitute a quorum for the transaction of business. Except for the designation of committees as hereinafter provided and except for actions required by these Bylaws or the Certificate of Incorporation to be taken by a majority of the Whole Board, the act of a majority of the Directors present at any meeting at which there is a quorum will be the act of the Board. If a quorum is not present at any meeting of the Board, the Directors present thereat may adjourn the meeting from time to time to another place, time, or date, without notice other than announcement at the meeting, until a quorum is present.
19. Participation in Meetings by Remote Communications. Members of the Board or any committee designated by the Board may participate in a meeting of the Board or any such committee, as the case may be, by means of telephone conference or other means by which all persons participating in the meeting can hear each other, and such participation in a meeting will constitute presence in person at the meeting.

20. Committees.

- (a) The Board, by resolution passed by a majority of the Whole Board, may designate one or more committees. Each such committee will consist of one or more Directors and will have such lawfully delegable powers and duties as the Board may confer; provided, however, that no committee shall exercise any power or duty expressly required by the Delaware General Corporation Law, as it may be amended from time to time, to be acted upon by the Board. Any such committee designated by the Board will have such name as may be determined from time to time by resolution adopted by the Board.
- (b) The members of each committee of the Board will serve in such capacity at the pleasure of the Board or as may be specified in any resolution from time to time adopted by the Board. The Board may designate one or more Directors as alternate members of any such committee, who may replace any absent or disqualified member at any meeting of such committee. In lieu of such designation by the Board, in the absence or disqualification of any member of a committee of the Board, the members thereof present at any such meeting of such committee and not disqualified from voting, whether or not they constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member.
- (c) Except as otherwise provided in these Bylaws, by law or in any resolution from time to time adopted by the Board, any committee of the Board will have and may exercise all the powers and authority of the Board in the direction of the management of the business and affairs of the Company. Any such committee designated by the Board will have such name as may be determined from time to time by resolution adopted by the Board. Unless otherwise prescribed by the Board, meetings of any committee of the Board may be held in the same manner as provided in Bylaw 19 or by unanimous written consent in lieu of a meeting, a majority of the members of any such committee will constitute a quorum for the transaction of business, and the act of a majority of the members present at a meeting at which there is a quorum will be the act of such committee. Each committee of the Board may prescribe its own rules for calling and holding meetings and its method of procedure, subject to any rules prescribed by the Board, will keep minutes of its proceedings and all actions taken by it, and will report its proceedings to the Board when required or when requested by a Director to do so.

21. Compensation. The Board may establish the compensation for, and reimbursement of the expenses of, Directors for membership on the Board and on committees of the Board, attendance at meetings of the Board or committees of the Board, and for other services by Directors to the Company or any of its majority-owned subsidiaries.

22. Rules. The Board may adopt rules and regulations for the conduct of meetings and the oversight of the management of the affairs of the Company.

NOTICES

23. Generally. Except as otherwise provided by law, these Bylaws, or the Certificate of Incorporation, whenever by law or under the provisions of the Certificate of Incorporation or these Bylaws notice is required to be given to any Director or stockholder, it will not be construed to require personal notice, but such notice may be given in writing, by mail or courier service, addressed to such Director or stockholder, at the address of such Director or stockholder as it appears on the records of the Company, with postage thereon prepaid, and such notice will be deemed to be given at the time when the same is deposited in the United States mail. Notice to Directors may also be given by telephone, facsimile, electronic transmission or similar medium of communication or as otherwise may be permitted by these Bylaws.
24. Waivers. Whenever any notice is required to be given by law or under the provisions of the Certificate of Incorporation or these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to such notice, or a waiver by electronic transmission by the person or persons entitled to such notice, whether before or after the time of the event for which notice is to be given, will be deemed equivalent to such notice. Attendance of a person at a meeting will constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

OFFICERS

25. Generally. The officers of the Company will be elected by the Board and will consist of a Chairman, a President, a Secretary and a Treasurer. The Board may also choose any or all of the following: one or more Vice Chairmen, one or more Assistants to the Chairman, one or more Vice Presidents (who may be given particular designations with respect to authority, function, or seniority), one or more Assistant Secretaries, one or more Assistant Treasurers and such other officers as the Board may from time to time determine. Notwithstanding the foregoing, by specific action the Board may authorize the Chairman to appoint any person to any office other than Chairman, Chief Executive Officer, President, Secretary or Treasurer. Any number of offices may be held by the same person. Any of the offices may be left vacant from time to time as the Board may determine. In the case of the absence or disability of any officer of the Company or for any other reason deemed sufficient by a majority of the Board, the Board may delegate the absent or disabled officer's powers or duties to any other officer or to any Director.

26. Compensation. The compensation of all officers and agents of the Company who are also Directors of the Company will be fixed by the Board or by a committee of the Board. The Board may fix, or delegate the power to fix, the compensation of other officers and agents of the Company to an officer of the Company.
27. Succession. The officers of the Company will hold office until their successors are elected and qualified. Any officer may be removed at any time by the affirmative vote of a majority of the Whole Board. Any vacancy occurring in any office of the Company may be filled by the Board or by the Chairman as provided in Bylaw 23.
28. Authority and Duties. Each of the officers of the Company will have such authority and will perform such duties as are customarily incident to their respective offices or as may be specified from time to time by the Board.

STOCK

29. Certificates. Certificates representing shares of stock of the Company will be in such form as is determined by the Board, subject to applicable legal requirements. Each such certificate will be numbered and its issuance recorded in the books of the Company, and such certificate will exhibit the holder's name and the number of shares and will be mechanically signed with a facsimile of the signature of the President or a Vice President, and a facsimile of the signature of the Secretary or an Assistant Secretary, and shall also be signed by, or bear the facsimile signature of, a duly authorized officer or agent of any properly designated transfer agent of the Company. Any or all of the signatures and the seal of the Company, if any, upon such certificates may be facsimiles, engraved, or printed. Such certificates may be issued and delivered notwithstanding that the person whose facsimile signature appears thereon may have ceased to be such officer at the time the certificates are issued and delivered.
30. Classes of Stock. The designations, powers, preferences and relative participating, optional or other special rights of the various classes of stock or series thereof, and the qualifications, limitations or restrictions thereof, will be set forth in full or summarized on the face or back of the certificates which the Company issues to represent its stock or, in lieu thereof, such certificates will set forth the office of the Company from which the holders of certificates may obtain a copy of such information at no charge.
31. Lost, Stolen or Destroyed Certificates. An executive officer or the Secretary may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Company alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact, satisfactory to such executive officer or the Secretary, by the person claiming the certificate of stock to be lost, stolen or destroyed. As a condition precedent to the issuance of a new certificate or certificates, such executive officer or the Secretary may require the owners of such lost, stolen or destroyed certificate or certificates to advertise the

If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders will be at the close of business on the calendar day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the calendar day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of the stockholders will apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

Any stockholder of record seeking to have the stockholders authorize or take corporate action by written consent shall, by written notice to the Company, request that the Board fix a record date. Any such written notice shall be delivered to the Company in the same manner as signed written consents are required to be delivered pursuant to Bylaw 9. The Board shall promptly, but in all events within 10 days after the date on which such a request is received, adopt a resolution fixing the record date. If no record date has been fixed by the Board within 10 days of the date on which such a request is received, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company in accordance with Bylaw 9. If no record date has been fixed by the Board and prior action by the Board is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the date on which the Board adopts the resolution taking such prior action.

- (c) In order that the Company may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date will not be more than 60 calendar days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose will be at the close of business on the calendar day on which the Board adopts the resolution relating thereto.
- (d) The Company will be entitled to treat the person in whose name any share of its stock is registered as the owner thereof for all purposes, and will not be bound to recognize any equitable or other claim to, or interest in, such share on the part of any other person, whether or not the Company has notice thereof, except as expressly provided by applicable law. In addition, subject to applicable legal requirements, the Company may (by action of the Whole Board) establish procedures for the verification that depository or other holders of shares beneficially owned by others have been properly instructed with respect to the voting of such shares and in respect of the effect of changes in beneficial ownership on the validity of proxies or consents.

FIFTH AMENDED AND RESTATED EMPLOYMENT AGREEMENT

This Fifth Amended and Restated Employment Agreement ("Agreement") is made as of December 21, 2005, by and between Transaction Systems Architects, Inc., a Delaware corporation, ("Employer") and Gregory D. Derkacht ("Employee").

PRELIMINARY STATEMENTS

- A. Employer and Employee have entered into that certain employment agreement dated as of December 3, 2001 pertaining to the terms of the employment of Employee by Employer, which agreement was amended and restated as of April 28, 2003, December 15, 2003, September 28, 2004 and August 5, 2005 (as amended and restated, the "Fourth Amended and Restated Employment Agreement").
- B. Employer and Employee desire to amend and restate the Fourth Amended and Restated Employment Agreement as provided herein.

AGREEMENT

The parties to this Agreement, intending to be legally bound, agree as follows:

1. **Employment.** Subject to the terms and conditions of this Agreement, Employer hereby agrees to employ Employee, and Employee hereby accepts and agrees to such employment, upon the terms and conditions set forth herein and with such duties attendant to Employee's position as a senior executive officer of Employer and such other duties as shall be determined by the Board of Directors of Employer (the "Board").

2. **Term.** The term of this Agreement, and Employee's employment hereunder, shall commence on December 21, 2005 and, unless earlier terminated, continue through February 28, 2006 (the "Term").

3. **Duties.** Employee shall, during the Term:

(a) **Execute Duties.** Execute the duties attendant to his position as executive vice president, or such other position as the Board shall designate, and such additional duties as shall be determined and directed by the Board or the Company's Chief Executive Officer ("CEO") from time to time.

(b) **Board Service.** Unless otherwise requested by the Board, serve as a member of the Board, subject to nomination by the Board and election by Employer's stockholders.

(c) **Full Efforts and Time.** Consistent with the foregoing, Employee shall devote full business time, energy, and skill to the businesses of Employer, and to the promotion of Employer's best interests; provided, however, that this Agreement shall not preclude Employee from participating in the affairs of any governmental, educational or other charitable institution, from engaging in professional speaking and writing activities, and from serving as a member of the board of directors of other corporations or entities (subject to the approval by the Chairman of the Board) so long as such activities do not unreasonably interfere with the businesses of Employer or conflict with Employee's obligations under this Agreement.

4. **Compensation.**

(a) **Base.** Employer shall pay Employee for all services to be performed by Employee during the Term a base salary (the "Base Salary") at the rate of \$360,000 per year, payable in substantially equal semi-monthly payments in accordance with Employer's customary practice for other employees, as such practice may be determined from time to time, for a period of time commencing on the start of the Term and ending December 31, 2005. Thereafter, for the remainder of the Term, Employer shall have no obligation to pay Employee the Base Salary. The Board may increase such Base Salary in its reasonable business judgment. The Board may decrease such Base Salary (i) as a result of a pro-rata across-the-board salary reduction for all executive level management employees of Employer, or (ii) to a rate of \$180,000 per year if the Board or CEO directs Employee to provide transition services on less than a full-time basis.

(b) **Management Incentive Compensation.** Employee's participation in Employer's annual Management Incentive Compensation ("MIC") Program ceased effective as of March 31, 2005.

(c) **Transition Services Bonus.** If, in the Board's and the CEO's reasonable judgment, Employee performs the duties contemplated under this Agreement, Employer will pay Employee a bonus as provided herein (a "Transition Bonus") and, except as provided in Section 4(a) and 5(b), Employee shall not be entitled to any other compensation under this Agreement. The amount of any Transition Bonus will be determined by the CEO and the Board in their reasonable business judgment and shall not exceed the following:

- i. \$125,000 in consideration of transition services provided during Employer's third fiscal 2005 quarter;
- ii. \$250,000 in consideration of transition services provided during Employer's fourth fiscal 2005 quarter; and
- iii. \$125,000 in consideration of transition services provided during Employer's first fiscal 2006 quarter.

Payments under this Section 4(c) shall be made in accordance with Employer's payroll practices in effect from time to time and shall be made on or about the date Employer customarily pays MIC compensation for the applicable fiscal quarter.

(d) Business Expenses. In addition to the Base Salary set forth above, Employer agrees that during the Term Employee shall be entitled to reimbursement by Employer for all reasonable and documented business expenses incurred by him on Employer's behalf in the course of his employment hereunder in accordance with Employer's policy concerning the same.

(e) Board Service. No separate or additional compensation will be paid to Employee with respect to service on the Board.

(f) Stock Options. Employee has received three stock option grants from the Employer's existing stock option plans. The first grant was in the amount of 100,000 shares and was made on January 2, 2002. The second and third grants were in the amount of 200,000 shares each and were made February 19, 2002. The terms and conditions for each of the grants are set forth in separate stock option agreements. The stock option agreements for each of the grants are attached hereto as Exhibits B, C and D, respectively.

5. Additional Benefits.

(a) Participation in Benefit Plans. During the Term, Employee and his dependents shall be entitled to participate in and receive health insurance and other benefits ("Benefit Plans") under Employer's Benefit Plans, whether qualified plans or non-qualified plans, subject to and on a basis consistent with the terms, conditions, including eligibility requirements, and overall administration of such Benefit Plans as provided to similarly situated employees of Employer, as changed from time to time. Employee shall be entitled to a minimum of four weeks of paid vacation and holidays in accordance with Employer's policies in effect from time to time for its employees.

(b) Continuation of Certain Benefits. If Employee performs the duties contemplated under this Agreement through February 28, 2006, Employee will be entitled to continued participation in Employer's group health plan until the earlier of (A) the date he becomes eligible to receive coverage and benefits under the health plan of a subsequent employer, or (B) February 28, 2011; provided (1) if Employee is precluded from continuing his participation in Employer's group health plan as provided herein, he shall be paid, in a lump sum cash payment, within 30 days following the date it is determined he is unable to participate in the group health plan, an amount equal to the after-tax economic equivalent of the benefits (net of Employee's contribution) provided under the plan; (2) the economic equivalent of any benefit foregone shall be deemed to be an amount equal to (i) the lowest cost that would be incurred by Employee in obtaining such benefit for himself (including family or dependent coverage, if applicable) on an individual basis, minus (ii) the amount Employee would reasonably have been expected to contribute under Employer's group health plan; and (3) in no event shall the lump sum cash payment contemplated by this Section 5(b) exceed \$30,000. Employee shall be eligible for group health plan continuation coverage under, and in accordance with, the Consolidated Omnibus Budget Reconciliation Act of 1965, as amended, when he ceases to be eligible for continued participation in Employer's group health plan.

6. Termination.

(a) Types of Termination.

(i) For Cause by Employer. Any termination of Employee's employment by Employer for Cause (as defined in Exhibit A attached hereto) shall be authorized by a vote of at least a majority of the non-employee members of the Board within 12 months of a majority of such non-employee members of the Board having actual knowledge of the event or circumstances providing a basis for such termination. In the case of clause (4) of the definition of Cause, Employee shall be given notice by the Board specifying in detail the particular act or failure to act on which the Board is relying in proposing to terminate him for Cause and offering Employee an opportunity, on a date at least 14 days after receipt of such notice, to have a hearing, with counsel, before a majority of the non-employee members of the Board, including each of the members of the Board who authorized the termination for Cause. Employee shall not be terminated for Cause if, within 30 days after the date of Employee's hearing before the Board (or if Employee waives a hearing, within 30 days after receiving notice of the proposed termination), he has corrected the particular act or failure to act specified in the notice and by so correcting such act or failure to act he has reduced the economic damage his act or failure to act has allegedly caused Employer to a level which is no longer material or has eliminated the probability that such act or failure to act is likely to result in material economic damage to Employer. No termination for Cause shall take effect until the expiration of the correction period described in the preceding sentence and the determination by a majority of the non-employee members of the Board that Employee has failed to correct the act or failure to act in accordance with the terms of the preceding sentence.

Anything herein to the contrary notwithstanding, if, following a termination of Employee's employment by Employer for Cause based upon the conviction of Employee for a felony involving moral turpitude such conviction is finally overturned on appeal, Employee shall be entitled to the compensation provided in Sections 4(a) and 4(c) of the Severance Compensation Agreement; provided, however, that any such compensation shall be reduced dollar for dollar by the amount of any Transition Bonus paid under this Agreement. In lieu of the interest provided in clause (iv) of the first sentence of Section 4(a) of the Severance Compensation Agreement and the interest provided in the second sentence of Section 4(c) of the Severance Compensation Agreement, however, the compensation provided in Sections 4(a) and 4(c) of the Severance Compensation Agreement shall be increased by a 10% rate of interest, compounded annually, calculated from the date such compensation would have been paid if Employee's employment had been terminated without Cause.

(ii) Death, Disability or Retirement of Employee. If Employee's employment is terminated during the Term due to the death, Disability (as defined below) or Retirement (as defined in Exhibit A) of Employee, then an amount equal to Employee's Base Salary (at the rate most recently in effect) shall be paid through the date of his death, Disability or Retirement, plus an amount in respect of any accrued but unused vacation days; provided, however, that if Employee's employment is terminated due to death, Disability or Retirement subsequent to a Change in Control, then the applicable provisions of the Severance Compensation Agreement shall govern, provided the Severance Compensation Agreement has not been earlier terminated.

In addition to any other compensation provided for under this Agreement or the Severance Compensation Agreement, Employee's beneficiaries shall also receive any insurance benefits under the Benefit Plans to which Employee or his beneficiaries are entitled on the date of his death or Disability. Furthermore, if Employee's employment is terminated during the Term due to Disability, then Employee will be entitled to continued participation in all Benefit Plans or programs available to Employer's employees generally, until the earlier of (A) the date, or dates, he becomes eligible to receive coverage and benefits under the plans and programs of a subsequent employer (such coverages and benefits to be determined on a coverage-by-coverage or benefit-by-benefit basis) or (B) two years from the Termination Date; provided (1) if Employee is precluded from continuing his participation in any Benefit Plan or program as provided in the preceding sentence, he shall be paid, in a lump sum cash payment, within 30 days following the date it is determined he is unable to participate in any Benefit Plan or program, the after-tax economic equivalent of the benefits (net of Employee's contribution) provided under the plan or program in which he is unable to participate for the period specified in the preceding sentence; and (2) the economic equivalent of any benefit foregone shall be deemed to be an amount equal to (i) the lowest cost that would be incurred by Employee in obtaining such benefit for himself (including family or dependent coverage, if applicable) on an individual basis, minus (ii) the amount Employee would reasonably have been expected to contribute under Employer's group health plan. Employee shall be eligible for group health plan continuation coverage under and in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1965, as amended, when he ceases to be eligible for continued participation in Employer's group health plan under this Section 6(a)(ii).

As used in this Agreement, the term "Disability," shall mean the inability of Employee, due to physical or mental illness, with or without a reasonable accommodation, to perform his duties with Employer on a full-time basis for six months and, within 30 days after a notice of termination is thereafter given by Employer, Employee's failure to return to the full-time performance of Employee's duties as set forth in Section 3.

In the case of the Disability or Retirement of Employee, the Noncompetition and Confidentiality and other provisions of Sections 7 and 8 hereof shall remain in effect.

(iii) Without Cause by Employer. Employer may terminate the employment of Employee at any time without Cause after providing Employee with 30 days' prior written notice setting forth its intention to do so.

(iv) Expiration of Term. The expiration of this Agreement is by its own term, as set forth in Section 2.

(b) Compensation on Termination. Except as otherwise provided in the Severance Compensation Agreement, if Employee is terminated for Cause, death, Disability, Retirement, or voluntarily terminates his employment, Employee shall not be entitled to any compensation following the date of termination as defined below (the "Termination Date"):

(i) for Cause by Employer - immediately upon the vote of a majority of the non-employee Board members as provided in Section 6(a)(i);

(ii) for death, Disability or Retirement - for death or Retirement, immediately upon the date of such occurrence; for Disability, immediately upon expiration of the notice period described in Section 6(a)(ii) if Employee fails to return to the full-time performance of Employee's duties as set forth in Section 3; and

(iii) by its own term - on the date set forth in Section 2.

(c) Compensation for Termination Without Cause. Subject to the provisions of this Agreement, in the event Employee's employment is terminated by Employer without Cause prior to February 28, 2006, Employer shall pay to Employee an amount equal to \$500,000 minus the amount of any Transition Bonus paid prior to the Termination Date.

(d) Change in Control Compensation. Subject to the provisions of this Agreement, including without limitation Section 6(g), Employee shall be entitled to the compensation provided in the Severance Compensation Agreement pursuant to the terms stated in such agreement; provided, however, that any compensation payable under the Severance Compensation Agreement shall be reduced dollar for dollar by the amount of any Transition Bonus paid prior to the date of any payment under the Severance Compensation Agreement.

(e) Expiration of Term. Subject to the provisions of this Agreement, including without limitation Sections 4(b), 5(b) and 6(g), if this Agreement remains in effect through the Term, Employee shall be entitled to the Transition Bonus and compensation provided under Section 5(b).

(f) Notice of Termination. Any termination of Employee's employment by Employer pursuant to Section 6(a)(i) or 6(a)(iii) above shall be communicated by a written notice of termination to Employee.

(g) Conflict in Benefits. To the extent that Employee is entitled to severance compensation pursuant to the terms of that certain amended and restated severance compensation agreement (the "Severance Compensation Agreement") dated as of September 28, 2004, a copy of which is attached hereto as Exhibit E, Employee's entitlement to any severance compensation (including the Transition Bonus) shall be determined under the Severance Compensation Agreement; provided, however, that any compensation payable under the Severance Compensation Agreement shall be reduced dollar for dollar by the amount of any portion of the Transition Bonus paid prior to the date of any payment under the Severance Compensation Agreement. Without limiting the foregoing, the parties expressly understand and agree that, if Employee is entitled to compensation under the Severance Compensation Agreement, Employee shall in no event be entitled to compensation pursuant to Section 4(c), 5(b), 6(c) or 6(e) of this Agreement.

7. **Noncompetition, Noninducement, Nonsolicitation, Release.**

(a) Employee hereby agrees that commencing on the date of this Agreement and continuing through 180 days after the termination date (the "Non-Compete Period"), he shall not singly, jointly, or as a member, employee, or agent of any partnership or as an officer, agent, employee, director or stockholder, or investor of any other corporation or entity, or in any other capacity, which is engaged in a similar business to that of Employer during the period of non-competition:

(i) solicit, contact and/or service any person, firm, corporation, partnership, or entity of any kind whatsoever for purposes which are competitive to that of Employer, and for purposes similar to those performed by Employee for Employer, a client of Employer for which Employee performed service or had personal contact with on behalf of Employer during the last one year of Employee's employment with Employer; provided, that Employee shall be able to acquire and hold up to 1% of the outstanding shares of any publicly traded stock of any company, and an unlimited percentage of outstanding shares in the Employer, its parent, affiliates, or subsidiaries; and

(ii) directly or indirectly induce or attempt to induce any person who, during the term of Employee's employment hereunder, was an employee, representative or agent of Employer or any of its affiliates to terminate his employment with Employer or any of its affiliates, or to violate the terms of any agreement between said employee, representative or agent and Employer or any of its affiliates.

(b) It is understood and agreed by Employer and Employee that the time periods of the restrictions set forth in Section 7(a) of this Agreement are intended by Employer and Employee to be extended by any time period during which Employee violates the terms and conditions of Section 7(a). Notwithstanding anything which could be construed to the contrary, this Section 7(b) is not intended to and shall not be deemed to permit Employee to violate any term or condition of Section 7(a).

(c) Prior to Employer providing any compensation under Section 4(c), 5(b) or 6(c) of this Agreement or under the Severance Compensation Agreement, Employee shall execute, or re-execute, and deliver to Employer a release and waiver (the "Release") in substantially the form attached hereto as Exhibit F, with such changes therein and modifications thereto as Employer, in the exercise of its reasonable judgment, may determine to be required by applicable law or rule in any jurisdiction. Employer's obligation to provide any compensation under Section 4(c), 5(b) or 6(c) under this Agreement, or under the Severance Compensation Agreement is expressly conditioned on Employee's prior execution and delivery of the Release.

(d) In the event any of the provisions of this Agreement shall be held to be invalid or unenforceable, the remaining portions thereof shall nevertheless continue to be valid and enforceable as though the invalid or unenforceable parts had not been included herein.

(e) Employer and Employee specifically agree that the provisions of Sections 7, 8, 9, 10 and 15 shall survive the termination of this Agreement.

(f) Employer and Employee agree that the provisions of this Section 7 may be waived in whole or in part by mutual agreement in writing by Employer and Employee.

8. Confidentiality. Without the consent of Employer, Employee will not, during his Employment or after termination of this Agreement, (a) disclose any trade secret or proprietary or confidential knowledge or information of Employer or any affiliate of Employer to any person or entity (other than to Employer or stockholders, directors, officers or employees of Employer or representatives thereof), or (b) otherwise make use of any such secret, knowledge or information for other than Employers purposes, unless in the case of (a) or (b) above such secret, knowledge or information is readily ascertainable from publicly available information. Employee will hold confidential, on behalf of Employer as the property of Employer, all memoranda, manuals, books, papers, letters, documents, computer software and other similar property obtained during the course of performing duties under this Agreement, and will return such property to Employer at any time upon demand by Employer and, in any event, within three calendar days after termination of his employment under this Agreement or after the end of the Term.

9. Developments.

(a) As used in this Agreement, the term "Employee Developments" shall mean all technological, financial, operating and training ideas, processes, methods and materials, specifically including, but not limited to, all inventions, discoveries, improvements, devices, apparatus, designs, practices, processes, methods, formulas, know-how, products, enhancements and all software, computer programs (including source code, object code, documentation and programmer's notes) and other works of authorship, whether or not patentable or copyrightable, developed, written, conceived or reduced to practice during Employee's employment by Employer or within a period of 90 days thereafter (i) which result from any work performed by Employee for the Employer, or (ii) which relate to the Employer's business or research or development of the Employer at the time Employee develops, writes, conceives or reduces to practice any of the foregoing, alone or with others.

(b) Employee shall promptly disclose all Employee Developments to the Employer and make available to the Employer any work papers, drawings, designs, schematics, specifications, descriptions, models, diskettes, computer tapes, source codes or other tangible incidents of Employee Developments. Employee agrees that all Employee Developments shall be considered work made by Employee for the Employer and prepared within the scope of Employee's employment and that all right, title and ownership interest in and to Employee Developments, including, without limitation, copyright, trade secret, patent or other intellectual property rights, shall exclusively vest in and be retained by the Employer, both during and following the term of employment. Employee agrees to perform upon request of the Employer any acts that may be necessary or convenient during his term of employment or thereafter to establish, perfect, evidence, register, transfer, assign or convey ownership of Employee Developments in or to the Employer, to the fullest extent possible, including without limitation, assignment to the Employer of all ownership, copyright, trade secret, patent and other intellectual property rights without any further consideration.

10. Remedies.

(a) Employer shall be entitled, if it elects, to enjoin any breach or threatened breach of, or enforce the specific performance of, the obligations of Employee under Sections 7 and 8, without showing any actual damage or that monetary damages would be inadequate. Any such equitable remedy will not be the sole and exclusive remedy for any such breach, and Employer may pursue other remedies for such a breach.

(b) Any court proceeding to enforce the specific performance provisions of this Agreement may be commenced in the federal courts located in the State of Nebraska, or in the absence of federal jurisdiction, the state courts of Nebraska having jurisdiction. Employer and Employee submit to the jurisdiction of such courts and waive any objection which they may have to the pursuit of any such proceeding in any such court for purposes of specific performance only.

11. Employer Assignment. Employer may assign this Agreement, provided, however, that in the event of such assignment by the Employer, Employer's obligations hereunder shall be binding legal obligations and shall inure to the benefit of any successor.

12. Location. Unless Employee and Employer otherwise agree, Employee shall reside in Omaha, Nebraska during the Term.

13. Benefits Unfunded. All rights of Employee and his spouse or other beneficiary under this Agreement shall at all times be entirely unfunded and no provision shall at any time be made with respect to segregating any assets of Employer for payment of any amounts due hereunder. Neither Employee nor his spouse or other beneficiary shall have any interest in or rights against any specific assets of Employer.

14. Waiver. No waiver by any party at any time of any breach by any other party of, or compliance with, any condition or provision of this Agreement to be performed by any other party shall be deemed a waiver of any other provisions or conditions at the same time or at any prior or subsequent time.

15. Applicable Law. This Agreement shall be construed and interpreted pursuant to the laws of the State of Nebraska without giving effect to the conflict of laws provisions thereof.

16. Entire Agreement. This Agreement and the Severance Compensation Agreement contain the entire agreement between Employer and Employee and supersede any and all previous agreements, written or oral, between the parties relating to the subject matter hereof and thereof including, without limitation, the Second Amended and Restated Employment Agreement. In the event of a conflict between the provisions of this Agreement and the provisions contained in the Severance Compensation Agreement, the provisions of this Agreement shall govern. No amendment or modification of the terms of this Agreement shall be binding upon the parties hereto unless reduced to writing and signed by Employer and Employee.

17. Counterparts. This Agreement may be executed in counterparts and by facsimile signatures, each of which shall be deemed an original, and all of which taken together shall constitute one instrument.

18. Severability. In the event any provision of this Agreement is held illegal or invalid, the remaining provisions of this Agreement shall not be affected thereby.

STOCK OPTION AGREEMENT
TRANSACTION SYSTEMS ARCHITECTS, INC.
1999 STOCK OPTION PLAN
as amended by
the Stockholders on February 22, 2000,
the Board of Directors on May 5, 2000,
the Stockholders on February 20, 2001, and
the Stockholders on February 19, 2002**

This Stock Option Agreement (the "Option Agreement"), which was originally made as of January 2, 2002 (the "Original Date of Grant"), by and between Transaction Systems Architects, Inc., ("TSA") a Delaware corporation (the "Corporation") and GREGORY D. DERKACHT, an employee of the Corporation or its subsidiaries (the "Optionee"), is amended and restated effective as of February 26, 2004.

WHEREAS, the Board of Directors of the Corporation has duly adopted and approved the 1999 Stock Option Plan (the "Plan"), which Plan authorizes the Corporation to grant to eligible individuals options for the purchase of shares of the Corporation's Class A Common Stock (the "Stock"); and

WHEREAS, the Corporation has determined that it is desirable and in its best interests to grant the Optionee, pursuant to the Plan, an option to purchase a certain number of shares of Stock, in order to provide the Optionee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

1. GRANT OF NON-QUALIFIED STOCK OPTION

Subject to the terms of the Plan, the Corporation hereby grants to the Optionee the right and option (the "Option") to purchase from the Corporation, on the terms and subject to the conditions set forth in the Plan and in this Agreement, 100,000 (one hundred thousand) shares of Class A Common Stock. **This Option shall not constitute an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").**

2. TERMS OF PLAN

The Option granted pursuant to this Option Agreement is granted subject to the terms and conditions set forth in the Plan, a copy of which is attached to this Option Agreement. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Option Agreement by reference and shall be deemed to be part of this Option Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are not otherwise set forth in this Option Agreement. In the event that there is any inconsistency between the provisions of this Option Agreement and of the Plan, the provisions of the Plan shall govern.

3. EXERCISE PRICE

The Exercise Price for the shares of Stock subject to the Option granted by this Option Agreement is \$11.86 per share.

4. EXERCISE OF OPTION

Except as otherwise provided herein, and subject to the provisions of the Plan (including restrictions on the transferability of the Option and special provisions relating to exercise or termination of the Option following the Optionee's termination of employment, disability, death or retirement or certain changes in capitalization of the Corporation), the Option granted pursuant to this Option Agreement shall be subject to exercise as follows:

4.1 Time of Exercise of Option

The Optionee may exercise the Option (subject to the limitations on exercise set forth in this Agreement and in the Plan), in installments as follows:

- (i) Subject to Section 4.2, no Option may be exercised during the first year from the Original Date of Grant;

(ii) Subject to Section 4.2, after one year from the Original Date of Grant, the Option shall be exercisable in respect of 33 and 1/3 percent of the number of shares specified in Section 1 above; and

(iii) Subject to Section 4.2, after the expiration of each of the second, and third years from the Original Date of Grant, the Option shall be exercisable in respect of an additional 33 and 1/3 percent of such shares specified in Section 1 above.

The foregoing installments, to the extent not exercised, shall accumulate and be exercisable, in whole or in part, at any time and from time to time, after becoming exercisable and prior to the termination of the Option; provided, that no single exercise of the Option shall be for less than 100 shares, unless at the time of the exercise, the maximum number of shares available for purchase under this Option is less than 100 shares. In no event shall the Option be exercised for a fractional share.

4.2 Acceleration of Option.

Notwithstanding any other provision of this Agreement to the contrary, the Option granted hereby shall become immediately exercisable upon the occurrence of a Change in Control (as hereinafter defined) of the Corporation if Optionee is an employee of the Corporation or any of its subsidiaries on the date of the consummation of such Change in Control.

For purposes of this Section 4.2, a "Change in Control" means the occurrence of any of the following events:

(i) any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a "Person") is or becomes the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of the combined voting power of the then-outstanding Voting Stock of the Corporation; provided, however, that:

(1) for purposes of this paragraph (i), the following acquisitions shall not constitute a Change in Control: (A) any acquisition of Voting Stock of the Corporation directly from the Corporation that is approved by a majority of the Incumbent Directors, (B) any acquisition of Voting Stock of the Corporation by the Corporation or any subsidiary of the Corporation, (C) any acquisition of Voting Stock of the Corporation by the trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by the Corporation or any subsidiary of the Corporation, and (D) any acquisition of Voting Stock of the Corporation by any Person pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of subparagraph (i)(3) below;

(2) if any Person is or becomes the beneficial owner of 20% or more of combined voting power of the then-outstanding Voting Stock of the Corporation as a result of a transaction described in clause (A) of subparagraph (i)(1) above and such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than in an acquisition directly from the Corporation that is approved by a majority of the Incumbent Directors or other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally, such subsequent acquisition shall be treated as a Change in Control;

(3) a Change in Control will not be deemed to have occurred if a Person is or becomes the beneficial owner of 20% or more of the Voting Stock of the Corporation as a result of a reduction in the number of shares of Voting Stock of the Corporation outstanding pursuant to a transaction or series of transactions that is approved by a majority of the Incumbent Directors unless and until such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally; and

(4) if at least a majority of the Incumbent Directors determine in good faith that a Person has acquired beneficial ownership of 20% or more of the Voting Stock of the Corporation inadvertently, and such Person divests as promptly as practicable but no later than the date, if any, set by the Incumbent Board a sufficient number of shares so that such Person beneficially owns less than 20% of the Voting Stock of the Corporation, then no Change in Control shall have occurred as a result of such Person's acquisition; or

(ii) a majority of the Board ceases to be comprised of Incumbent Directors; or

(iii) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of the Corporation or the acquisition of the stock or assets of another corporation, or other transaction (each, a "Business Transaction"), unless, in each case, immediately following such Business Transaction (A) the Voting Stock of the Corporation outstanding immediately prior to such Business Transaction continues to represent (either by remaining outstanding or by being converted into Voting Stock of the surviving entity or any parent thereof), more than 60% of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction (including, without limitation, an entity which as a result of such transaction owns the Corporation or all or substantially all of the Corporation's assets either directly or through one or more subsidiaries), (B) no Person (other than the Corporation, such entity resulting from such Business Transaction, or any employee benefit plan (or related trust) sponsored or maintained by the Corporation, any subsidiary of the Corporation or such entity resulting from such Business Transaction) beneficially owns, directly or indirectly, 20% or more of the combined voting power of the then outstanding shares of Voting Stock of the entity

resulting from such Business Transaction, and (C) at least a majority of the members of the Board of Directors of the entity resulting from such Business Transaction were Incumbent Directors at the time of the execution of the initial agreement or of the action of the Board providing for such Business Transaction; or

(iv) approval by the shareholders of the Corporation of a complete liquidation or dissolution of the Corporation, except pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of paragraph (iii).

For purposes of this Section 4.2, the term "Exchange Act" means the Securities Exchange Act of 1934, as amended.

For purposes of this Section 4.2, the term "Incumbent Directors" means the individuals who, as of the date hereof, are Directors of the Corporation and any individual becoming a Director subsequent to the date hereof whose election, nomination for election by the Corporation's shareholders, or appointment, was approved by a vote of at least two-thirds of the then Incumbent Directors (either by a specific vote or by approval of the proxy statement of the Corporation in which such person is named as a nominee for director, without objection to such nomination); provided, however, that an individual shall not be an Incumbent Director if such individual's election or appointment to the Board occurs as a result of an actual or threatened election contest (as described in Rule 14a-12(c) of the Exchange Act) with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board.

For purposes of this Section 4.2, the term "Voting Stock" means securities entitled to vote generally in the election of directors.

4.3 Termination of Option

The Option shall terminate upon the earlier of the expiration of a period of (i) ten years from the Original Date of Grant, or (ii) one month from the date of the Optionee's termination of employment with the Corporation or a subsidiary; provided, however, that if such termination of employment falls within the scope of one of the provisions of the Plan providing for an extended exercise period in excess of one month, the Option shall terminate upon the expiration of the extended period, as specified in such provision, after the Optionee's termination of employment with the Corporation or a subsidiary within which the Option is exercisable.

4.4 Effect of Optionee's Disability or Death

If the Optionee ceases to be an Employee of the Corporation or a Subsidiary of the Corporation by reason of Disability, the unexercised portion of any Option held by such Optionee at that time will become immediately vested and will be exercisable for the shorter of one year from the date on which the Optionee ceased to be so employed or the remaining Option term. If the Optionee does not exercise the Option within the time specified, such Option shall terminate. The Corporation shall have the authority to determine the date an Optionee ceases to be an Employee by reason of Disability.

If the Optionee dies while employed by the Corporation or a Subsidiary of the Corporation (or dies within a period of one month after ceasing to be an Employee for any reason other than Disability or within a period of one year after ceasing to be an Employee by reason of Disability), the unexercised portion of any Option held by such Optionee at the time of death will become immediately vested and will be exercisable for the shorter of one year from the date of such Optionee's death, or the remaining Option term. Such Option may be exercised by the executor or administrator of the Optionee's estate or by any person or persons who shall have acquired the Option directly from the Optionee by bequest or inheritance. If the Option is not exercised within the time specified, such Option shall terminate.

4.5 Limitations on Exercise of Option

Notwithstanding the foregoing Subsections, in no event may the Option be exercised, in whole or in part, after ten years following the Original Date of Grant, or after the occurrence of an event which results in termination of the Option under the Plan.

4.6 Method of Exercise of Option

Cash Exercise (to exercise and retain the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the Corporation, at its principal office, addressed to the attention of Stock Option Administration, or to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised, and shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised plus the full amount of all applicable withholding taxes due on the Option exercise. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option shall be made either in cash or by certified check payable to the order of the Corporation. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate or certificates for the shares of Stock being purchased.

Same-Day-Sale Exercise (to exercise and immediately sell all the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell all of the shares of Stock to be issued upon exercise and (2) remit to the Corporation the portion of the sale proceeds sufficient to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell the shares on the Optionee's behalf. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage fees, transfer fees, and all applicable taxes due on the Option exercise, shall be deducted from the proceeds of the sale of the shares. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option the net proceeds from the sale of the shares of Stock being exercised and sold.

Sell-to-Cover Exercise (to exercise and immediately sell a portion of the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell the portion (which must be a whole number) of the shares of Stock to be issued upon exercise sufficient to generate proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage or transfer fees, and all applicable taxes due on the Option exercise (collectively the "Exercise Costs") and (2) remit to the Corporation a sufficient portion of the sale proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell on the Optionee's behalf only such number of the Shares as is required to generate proceeds sufficient to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate for the shares of Stock issued upon exercise which are not sold to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option any net proceeds from the sale of the Shares in excess of the Exercise Costs. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion.

The Option shall not be exercisable if and to the extent the Corporation determines such exercise or method of exercise would violate applicable securities laws, the rules and regulations of any securities exchange or quotation system on which the Stock is listed, or the Company's policies and procedures. An attempt to exercise the Option granted hereunder other than as set forth above shall be invalid and of no force and effect.

4.7 Parachute Limitations

Notwithstanding any other provision of this Option Agreement or the Plan or any other agreement, contract or understanding heretofore or hereafter entered into by the Optionee with the Corporation (or any subsidiary or affiliate thereof), except an agreement, contract or understanding hereafter entered into that expressly modifies or excludes application of this Subsection (the "Other Agreements"), and notwithstanding any formal or informal plan or other arrangements heretofore or hereafter adopted by the Corporation (or any such subsidiary or affiliate) for the direct or indirect compensation of the Optionee (including groups or classes of participants or beneficiaries of which the Optionee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Optionee (an "Other Benefit Plan"), the Optionee shall not have any right to exercise an Option or receive any payment or other benefit under this Option Agreement, any Other Agreement, or any Other Benefit Plan if such right to exercise, payment or benefit, taking into account all other rights, payments or benefits to or for the Optionee under this Option Agreement, all Other Agreements and all Other Benefit Plans, would cause any right, payment or benefit to the Optionee under this Option Agreement to be considered a "parachute payment" within the meaning of Section 280G(b)(2) of the Code as then in effect (a "Parachute Payment"). In the event that the receipt of any such right to exercise or any other payment or benefit under this Option Agreement, any Other Agreement or any Other Benefit Plan would cause the Optionee to be considered to have received a Parachute Payment under this Agreement, then the Optionee shall have the right, in the Optionee's sole discretion, to designate those rights, payments or benefits under this Option Agreement, any Other Agreements, and/or any Other Benefit Plans, which should be reduced or eliminated so as to avoid having the right, payment or benefit to the Optionee under this Option Agreement be deemed to be a Parachute Payment.

5. TRANSFERABILITY OF OPTIONS

During the lifetime of an Optionee, only such Optionee (or, in the event of legal incapacity or incompetency, the Optionee's guardian or legal representative) may exercise the Option. No Option shall be assignable or transferable by the Optionee to whom it is granted, other than by will or the laws of descent and distribution.

6. RIGHTS AS STOCKHOLDER

Neither the Optionee nor any executor, administrator, distributee or legatee of the Optionee's estate shall be, or have any of the rights or privileges of, a stockholder of the Corporation in respect of any shares of Stock issuable hereunder unless and until such shares have been fully paid and certificates representing such shares have been endorsed, transferred and delivered, and the name of the

Optionee (or of such personal representative, administrator, distributee or legatee of the Optionee's estate) has been entered as the stockholder or record on the books of the Corporation.

7. WITHHOLDING OF TAXES

The parties hereto recognize that the Corporation or a subsidiary may be obligated to withhold federal, state and/or local income taxes and Social Security taxes to the extent that the Optionee realizes ordinary income in connection with the exercise of the Option or in connection with a disposition of any shares of Stock acquired by exercise of the Option. The Optionee agrees that the Corporation or a subsidiary may withhold amounts needed to cover such taxes from payments otherwise due and owing to the Optionee, and also agrees that upon demand the Optionee will promptly pay to the Corporation or a subsidiary having such obligation any additional amounts as may be necessary to satisfy such withholding tax obligation. Such payment shall be made in cash or by check payable to the order of the Corporation or a subsidiary.

8. DISCLAIMER OF RIGHTS

No provision in this Option Agreement shall be construed to confer upon the Optionee the right to be employed by the Corporation or any subsidiary, or to interfere in any way with the right and authority of the Corporation or any subsidiary either to increase or decrease the compensation of the Optionee at any time, or to terminate any employment or other relationship between the Optionee and the Corporation or any subsidiary.

9. INTERPRETATION OF THIS OPTION AGREEMENT

All decisions and interpretations made by the Board or the Compensation Committee thereof with regard to any question arising under the Plan or this Option Agreement shall be binding and conclusive on the Corporation and the Optionee and any other person entitled to exercise the Option as provided for herein.

10. GOVERNING LAW

This Option Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

11. BINDING EFFECT

Subject to all restrictions provided for in this Option Agreement, the Plan, and by applicable law relating to assignment and transfer of this Option Agreement and the option provided for herein, this Option Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

12. NOTICE

Any notice hereunder by the Optionee to the Corporation shall be in writing and shall be deemed duly given if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration or if so mailed or delivered to such other address as the Corporation may hereafter designate by notice to the Optionee. Any notice hereunder by the Corporation to the Optionee shall be in writing and shall be deemed duly given if mailed or delivered to the Optionee at the address specified below by the Optionee for such purpose, or if so mailed or delivered to such other address as the Optionee may hereafter designate by written notice given to the Corporation.

13. ENTIRE AGREEMENT

This Option Agreement and the Plan together constitute the entire agreement and supersede all prior understandings and agreements, written or oral (including, without limitation, the Stock Option Agreement between the Corporation and Optionee dated January 2, 2002), of the parties hereto with respect to the subject matter hereof. Except for amendments to the Plan incorporated into this Option Agreement by reference pursuant to Section 2 above, neither this Option Agreement nor any term hereof may be amended, waived, discharged or terminated except by a written instrument signed by the Corporation and the Optionee; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Optionee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(ii) Subject to Section 4.2, after one year from the Original Date of Grant, the Option shall be exercisable in respect of 33 and 1/3 percent of the number of shares specified in Section 1 above; and

(iii) Subject to Section 4.2, after the expiration of each of the second, and third years from the Original Date of Grant, the Option shall be exercisable in respect of an additional 33 and 1/3 percent of such shares specified in Section 1 above.

The foregoing installments, to the extent not exercised, shall accumulate and be exercisable, in whole or in part, at any time and from time to time, after becoming exercisable and prior to the termination of the Option; provided, that no single exercise of the Option shall be for less than 100 shares, unless at the time of the exercise, the maximum number of shares available for purchase under this Option is less than 100 shares. In no event shall the Option be exercised for a fractional share.

4.2 Acceleration of Option.

Notwithstanding any other provision of this Agreement to the contrary, the Option granted hereby shall become immediately exercisable upon the occurrence of a Change in Control (as hereinafter defined) of the Corporation if Optionee is an employee of the Corporation or any of its subsidiaries on the date of the consummation of such Change in Control.

For purposes of this Section 4.2, a "Change in Control" means the occurrence of any of the following events:

(i) any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a "Person") is or becomes the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of the combined voting power of the then-outstanding Voting Stock of the Corporation; provided, however, that:

(1) for purposes of this paragraph (i), the following acquisitions shall not constitute a Change in Control: (A) any acquisition of Voting Stock of the Corporation directly from the Corporation that is approved by a majority of the Incumbent Directors, (B) any acquisition of Voting Stock of the Corporation by the Corporation or any subsidiary of the Corporation, (C) any acquisition of Voting Stock of the Corporation by the trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by the Corporation or any subsidiary of the Corporation, and (D) any acquisition of Voting Stock of the Corporation by any Person pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of subparagraph (i)(3) below;

(2) if any Person is or becomes the beneficial owner of 20% or more of combined voting power of the then-outstanding Voting Stock of the Corporation as a result of a transaction described in clause (A) of subparagraph (i)(1) above and such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than in an acquisition directly from the Corporation that is approved by a majority of the Incumbent Directors or other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally, such subsequent acquisition shall be treated as a Change in Control;

(3) a Change in Control will not be deemed to have occurred if a Person is or becomes the beneficial owner of 20% or more of the Voting Stock of the Corporation as a result of a reduction in the number of shares of Voting Stock of the Corporation outstanding pursuant to a transaction or series of transactions that is approved by a majority of the Incumbent Directors unless and until such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally; and

(4) if at least a majority of the Incumbent Directors determine in good faith that a Person has acquired beneficial ownership of 20% or more of the Voting Stock of the Corporation inadvertently, and such Person divests as promptly as practicable but no later than the date, if any, set by the Incumbent Board a sufficient number of shares so that such Person beneficially owns less than 20% of the Voting Stock of the Corporation, then no Change in Control shall have occurred as a result of such Person's acquisition; or

(ii) a majority of the Board ceases to be comprised of Incumbent Directors; or

(iii) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of the Corporation or the acquisition of the stock or assets of another corporation, or other transaction (each, a "Business Transaction"), unless, in each case, immediately following such Business Transaction (A) the Voting Stock of the Corporation outstanding immediately prior to such Business Transaction continues to represent (either by remaining outstanding or by being converted into Voting Stock of the surviving entity or any parent thereof), more than 60% of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction (including, without limitation, an entity which as a result of such transaction owns the Corporation or all or substantially all of the Corporation's assets either directly or through one or more subsidiaries), (B) no Person (other than the Corporation, such entity resulting from such Business Transaction, or any employee benefit plan (or related trust) sponsored or maintained by the Corporation, any subsidiary of the Corporation or such entity resulting from such Business Transaction) beneficially owns,

directly or indirectly, 20% or more of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction, and (C) at least a majority of the members of the Board of Directors of the entity resulting from such Business Transaction were Incumbent Directors at the time of the execution of the initial agreement or of the action of the Board providing for such Business Transaction; or

(iv) approval by the shareholders of the Corporation of a complete liquidation or dissolution of the Corporation, except pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of paragraph (iii).

For purposes of this Section 4.2, the term "Exchange Act" means the Securities Exchange Act of 1934, as amended.

For purposes of this Section 4.2, the term "Incumbent Directors" means the individuals who, as of the date hereof, are Directors of the Corporation and any individual becoming a Director subsequent to the date hereof whose election, nomination for election by the Corporation's shareholders, or appointment, was approved by a vote of at least two-thirds of the then Incumbent Directors (either by a specific vote or by approval of the proxy statement of the Corporation in which such person is named as a nominee for director, without objection to such nomination); provided, however, that an individual shall not be an Incumbent Director if such individual's election or appointment to the Board occurs as a result of an actual or threatened election contest (as described in Rule 14a-12(c) of the Exchange Act) with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board.

For purposes of this Section 4.2, the term "Voting Stock" means securities entitled to vote generally in the election of directors.

4.3 Termination of Option

The Option shall terminate upon the earlier of the expiration of a period of (i) ten years from the Original Date of Grant, or (ii) one month from the date of the Optionee's termination of employment with the Corporation or a subsidiary; provided, however, that if such termination of employment falls within the scope of one of the provisions of the Plan providing for an extended exercise period in excess of one month, the Option shall terminate upon the expiration of the extended period, as specified in such provision, after the Optionee's termination of employment with the Corporation or a subsidiary within which the Option is exercisable.

4.4 Effect of Optionee's Disability or Death

If the Optionee ceases to be an Employee of the Corporation or a Subsidiary of the Corporation by reason of Disability, the unexercised portion of any Option held by such Optionee at that time will become immediately vested and will be exercisable for the shorter of one year from the date on which the Optionee ceased to be so employed or the remaining Option term. If the Optionee does not exercise the Option within the time specified, such Option shall terminate. The Corporation shall have the authority to determine the date an Optionee ceases to be an Employee by reason of Disability.

If the Optionee dies while employed by the Corporation or a Subsidiary of the Corporation (or dies within a period of one month after ceasing to be an Employee for any reason other than Disability or within a period of one year after ceasing to be an Employee by reason of Disability), the unexercised portion of any Option held by such Optionee at the time of death will become immediately vested and will be exercisable for the shorter of one year from the date of such Optionee's death, or the remaining Option term. Such Option may be exercised by the executor or administrator of the Optionee's estate or by any person or persons who shall have acquired the Option directly from the Optionee by bequest or inheritance. If the Option is not exercised within the time specified, such Option shall terminate.

4.5 Limitations on Exercise of Option

Notwithstanding the foregoing Subsections, in no event may the Option be exercised, in whole or in part, after ten years following the Original Date of Grant, or after the occurrence of an event which results in termination of the Option under the Plan.

4.6 Method of Exercise of Option

Cash Exercise (to exercise and retain the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the Corporation, at its principal office, addressed to the attention of Stock Option Administration, or to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised, and shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised plus the full amount of all applicable withholding taxes due on the Option exercise. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option shall be made either in cash or by certified check payable to the order of the Corporation. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate or certificates for the shares of Stock being purchased.

Same-Day-Sale Exercise (to exercise and immediately sell all the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell all of the shares of Stock to be issued upon exercise and (2) remit to the Corporation the portion of the sale proceeds sufficient to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell the shares on the Optionee's behalf. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage fees, transfer fees, and all applicable taxes due on the Option exercise, shall be deducted from the proceeds of the sale of the shares. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option the net proceeds from the sale of the shares of Stock being exercised and sold.

Sell-to-Cover Exercise (to exercise and immediately sell a portion of the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell the portion (which must be a whole number) of the shares of Stock to be issued upon exercise sufficient to generate proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage or transfer fees, and all applicable taxes due on the Option exercise (collectively the "Exercise Costs") and (2) remit to the Corporation a sufficient portion of the sale proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell on the Optionee's behalf only such number of the Shares as is required to generate proceeds sufficient to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate for the shares of Stock issued upon exercise which are not sold to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option any net proceeds from the sale of the Shares in excess of the Exercise Costs. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion.

The Option shall not be exercisable if and to the extent the Corporation determines such exercise or method of exercise would violate applicable securities laws, the rules and regulations of any securities exchange or quotation system on which the Stock is listed, or the Company's policies and procedures. An attempt to exercise the Option granted hereunder other than as set forth above shall be invalid and of no force and effect.

4.7 Parachute Limitations

Notwithstanding any other provision of this Option Agreement or the Plan or any other agreement, contract or understanding heretofore or hereafter entered into by the Optionee with the Corporation (or any subsidiary or affiliate thereof), except an agreement, contract or understanding hereafter entered into that expressly modifies or excludes application of this Subsection (the "Other Agreements"), and notwithstanding any formal or informal plan or other arrangements heretofore or hereafter adopted by the Corporation (or any such subsidiary or affiliate) for the direct or indirect compensation of the Optionee (including groups or classes of participants or beneficiaries of which the Optionee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Optionee (an "Other Benefit Plan"), the Optionee shall not have any right to exercise an Option or receive any payment or other benefit under this Option Agreement, any Other Agreement, or any Other Benefit Plan if such right to exercise, payment or benefit, taking into account all other rights, payments or benefits to or for the Optionee under this Option Agreement, all Other Agreements and all Other Benefit Plans, would cause any right, payment or benefit to the Optionee under this Option Agreement to be considered a "parachute payment" within the meaning of Section 280G(b)(2) of the Code as then in effect (a "Parachute Payment"). In the event that the receipt of any such right to exercise or any other payment or benefit under this Option Agreement, any Other Agreement or any Other Benefit Plan would cause the Optionee to be considered to have received a Parachute Payment under this Agreement, then the Optionee shall have the right, in the Optionee's sole discretion, to designate those rights, payments or benefits under this Option Agreement, any Other Agreements, and/or any Other Benefit Plans, which should be reduced or eliminated so as to avoid having the right, payment or benefit to the Optionee under this Option Agreement be deemed to be a Parachute Payment.

5. TRANSFERABILITY OF OPTIONS

During the lifetime of an Optionee, only such Optionee (or, in the event of legal incapacity or incompetency, the Optionee's guardian or legal representative) may exercise the Option. No Option shall be assignable or transferable by the Optionee to whom it is granted, other than by will or the laws of descent and distribution.

6. RIGHTS AS STOCKHOLDER

Neither the Optionee nor any executor, administrator, distributee or legatee of the Optionee's estate shall be, or have any of the rights or privileges of, a stockholder of the Corporation in respect of any shares of Stock issuable hereunder unless and until such shares have been fully paid and certificates representing such shares have been endorsed, transferred and delivered, and the name of the

Optionee (or of such personal representative, administrator, distributee or legatee of the Optionee's estate) has been entered as the stockholder or record on the books of the Corporation.

7. WITHHOLDING OF TAXES

The parties hereto recognize that the Corporation or a subsidiary may be obligated to withhold federal, state and/or local income taxes and Social Security taxes to the extent that the Optionee realizes ordinary income in connection with the exercise of the Option or in connection with a disposition of any shares of Stock acquired by exercise of the Option. The Optionee agrees that the Corporation or a subsidiary may withhold amounts needed to cover such taxes from payments otherwise due and owing to the Optionee, and also agrees that upon demand the Optionee will promptly pay to the Corporation or a subsidiary having such obligation any additional amounts as may be necessary to satisfy such withholding tax obligation. Such payment shall be made in cash or by check payable to the order of the Corporation or a subsidiary.

8. DISCLAIMER OF RIGHTS

No provision in this Option Agreement shall be construed to confer upon the Optionee the right to be employed by the Corporation or any subsidiary, or to interfere in any way with the right and authority of the Corporation or any subsidiary either to increase or decrease the compensation of the Optionee at any time, or to terminate any employment or other relationship between the Optionee and the Corporation or any subsidiary.

9. INTERPRETATION OF THIS OPTION AGREEMENT

All decisions and interpretations made by the Board or the Compensation Committee thereof with regard to any question arising under the Plan or this Option Agreement shall be binding and conclusive on the Corporation and the Optionee and any other person entitled to exercise the Option as provided for herein.

10. GOVERNING LAW

This Option Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

11. BINDING EFFECT

Subject to all restrictions provided for in this Option Agreement, the Plan, and by applicable law relating to assignment and transfer of this Option Agreement and the option provided for herein, this Option Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

12. NOTICE

Any notice hereunder by the Optionee to the Corporation shall be in writing and shall be deemed duly given if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration or if so mailed or delivered to such other address as the Corporation may hereafter designate by notice to the Optionee. Any notice hereunder by the Corporation to the Optionee shall be in writing and shall be deemed duly given if mailed or delivered to the Optionee at the address specified below by the Optionee for such purpose, or if so mailed or delivered to such other address as the Optionee may hereafter designate by written notice given to the Corporation.

13. ENTIRE AGREEMENT

This Option Agreement and the Plan together constitute the entire agreement and supersede all prior understandings and agreements, written or oral (including, without limitation, the Stock Option Agreement between the Corporation and Optionee dated February 19, 2002), of the parties hereto with respect to the subject matter hereof. Except for amendments to the Plan incorporated into this Option Agreement by reference pursuant to Section 2 above, neither this Option Agreement nor any term hereof may be amended, waived, discharged or terminated except by a written instrument signed by the Corporation and the Optionee; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Optionee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

This Stock Option Agreement (the "Option Agreement"), which was originally made as of February 19, 2002 (the "Original Date of Grant"), by and between Transaction Systems Architects, Inc., ("TSA") a Delaware corporation (the "Corporation") and GREGORY D. DERKACHT, an employee of the Corporation or its subsidiaries (the "Optionee"), is amended and restated effective as of February 26, 2004.

WHEREAS, the Board of Directors of the Corporation has duly adopted and approved the 1999 Stock Option Plan (the "Plan"), which Plan authorizes the Corporation to grant to eligible individuals options for the purchase of shares of the Corporation's Class A Common Stock (the "Stock"); and

WHEREAS, the Corporation has determined that it is desirable and in its best interests to grant the Optionee, pursuant to the Plan, an option to purchase a certain number of shares of Stock, in order to provide the Optionee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

1. GRANT OF NON-QUALIFIED STOCK OPTION

Subject to the terms of the Plan, the Corporation hereby grants to the Optionee the right and option (the "Option") to purchase from the Corporation, on the terms and subject to the conditions set forth in the Plan and in this Agreement, 200,000 shares of Class A Common Stock. **This Option shall not constitute an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").**

2. TERMS OF PLAN

The Option granted pursuant to this Option Agreement is granted subject to the terms and conditions set forth in the Plan, a copy of which is attached to this Option Agreement. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Option Agreement by reference and shall be deemed to be part of this Option Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are not otherwise set forth in this Option Agreement. In the event that there is any inconsistency between the provisions of this Option Agreement and of the Plan, the provisions of the Plan shall govern.

3. EXERCISE PRICE

The Exercise Price for the shares of Stock subject to the Option granted by this Option Agreement is \$9.80 per share.

4. EXERCISE OF OPTION

Except as otherwise provided herein, and subject to the provisions of the Plan (including restrictions on the transferability of the Option and special provisions relating to exercise or termination of the Option following the Optionee's termination of employment, disability, death or retirement or certain changes in capitalization of the Corporation), the Option granted pursuant to this Option Agreement shall be subject to exercise as follows:

4.1 Time of Exercise of Option

The Optionee may exercise the Option (subject to the limitations on exercise set forth in this Agreement and in the Plan), in installments as follows:

- (i) Provided that those shares subject to this Option, or any portion thereof, do not first become exercisable pursuant to the

terms and conditions of Subsections 4.1(ii), 4.1(iii) or 4.1(iv) herein, or Section 4.2, those shares subject to this Option shall become exercisable as follows: no Option may be exercised during the first year from the Original Date of Grant; after one year from the Original Date of Grant, the Option shall be exercisable in respect of 25 percent of the number of shares subject to this Option; after the expiration of each of the second, third, and fourth years from the Original Date of Grant, the Option shall be exercisable in respect of an additional 25 percent of number of the shares subject to this Option.

- (ii) 100,000 of those shares subject to this Option shall become exercisable on and after November 15, 2002; provided however that the Company's Revenues, Cash Flow, and Contribution Margin for fiscal year ended September 30, 2002 either meet or exceed \$320,000,000, \$42,800,000, and \$25,000,000, respectively, and the Ending Backlog as of fiscal year ended September 30, 2002 or exceeds \$218,000,000.
- (iii) 100,000 of those shares subject to this Option shall become exercisable on and after November 15, 2003; provided however that the Company's Revenues, Cash Flow, Contribution Margin, and Ending Backlog for/at fiscal year ended September 30, 2003 either meet or exceed the respective Revenue, Cash-flow, Contribution Margin, and Ending Backlog targets established by the Board of Directors for the fiscal year ended September 30, 2003.
- (iv) If, within 4 years of the Original Date of Grant, the average closing bid price of the Company's stock is greater than \$30 for any consecutive 60-day period (calendar days), all shares subject to this Option will become exercisable on and after the end of such 60-day period.

The foregoing installments, to the extent not exercised, shall accumulate and be exercisable, in whole or in part, at any time and from time to time, after becoming exercisable and prior to the termination of the Option; provided, that no single exercise of the Option shall be for less than 100 shares, unless at the time of the exercise, the maximum number of shares available for purchase under this Option is less than 100 shares. In no event shall the Option be exercised for a fractional share.

4.2 Acceleration of Option.

Notwithstanding any other provision of this Agreement to the contrary, the Option granted hereby shall become immediately exercisable upon the occurrence of a Change in Control (as hereinafter defined) of the Corporation if Optionee is an employee of the Corporation or any of its subsidiaries on the date of the consummation of such Change in Control.

For purposes of this Section 4.2, a "Change in Control" means the occurrence of any of the following events:

(i) any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) (a "Person") is or becomes the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of the combined voting power of the then-outstanding Voting Stock of the Corporation; provided, however, that:

(1) for purposes of this paragraph (i), the following acquisitions shall not constitute a Change in Control: (A) any acquisition of Voting Stock of the Corporation directly from the Corporation that is approved by a majority of the Incumbent Directors, (B) any acquisition of Voting Stock of the Corporation by the Corporation or any subsidiary of the Corporation, (C) any acquisition of Voting Stock of the Corporation by the trustee or other fiduciary holding securities under any employee benefit plan (or related trust) sponsored or maintained by the Corporation or any subsidiary of the Corporation, and (D) any acquisition of Voting Stock of the Corporation by any Person pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of subparagraph (i)(3) below;

(2) if any Person is or becomes the beneficial owner of 20% or more of combined voting power of the then-outstanding Voting Stock of the Corporation as a result of a transaction described in clause (A) of subparagraph (i)(1) above and such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than in an acquisition directly from the Corporation that is approved by a majority of the Incumbent Directors or other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally, such subsequent acquisition shall be treated as a Change in Control;

(3) a Change in Control will not be deemed to have occurred if a Person is or becomes the beneficial owner of 20% or more of the Voting Stock of the Corporation as a result of a reduction in the number of shares of Voting Stock of the Corporation outstanding pursuant to a transaction or series of transactions that is approved by a majority of the Incumbent Directors unless and until such Person thereafter becomes the beneficial owner of any additional shares of Voting Stock of the Corporation representing 1% or more of the then-outstanding Voting Stock of the Corporation, other than as a result of a stock dividend, stock split or similar transaction effected by the Corporation in which all holders of Voting Stock are treated equally; and

(4) if at least a majority of the Incumbent Directors determine in good faith that a Person has acquired beneficial ownership of 20% or more of the Voting Stock of the Corporation inadvertently, and such Person divests as promptly as practicable but no later than the date, if any, set by the Incumbent Board a sufficient number of shares so that such Person beneficially owns less than 20% of the Voting Stock of the Corporation, then no Change in Control shall have occurred as a result of such Person's acquisition; or

(ii) a majority of the Board ceases to be comprised of Incumbent Directors; or

(iii) the consummation of a reorganization, merger or consolidation, or sale or other disposition of all or substantially all of the assets of the Corporation or the acquisition of the stock or assets of another corporation, or other transaction (each, a "Business Transaction"), unless, in each case, immediately following such Business Transaction (A) the Voting Stock of the Corporation outstanding immediately prior to such Business Transaction continues to represent (either by remaining outstanding or by being converted into Voting Stock of the surviving entity or any parent thereof), more than 60% of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction (including, without limitation, an entity which as a result of such transaction owns the Corporation or all or substantially all of the Corporation's assets either directly or through one or more subsidiaries), (B) no Person (other than the Corporation, such entity resulting from such Business Transaction, or any employee benefit plan (or related trust) sponsored or maintained by the Corporation, any subsidiary of the Corporation or such entity resulting from such Business Transaction) beneficially owns, directly or indirectly, 20% or more of the combined voting power of the then outstanding shares of Voting Stock of the entity resulting from such Business Transaction, and (C) at least a majority of the members of the Board of Directors of the entity resulting from such Business Transaction were Incumbent Directors at the time of the execution of the initial agreement or of the action of the Board providing for such Business Transaction; or

(iv) approval by the shareholders of the Corporation of a complete liquidation or dissolution of the Corporation, except pursuant to a Business Transaction that complies with clauses (A), (B) and (C) of paragraph (iii).

For purposes of this Section 4.2, the term "Exchange Act" means the Securities Exchange Act of 1934, as amended.

For purposes of this Section 4.2, the term "Incumbent Directors" means the individuals who, as of the date hereof, are Directors of the Corporation and any individual becoming a Director subsequent to the date hereof whose election, nomination for election by the Corporation's shareholders, or appointment, was approved by a vote of at least two-thirds of the then Incumbent Directors (either by a specific vote or by approval of the proxy statement of the Corporation in which such person is named as a nominee for director, without objection to such nomination); provided, however, that an individual shall not be an Incumbent Director if such individual's election or appointment to the Board occurs as a result of an actual or threatened election contest (as described in Rule 14a-12(c) of the Exchange Act) with respect to the election or removal of Directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board.

For purposes of this Section 4.2, the term "Voting Stock" means securities entitled to vote generally in the election of directors.

4.3 Termination of Option

The Option shall terminate upon the earlier of the expiration of a period of (i) ten years from the Original Date of Grant, or (ii) one month from the date of the Optionee's termination of employment with the Corporation or a subsidiary; provided, however, that if such termination of employment falls within the scope of one of the provisions of the Plan providing for an extended exercise period in excess of one month, the Option shall terminate upon the expiration of the extended period, as specified in such provision, after the Optionee's termination of employment with the Corporation or a subsidiary within which the Option is exercisable.

4.4 Effect of Optionee's Disability or Death

If the Optionee ceases to be an Employee of the Corporation or a Subsidiary of the Corporation by reason of Disability, the unexercised portion of any Option held by such Optionee at that time will become immediately vested and will be exercisable for the shorter of one year from the date on which the Optionee ceased to be so employed or the remaining Option term. If the Optionee does not exercise the Option within the time specified, such Option shall terminate. The Corporation shall have the authority to determine the date an Optionee ceases to be an Employee by reason of Disability.

If the Optionee dies while employed by the Corporation or a Subsidiary of the Corporation (or dies within a period of one month after ceasing to be an Employee for any reason other than Disability or within a period of one year after ceasing to be an Employee by reason of Disability), the unexercised portion of any Option held by such Optionee at the time of death will become immediately vested and will be exercisable for the shorter of one year from the date of such Optionee's death, or the remaining Option term. Such Option may be exercised by the executor or administrator of the Optionee's estate or by any person or persons who shall have acquired the Option directly from the Optionee by bequest or inheritance. If the Option is not exercised within the time specified, such Option shall terminate.

4.5 Limitations on Exercise of Option

Notwithstanding the foregoing Subsections, in no event may the Option be exercised, in whole or in part, after ten years following the Original Date of Grant, or after the occurrence of an event which results in termination of the Option under the Plan.

Cash Exercise (to exercise and retain the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the Corporation, at its principal office, addressed to the attention of Stock Option Administration, or to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised, and shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised plus the full amount of all applicable withholding taxes due on the Option exercise. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option shall be made either in cash or by certified check payable to the order of the Corporation. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate or certificates for the shares of Stock being purchased.

Same-Day-Sale Exercise (to exercise and immediately sell all the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell all of the shares of Stock to be issued upon exercise and (2) remit to the Corporation the portion of the sale proceeds sufficient to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell the shares on the Optionee's behalf. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage fees, transfer fees, and all applicable taxes due on the Option exercise, shall be deducted from the proceeds of the sale of the shares. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option the net proceeds from the sale of the shares of Stock being exercised and sold.

Sell-to-Cover Exercise (to exercise and immediately sell a portion of the Shares): Subject to the terms and conditions of this Option Agreement, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell the portion (which must be a whole number) of the shares of Stock to be issued upon exercise sufficient to generate proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage or transfer fees, and all applicable taxes due on the Option exercise (collectively the "Exercise Costs") and (2) remit to the Corporation a sufficient portion of the sale proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell on the Optionee's behalf only such number of the Shares as is required to generate proceeds sufficient to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate for the shares of Stock issued upon exercise which are not sold to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option any net proceeds from the sale of the Shares in excess of the Exercise Costs. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion.

The Option shall not be exercisable if and to the extent the Corporation determines such exercise or method of exercise would violate applicable securities laws, the rules and regulations of any securities exchange or quotation system on which the Stock is listed, or the Company's policies and procedures. An attempt to exercise the Option granted hereunder other than as set forth above shall be invalid and of no force and effect.

Notwithstanding any other provision of this Option Agreement or the Plan or any other agreement, contract or understanding heretofore or hereafter entered into by the Optionee with the Corporation (or any subsidiary or affiliate thereof), except an agreement, contract or understanding hereafter entered into that expressly modifies or excludes application of this Subsection (the "Other Agreements"), and notwithstanding any formal or informal plan or other arrangements heretofore or hereafter adopted by the Corporation (or any such subsidiary or affiliate) for the direct or indirect compensation of the Optionee (including groups or classes of participants or beneficiaries of which the Optionee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Optionee (an "Other Benefit Plan"), the Optionee shall not have any right to exercise an Option or receive any payment or other benefit under this Option Agreement, any Other Agreement, or any Other Benefit Plan if such right to exercise, payment or benefit, taking into account all other rights, payments or benefits to or for the Optionee under this Option Agreement, all Other Agreements and all Other Benefit Plans, would cause any right, payment or benefit to the Optionee under this Option Agreement to be considered a "parachute payment" within the meaning of Section 280G(b)(2) of the Code as then in effect (a "Parachute Payment"). In the event that the receipt of any such right to exercise or any other payment or benefit under this Option Agreement, any Other Agreement or any Other Benefit Plan would cause the Optionee to be considered to have received a Parachute Payment under this Agreement, then the Optionee shall have the right, in the Optionee's sole discretion, to designate those rights, payments or benefits under this Option Agreement, any Other Agreements, and/or any Other Benefit Plans, which should be reduced or eliminated so as to avoid having the right, payment or benefit to the Optionee under this Option Agreement be deemed to be a Parachute Payment.

5. TRANSFERABILITY OF OPTIONS

During the lifetime of an Optionee, only such Optionee (or, in the event of legal incapacity or incompetency, the Optionee's guardian or legal representative) may exercise the Option. No Option shall be assignable or transferable by the Optionee to whom it is granted, other than by will or the laws of descent and distribution.

6. RIGHTS AS STOCKHOLDER

Neither the Optionee nor any executor, administrator, distributee or legatee of the Optionee's estate shall be, or have any of the rights or privileges of, a stockholder of the Corporation in respect of any shares of Stock issuable hereunder unless and until such shares have been fully paid and certificates representing such shares have been endorsed, transferred and delivered, and the name of the Optionee (or of such personal representative, administrator, distributee or legatee of the Optionee's estate) has been entered as the stockholder or record on the books of the Corporation.

7. WITHHOLDING OF TAXES

The parties hereto recognize that the Corporation or a subsidiary may be obligated to withhold federal, state and/or local income taxes and Social Security taxes to the extent that the Optionee realizes ordinary income in connection with the exercise of the Option or in connection with a disposition of any shares of Stock acquired by exercise of the Option. The Optionee agrees that the Corporation or a subsidiary may withhold amounts needed to cover such taxes from payments otherwise due and owing to the Optionee, and also agrees that upon demand the Optionee will promptly pay to the Corporation or a subsidiary having such obligation any additional amounts as may be necessary to satisfy such withholding tax obligation. Such payment shall be made in cash or by check payable to the order of the Corporation or a subsidiary.

8. DISCLAIMER OF RIGHTS

No provision in this Option Agreement shall be construed to confer upon the Optionee the right to be employed by the Corporation or any subsidiary, or to interfere in any way with the right and authority of the Corporation or any subsidiary either to increase or decrease the compensation of the Optionee at any time, or to terminate any employment or other relationship between the Optionee and the Corporation or any subsidiary.

9. INTERPRETATION OF THIS OPTION AGREEMENT

All decisions and interpretations made by the Board or the Compensation Committee thereof with regard to any question arising under the Plan or this Option Agreement shall be binding and conclusive on the Corporation and the Optionee and any other person entitled to exercise the Option as provided for herein.

10. GOVERNING LAW

This Option Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

11. BINDING EFFECT

Subject to all restrictions provided for in this Option Agreement, the Plan, and by applicable law relating to assignment and transfer of this Option Agreement and the option provided for herein, this Option Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

12. NOTICE

Any notice hereunder by the Optionee to the Corporation shall be in writing and shall be deemed duly given if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration or if so mailed or delivered to such other address as the Corporation may hereafter designate by notice to the Optionee. Any notice hereunder by the Corporation to the Optionee shall be in writing and shall be deemed duly given if mailed or delivered to the Optionee at the address specified below by the Optionee for such purpose, or if so mailed or delivered to such other address as the Optionee may hereafter designate by written notice given to the Corporation.

13. ENTIRE AGREEMENT

This Option Agreement and the Plan together constitute the entire agreement and supersede all prior understandings and agreements, written or oral (including, without limitation, the Stock Option Agreement between the Corporation and Optionee dated

February 19, 2002), of the parties hereto with respect to the subject matter hereof. Except for amendments to the Plan incorporated into this Option Agreement by reference pursuant to Section 2 above, neither this Option Agreement nor any term hereof may be amended, waived, discharged or terminated except by a written instrument signed by the Corporation and the Optionee; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Optionee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

AMENDED AND RESTATED SEVERANCE COMPENSATION AGREEMENT

SEVERANCE COMPENSATION AGREEMENT dated as of September 28, 2004 between Transaction Systems Architects, Inc., a Delaware corporation (the "Company"), and Gregory D. Derkacht (the "Executive").

WHEREAS, the Company's Board of Directors has determined that it is appropriate to reinforce and encourage the continued attention and dedication of the Executive to his assigned duties without distraction in potentially disturbing circumstances arising from the possibility of a change in control of the Company;

WHEREAS, the Company and the Executive entered into a severance compensation agreement dated as of April 28, 2003 (the "Severance Agreement"); and

WHEREAS, the Company and the Executive have entered into that third amended and restated employment agreement of even date herewith (as amended, the "Employment Agreement") and wish to amend and restate the Severance Agreement in connection therewith.

NOW, THEREFORE, this Agreement sets forth the severance compensation which the Company agrees it will pay to the Executive if the Executive's employment with the Company terminates under certain circumstances described herein following a Change in Control (as defined herein) and the other benefits the Company will provide the Executive following a Change in Control.

1. TERM.

This Agreement shall terminate, except to the extent that any obligation of the Company hereunder remains unpaid as of such time, upon the earlier of (i) the appointment of a successor CEO as provided in the Employment Agreement; (ii) the termination of Executive's employment for any reason prior to a Change in Control; and (iii) three years after the date of a Change in Control.

2. CHANGE IN CONTROL.

For purposes of this Agreement, Change in Control shall mean:

(a) the acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) (a "Person"), of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of either (i) the then-outstanding shares of common stock of the Company (the "Outstanding Company Common Stock") or (ii) the combined voting power of the then-outstanding voting securities of the Company entitled to vote generally in the election of directors (the "Outstanding Company Voting Securities"); provided, however, that the following acquisitions shall not constitute a Change in Control: (A) any acquisition directly from the Company (excluding an acquisition by virtue of the exercise of a conversion privilege), (B) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company or (C) any acquisition by any corporation pursuant to a reorganization, merger or consolidation, if, following such reorganization, merger or consolidation, the conditions described in sub-clauses (i), (ii) and (iii) of clause (c) of this Section 2 are satisfied; or

(b) if individuals who, as of the date hereof, constitute the Board of Directors (the "Incumbent Board") cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the date hereof whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least two-thirds of the directors then constituting the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest subject to Rule 14a-11 of Regulation 14A promulgated under the Exchange Act or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(c) approval by the stockholders of the Company of a reorganization, merger or consolidation, unless following such reorganization, merger or consolidation (i) more than 60% of, respectively, the then-outstanding shares of common stock of the corporation resulting from such reorganization, merger or consolidation and the combined voting power of the then outstanding voting securities of such corporation entitled to vote generally in the election of directors is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such reorganization, merger, or consolidation in substantially the same proportions as their ownership, immediately prior to such reorganization, merger or consolidation, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be (for purposes of determining whether such percentage test is satisfied, there shall be excluded from the number of shares and voting securities of the resulting corporation owned by the Company's stockholders, but not from the total number of outstanding shares and voting securities of the resulting corporation, any shares or voting securities received by any such stockholder in respect of any consideration other than shares or voting securities of the Company), (ii) no Person (excluding the Company, any employee benefit plan (or related trust) of the Company, any qualified employee benefit plan of such corporation resulting from such reorganization, merger or consolidation and any Person beneficially owning, immediately prior to such reorganization, merger or consolidation, directly or indirectly, 20% or more of the Outstanding Company Common Stock or Outstanding Company Voting Securities, as the case may be) beneficially owns, directly or indirectly, 20% or more of, respectively, the then-outstanding shares of common stock of the corporation resulting from such reorganization, merger or consolidation or the

combined voting power of the then-outstanding voting securities of such corporation entitled to vote generally in the election of directors and (iii) at least a majority of the members of the board of directors of the corporation resulting from such reorganization, merger or consolidation were members of the Incumbent Board at the time of the execution of the initial agreement providing for such reorganization, merger or consolidation; or

(d) (i) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company or (ii) the first to occur of (A) the sale or other disposition (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company, or (B) the approval by the stockholders of the Company of any such sale or disposition, other than, in each case, any such sale or disposition to a corporation, with respect to which immediately thereafter, (1) more than 60% of, respectively, the then-outstanding shares of common stock of such corporation and the combined voting power of the then-outstanding voting securities of such corporation entitled to vote generally in the election of directors is then beneficially owned, directly or indirectly, by all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such sale or other disposition in substantially the same proportion as their ownership, immediately prior to such sale or other disposition, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be (for purposes of determining whether such percentage test is satisfied, there shall be excluded from the number of shares and voting securities of the transferee corporation owned by the Company's stockholders, but not from the total number of outstanding shares and voting securities of the transferee corporation, any shares or voting securities received by any such stockholder in respect of any consideration other than shares or voting securities of the Company), (2) no Person (excluding the Company and any employee benefit plan (or related trust) of the Company, any qualified employee benefit plan of such transferee corporation and any Person beneficially owning, immediately prior to such sale or other disposition, directly or indirectly, 20% or more of the Outstanding Company Common Stock or Outstanding Company Voting Securities, as the case may be) beneficially owns, directly or indirectly, 20% or more of, respectively, the then-outstanding shares of common stock of such transferee corporation and the combined voting power of the then-outstanding voting securities of such transferee corporation entitled to vote generally in the election of directors and (3) at least a majority of the members of the board of directors of such transferee corporation were members of the Incumbent Board at the time of the execution of the initial agreement or action of the board providing for such sale or other disposition of assets of the Company.

3. TERMINATION FOLLOWING A CHANGE IN CONTROL.

(a) The Executive shall be entitled to the compensation provided in Section 4 of this Agreement if all of the following conditions are satisfied:

- (i) there is a Change in Control of the Company while the Executive is still an employee of the Company;
- (ii) the Executive's employment with the Company is terminated within two years after the Change in Control;
- (iii) the Executive's termination of employment is not a result of (A) the Executive's death; (B) the Executive's Disability (as defined in section 3(b) below); (C) the Executive's Retirement (as defined in section 3(c) below); (D) the Executive's termination by the Company for Cause (as defined in Section 3(d) below); or (E) the Executive's decision to terminate employment other than for Good Reason (as defined in Section 3(e) below); and
- (iv) the Executive executes and delivers to the Company the Release contemplated under the Employment Agreement.

(b) If, as a result of the Executive's incapacity due to physical or mental illness, the Executive shall have been unable, with or without a reasonable accommodation, to perform his duties with the Company on a full-time basis for six months and within 30 days after a Notice of Termination (as defined in Section 3(f) below) is thereafter given by the Company, the Executive shall not have returned to the full-time performance of the Executive's duties, the Company may terminate the Executive's employment for "Disability". If there is a Change in Control of the Company while the Executive is still an employee and if the Executive's employment with the Company is terminated for Disability within two years after the Change in Control, the Executive shall be entitled to receive in a lump sum cash payment within five days after his Date of Termination (as defined in section 3(g) below) the following:

- (i) one times the Base Amount (as defined in Section 4(b)(i)) determined with respect to the Base Period (as defined in Section 4(b)(ii)); plus
- (ii) his earned but unpaid base salary through his Date of Termination; plus
- (iii) a quarterly incentive award for the current fiscal quarter prorated through the Date of Termination equal to the greater of (A) the quarterly incentive award (whether paid or payable in cash or in securities of the Company) awarded to the Executive with respect to the Company's most recent fiscal quarter ending prior to the Date of Termination or (B) the average quarterly incentive award (whether paid or payable in cash or in securities of the Company) made to the Executive with respect to the Company's most recent three fiscal years ending prior to the Date of Termination; plus
- (iv) interest on the amounts payable pursuant to clauses (i), (ii) and (iii) above calculated from the Date of Termination until paid at a rate equal to the prime rate as published in The Wall Street Journal on the Date of Termination plus three percentage points.

(c) For purposes of this Agreement only, "Retirement" shall mean termination by the Company or the Executive of the Executive's employment based on the Executive's having reached age 65 or such other age as shall have been fixed in any arrangement established pursuant to this Agreement with the Executive's consent with respect to the Executive.

(d) For purposes of this Agreement only, "Cause" shall mean: (i) the Executive's conviction of a felony involving moral turpitude; (ii) the Executive's serious, willful gross misconduct or willful gross neglect of duties (other than any such neglect resulting from the Executive's incapacity due to physical or mental illness or any such neglect after the issuance of a Notice of Termination by the Executive for Good Reason, as such terms are defined in subsections (e) and (f) below), which, in either case, has resulted, or in all probability is likely to result, in material economic damage to the Company; provided no act or failure to act by the Executive will constitute Cause under this clause (ii) if the Executive believed in good faith that such act or failure to act was in the best interest of the Company; or (iii) the Executive's violation of any provision of the Company's Code of Business Conduct and Ethics or the Company's Code of Ethics for the Chief Executive Officer and Senior Financial Officers, as the same may be amended from time to time.

For purposes of this Agreement only, any termination of the Executive's employment by the Company for Cause shall be authorized by a vote of at least a majority of the non-employee members of the Board of Directors of the Company (the "Board") within 12 months of a majority of such non-employee members of the Board having actual knowledge of the event or circumstances providing a basis for such termination. In the case of clause (ii) of the second sentence of this subsection (d), the Executive shall be given notice by the Board specifying in detail the particular act or failure to act on which the Board is relying in proposing to terminate him for cause and offering the Executive an opportunity, on a date at least 14 days after receipt of such notice, to have a hearing, with counsel, before a majority of the non-employee members of the Board, including each of the members of the Board who authorized the termination for Cause. The Executive shall not be terminated for Cause if, within 30 days after the date of the Executive's hearing before the Board (or if the Executive waives a hearing, within 30 days after receiving notice of the proposed termination), he has corrected the particular act or failure to act specified in the notice and by so correcting such act or failure to act he has reduced the economic damage his act or failure to act has allegedly caused the Company to a level which is no longer material or has eliminated the probability that such act or failure to act is likely to result in material economic damage to the Company. No termination for Cause shall take effect until the expiration of the correction period described in the preceding sentence and the determination by a majority of the non-employee members of the Board that the Executive has failed to correct the act or failure to act in accordance with the terms of the preceding sentence.

Anything herein to the contrary notwithstanding, if, following a termination of the Executive's employment by the Company for Cause based upon the conviction of the Executive for a felony involving moral turpitude such conviction is finally overturned on appeal, the Executive shall be entitled to the compensation provided in Sections 4(a) and 4(c). In lieu of the interest provided in clause (iv) of the first sentence of Section 4(a) and the interest provided in the second sentence of Section 4(c), however, the compensation provided in Sections 4(a) and 4(c) shall be increased by a ten percent rate of interest, compounded annually, calculated from the date such compensation would have been paid if the Executive's employment had been terminated without Cause.

(e) For purposes of this Agreement, "Good Reason" shall mean, after any Change in Control and without the Executive's express written consent, any of the following:

(i) a significant diminution in the Executive's duties and responsibilities, or the assignment to the Executive by the Company of duties inconsistent with the Executive's position, duties, responsibilities or status with the Company immediately prior to a Change in Control of the Company, or a change in the Executive's titles or offices as in effect immediately prior to a Change in Control of the Company, or any removal of the Executive from or any failure to re-elect the Executive to any of such positions, except in connection with the termination of his employment for Disability, Retirement or Cause or as a result of the Executive's death or by the Executive other than for Good Reason;

(ii) a reduction by the Company in the Executive's annual rate of base salary as in effect on the date hereof or as the same may be increased from time to time during the term of this Agreement or the Company's failure to increase (within 12 months of the Executive's last increase in his annual rate of base salary) the Executive's annual rate of base salary after a Change in Control of the Company in an amount which at least equals, on a percentage basis, the greater of (A) the average percentage increase in the annual rate of base salary for all officers of the Company effected in the preceding 12 months; or (B) the Consumer Price Index as published by the United States Government (or, in the event such index is discontinued, any similar index published by the United States Government as designated in good faith by the Executive);

(iii) (A) any failure by the Company to continue in effect any benefit plan or arrangement (including, without limitation, the life insurance, medical, dental, accident and disability plans) in which the Executive is participating at the time of a Change in Control of the Company, or any other plan or arrangement providing the Executive with benefits that are no less favorable (hereinafter referred to as "Benefit Plans"), (B) the taking of any action by the Company which would adversely affect the Executive's participation in or materially reduce the Executive's benefits under any such Benefit Plan or deprive the Executive of any material fringe benefit or perquisite of office enjoyed by the Executive at the time of a Change in Control of the Company, unless in the case of either sub-clause (A) or (B) above, there is substituted a comparable plan or program that is economically equivalent or superior, in terms of the benefit offered to the Executive, to the Benefit Plan being altered, reduced, affected or ended;

(iv) (A) any failure by the Company to continue in effect any incentive plan or arrangement (including, without limitation, the Company's bonus arrangements, the Transaction Systems Architects, Inc.- 401(k) Plan, the sales incentive plans, and the management incentive plans) in which the Executive is participating at the time of a Change in Control of the Company, or any other plans or arrangements providing him with substantially similar benefits, (hereinafter referred to as "Incentive Plans"), (B) the taking of any action by the Company which would adversely affect the Executive's participation in any such Incentive Plan or reduce the Executive's benefits under any such Incentive Plan, unless in the case of either sub-clause (A) or (B) above, there is substituted a comparable plan or program that is economically equivalent or superior, in terms of the benefit offered to the Executive, to the Incentive Plan being altered, reduced, affected or ended, or (C) any failure by the Company with respect to any fiscal year to make an award to the Executive pursuant to each such Incentive Plan or such substituted comparable plan or program equal to or greater than the greater of (1) the award (whether paid or payable in cash or in securities of the Company) made to the Executive pursuant to such Incentive Plan or such substituted comparable plan

or program with respect to the immediately preceding fiscal year or (2) the average annual award (whether paid or payable in cash or in securities of the Company) made to the Executive pursuant to such Incentive Plan or such substituted comparable plan with respect to the prior three fiscal years (or such lesser number of prior fiscal years that the Executive was employed by the Company or that the Incentive Plan (together with any substituted comparable plan) was maintained);

(v) (A) any failure by the Company to continue in effect any plan or arrangement to receive securities of the Company in which the Executive is participating at the time of a Change in Control of the Company, or any other plan or arrangement providing him with substantially similar benefits, (hereinafter referred to as "Securities Plans"), (B) the taking of any action by the Company which would adversely affect the Executive's participation in or materially reduce the Executive's benefits under any such Securities Plan, unless in the case of either sub-clause (A) or (B) above, there is substituted a comparable plan or program that is economically equivalent or superior, in terms of the benefit offered to the Executive, to the Securities Plan being altered, reduced, affected or ended, or (C) any failure by the Company in any fiscal year to grant stock options, stock appreciation rights or securities awards to the Executive pursuant to such Securities Plans with respect to an aggregate number of securities of the Company of each kind that is equal to or greater than the greater of (1) the aggregate number of securities of the Company of that kind covered by stock options, stock appreciation rights, or securities awards granted to the Executive pursuant to such Securities Plans in the immediately preceding fiscal year; or (2) the average annual aggregate number of securities of the Company of that kind covered by stock options, stock appreciation rights, or securities awards granted to the Executive pursuant to such Securities Plans in the prior three fiscal years; and provided further the material terms and conditions of such stock options, stock appreciation rights, and securities awards granted to the Executive after the Change in Control (including, but not limited to, the exercise price, vesting schedule, period and methods of exercise, expiration date, forfeiture provisions and other restrictions) are substantially similar to the material terms and conditions of the stock options, stock appreciation rights, and securities awards granted to the Executive under the Securities Plans immediately prior to the Change in Control of the Company;

(vi) the Executive's relocation, at the request of the Company, more than 50 miles from the location at which the Executive performed the Executive's duties prior to a Change in Control of the Company, except for required travel by the Executive on the Company's business to an extent substantially consistent with the Executive's business travel obligations at the time of a Change in Control of the Company;

(vii) any failure by the Company to provide the Executive with the number of annual paid vacation days to which the Executive is entitled for the year in which a Change in Control of the Company occurs;

(viii) any material breach by the Company of any provision of this Agreement;

(ix) any failure by the Company to obtain the assumption of this Agreement by any successor or assign of the Company prior to such succession or assignment;

(x) any failure by the Company or its successor to enter into an agreement with the Executive that is substantially similar to this Agreement with respect to a Change in Control of the Company or its successor occurring thereafter; or

(xi) any purported termination of the Executive's employment by the Company pursuant to Section 3(b), 3(c) or 3(d) above which is not effected pursuant to a Notice of Termination satisfying the requirements of Section 3(f) below (and, if applicable, Section 3(d) above), and for purposes of this Agreement, no such purported termination shall be effective.

For purposes of this subsection (e), an isolated, immaterial, and inadvertent action not taken in bad faith by the Company in violation of clause (ii), (iii), (iv), (v) or (vii) of this subsection that is remedied by the Company promptly after receipt of notice thereof given by the Executive shall not be considered Good Reason for the Executive's termination of employment with the Company. In the event the Executive terminates his employment for Good Reason hereunder, then notwithstanding that the Executive may also retire for purposes of the Benefit Plans, Incentive Plans or Securities Plans, the Executive shall be deemed to have terminated his employment for Good Reason for purposes of this Agreement.

(f) Any termination of the Executive by the Company pursuant to Section 3(b), 3(c) or 3(d) above, or by the Executive pursuant to Section 3(e) above, shall be communicated by a Notice of Termination to the other party hereof. For purposes of this Agreement, a "Notice of Termination" shall mean a written notice which shall indicate those specific termination provisions in this Agreement relied upon and which sets forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executive's employment under the provision so indicated. For purposes of this Agreement, no such purported termination by the Company shall be effective without such Notice of Termination.

(g) "Date of Termination" shall mean (i) if the Executive's employment is terminated by the Company for Disability, 30 days after Notice of Termination is given to the Executive (provided that the Executive shall not have returned to the performance of the Executive's duties on a full-time basis during such 30-day period), (ii) if the Executive's employment is terminated by the Executive for Good Reason, the date specified in the Notice of Termination, and (iii) if the Executive's employment is terminated by the Company for any other reason, the date on which a Notice of Termination is given; provided, however, that if within 30 days after any Notice of Termination is given to the Executive by the Company, the Executive notifies the Company that a dispute exists concerning the termination, the Date of Termination shall be the date the dispute is finally determined, whether by mutual written agreement of the parties or upon final judgment, order or decree of a court of competent jurisdiction (the time for appeal therefrom having expired and no appeal having been perfected).

4. SEVERANCE COMPENSATION UPON TERMINATION OF EMPLOYMENT.

(a) If pursuant to Section 3(a) above the Executive is entitled to the compensation provided in this Section 4, then the Company shall pay to the Executive in a lump sum cash payment within five days after the Date of Termination the following:

- (i) the Severance Amount as defined in Section 4(b) below; plus
- (ii) his earned but unpaid base salary through his Date of Termination; plus
- (iii) a quarterly incentive award for the current fiscal quarter prorated through the Date of Termination equal to the greater of (A) the quarterly incentive award (whether paid or payable in cash or in securities of the Company) awarded to the Executive with respect to the Company's most recent fiscal quarter ending prior to the Date of Termination or (B) the average quarterly incentive award (whether paid or payable in cash or in securities of the Company) made to the Executive with respect to the Company's most recent three fiscal years ending prior to the Date of Termination; plus
- (iv) interest on the amounts payable pursuant to clauses (i), (ii) and (iii) above calculated from the Date of Termination until paid at a rate equal to the prime rate as published in The Wall Street Journal on the Date of Termination plus three percentage points, compounded annually.

(b) "Severance Amount" shall mean an amount equal to one times the Base Amount (as defined below) determined with respect to the Base Period (as defined below); provided, however, in no event shall the Severance Amount be less than two times the Executive's annual rate of base salary at the higher of the annual rate in effect (i) immediately prior to the Date of Termination or (ii) on the date six months prior to the Date of Termination. For purposes of this subsection (b):

(i) "Base Amount" means the Executive's average fiscal-year Compensation (as defined below) for fiscal years of the Company in the Base Period. Such average shall be computed by dividing the total of the Executive's Compensation for the Base Period by the number of fiscal years in the Base Period. If the Executive's Base Period includes a portion of a fiscal year during which he was not an employee of the Company (or a predecessor entity or a related entity, as such terms are defined in clause (iii) below), the Executive's Compensation for such fiscal year shall be annualized before determining the average fiscal-year Compensation for the Base Period. In annualizing Compensation, the frequency with which payments are expected to be made over a fiscal year shall be taken into account; thus, any amount of Compensation that represents a payment that will not be made more often than once per fiscal year is not annualized. Set forth on Appendix A, which is attached hereto and made a part hereof, are three examples illustrating the calculation of the Base Amount.

(ii) "Base Period" means the most recent two consecutive fiscal years of the Company ending prior to the Date of Termination. However, if the Executive was not an employee of the Company (or a predecessor entity or a related entity, as such terms are defined in clause (iii) below) at any time during one of such two fiscal years, the Executive's Base Period is the one fiscal year of such two-fiscal-year period during which the Executive performed personal services for the Company or a predecessor entity or a related entity.

(iii) "Compensation" means the compensation which was payable by the Company, by a predecessor entity, or by a related entity and which was includible in the gross income of the Executive (or either was excludible from such gross income as "foreign earned income" within the meaning of Section 911 of the Internal Revenue Code of 1986, as amended (the "Code"), or would have been includible in such gross income if the Executive had been a United States citizen or resident), but excluding the following: (A) amounts realized from the exercise of a non-qualified stock option; and (B) amounts realized from the sale, exchange or other disposition of stock acquired under an incentive stock option described in Code Section 422 (b) or under an employee stock purchase plan described in code Section 423 (b). Notwithstanding the preceding sentence, Compensation shall be determined without regard to any compensation deferral election under any plan, program or arrangement, qualified or non-qualified, maintained or contributed to by the Company, a predecessor entity or a related entity, including but not limited to a cash-or-deferred arrangement described in Code Section 401(k), a cafeteria plan described in Code Section 125 or a non-qualified deferred compensation plan. A "predecessor entity" is any entity which, as a result of a merger, consolidation, purchase or acquisition of property or stock, corporate separation, or other similar business transaction transfers some or all of its employees to the Company or to a related entity or to a predecessor entity of the Company. The term "related entity" includes any entity treated as a single employer with the Company in accordance with subsections (b), (c), (m) and (o) of Code Section 414.

(c) If pursuant to Section 3(a) above the Executive is entitled to the compensation provided in this Section 4, then the Executive will be entitled to continued participation in all employee benefit plans or programs available to Company employees generally in which the Executive was participating on the Date of Termination, such continued participation to be at Company cost and otherwise on the same basis as Company employees generally, until the earlier of (i) the date, or dates, he receives equivalent coverage and benefits under the plans and programs of a subsequent employer (such coverages and benefits to be determined on a coverage-by-coverage or benefit-by-benefit basis) or (ii) two years from the Date of Termination; provided (A) if the Executive is precluded from continuing his participation in any employee benefit plan or program as provided in this sentence, he shall be paid, in a lump sum cash payment, within 30 days following the date it is determined he is unable to participate in any employee benefit plan or program, the after-tax economic equivalent of the benefits provided under the plan or program in which he is unable to participate for the period specified in this sentence, and (B) the economic equivalent of any benefit foregone shall he deemed to be the lowest cost that would be incurred by the Executive in obtaining such benefit for himself (including family or dependent coverage, if applicable) on an individual basis. The Executive shall be eligible for group health plan continuation coverage under and in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1965, as amended, when he ceases to be eligible for continued participation in the Company's group health plan under this subsection (c).

5. NO OBLIGATION TO MITIGATE DAMAGES; NO EFFECT ON OTHER CONTRACTUAL RIGHTS.

(a) The Executive shall not be required to mitigate damages or the amount of any payment provided for under this Agreement by seeking other employment or otherwise, nor shall the amount of any payment provided for under this Agreement be reduced by any compensation earned by the Executive as the result of employment by another employer after the Date of Termination or otherwise.

(b) The provisions of this Agreement, and any payment provided for hereunder, shall not reduce any amounts otherwise payable, or in any way diminish the Executive's existing rights, or rights which would accrue solely as a result of the passage of time, under any Benefit Plan, Incentive Plan or Securities Plan, employment agreement or other contract, plan or agreement with or of the Company.

6. INCENTIVE AWARDS.

In the event of a Change in Control of the Company, then notwithstanding the terms and conditions of any Incentive Plan, the Company agrees (i) to immediately and fully vest all unvested awards, units, and benefits (other than options to acquire securities of the Company or awards of securities of the Company) which have been awarded or allocated to the Executive under the Incentive Plans; and (ii) upon the exercise of such awards or units or the distribution of such benefits, to pay all amounts due under the Incentive Plans solely in cash.

7. CERTAIN ADDITIONAL PAYMENTS BY THE COMPANY.

(a) Anything in this Agreement to the contrary notwithstanding, in the event it shall be determined that any payment or distribution by the Company to or for the benefit of the Executive (whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise, but determined without regard to any additional payments required under this Section 7) (a "Payment") would be subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties are incurred by the Executive with respect to such excise tax (such excise tax, together with any such interest and penalties, are hereinafter collectively referred to as the "Excise Tax"), then the Executive shall be entitled to receive an additional payment (a "Gross-Up Payment") in an amount such that after payment by the Executive of all taxes (including any interest or penalties imposed with respect to such taxes), including, without limitation, any income taxes (and any interest and penalties imposed with respect thereto) and Excise Tax imposed upon the Gross-Up Payment, the Executive retains an amount of the Gross-Up Payment equal to the Excise Tax imposed upon the Payments.

(b) All determinations required to be made under this Section 7, including whether and when a Gross-Up Payment is required and the amount of such Gross-Up Payment and the assumptions to be utilized in arriving at such determination, shall be made by the Accounting Firm which shall provide detailed supporting calculations both to the Company and the Executive within 15 business days after the receipt of notice from the Executive that there has been a Payment, or such earlier time as is requested by the Company. The determination of tax liability made by the Accounting Firm shall be subject to review by the Executive's tax advisor, and, if the Executive's tax advisor does not agree with the determination reached by the Accounting Firm, then the Accounting Firm and the Executive's tax advisor shall jointly designate a nationally recognized public accounting firm which shall make the determination. All fees and expenses of the accountants and tax advisors retained by both the Executive and the Company shall be borne solely by the Company. Any Gross-Up Payment, as determined pursuant to this Section 7, shall be paid by the Company to the Executive within five days after the receipt of the determination. Any determination by such jointly designated public accounting firm shall be binding upon the Company and the Executive. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination hereunder, it is possible that Gross-Up Payments will not have been made by the Company that should have been made ("Underpayment"), consistent with the calculations required to be made hereunder. In the event that the Executive hereafter is required to make a payment of any Excise Tax, any such underpayment shall be promptly paid by the Company to or for the benefit of the Executive. Upon notice by the Executive of any audit or other proceeding that may result in a liability to the Company hereunder, the Executive shall promptly notify the Company of such audit or other proceeding; and the Company may, at its option, but solely with respect to the item or items that relate to such potential liability, choose to assume the defense of such audit or other proceeding at its own cost, provided that (i) the Executive shall cooperate with the Company in such defense and (ii) the Company will not settle such audit or other proceeding without the consent of the Executive (such consent not to be unreasonably withheld). The highest effective marginal tax rate (determined by taking into account any reduction in itemized deductions and/or exemptions attributable to the inclusion of the additional amounts payable under this Section 7 in the Executive's adjusted gross or taxable income) based upon the state and locality where the Executive is resident at the time of payment of such amounts will be used for purposes of determining the federal and state income and other taxes with respect thereto.

8. INDEMNIFICATION.

(a) The Company agrees to indemnify the Executive to the fullest extent permitted by law if the Executive is a party or threatened to be made a party to any Proceeding (as defined below).

(b) If requested by the Executive, the Company shall advance (within two business days of such request) any and all Expenses, as defined below, relating to a Proceeding to the Executive (an "Expense Advance"), upon the receipt of a written undertaking by or on behalf of the Executive to repay such Expense Advance if a judgment or other final adjudication adverse to the Executive (as to which all rights of appeal therefrom have been exhausted or lapsed) establishes that the Executive is not entitled to indemnification by the Company. Expenses shall include attorney's fees and all other costs, charges and expenses paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to defend, be a witness in or participate in any Proceeding.

(c) The Company agrees to obtain a directors' and officers' liability insurance policy covering the Executive and to continue and maintain such policy. The amount of coverage shall be reasonable in relation to the Executive's position and responsibilities during his employment by the Company.

(d) This Section 8 is a supplement to and in furtherance of the Certificate of Incorporation and Bylaws of the Company and shall not be deemed a substitute therefor, or diminish or abrogate any rights of the Executive thereunder.

(e) For purposes of Section 8(a), the meaning of the phrase “to the fullest extent permitted by law” shall include but not be limited to:

(i) to the fullest extent permitted by the provision of the Delaware General Corporation Law (“DGCL”) that authorizes or contemplates additional indemnification by agreement, or the corresponding provision of any amendment to or replacement of the DGCL, and

(ii) to the fullest extent authorized or permitted by any amendments to or replacements of the DGCL adopted after the date of this Agreement that increase the extent to which a corporation may indemnify its officers and directors.

(f) For purposes of Sections 8(a) and 8(b), “Proceeding” shall mean any threatened, pending or completed action, suit, arbitration, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil, criminal, administrative or investigative nature, in which the Executive was, is or will be involved as a party or otherwise by reason of the fact that the Executive is or was a director or officer of the Company, by reason of any action taken by him or of any action on his part while acting as director or officer of the Company, or by reason of the fact that he is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, in each case whether or not serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement.

9. SUCCESSORS.

(a) The Company will require any successor or assign (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company, by agreement in form and substance satisfactory to the Executive, expressly, absolutely and unconditionally to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession or assignment had taken place. Any failure of the Company to obtain such agreement prior to the effectiveness of any such succession or assignment shall be a material breach of this Agreement and shall entitle the Executive to terminate the Executive’s employment for Good Reason and receive the compensation provided for in Section 4 hereof. As used in this Agreement, “Company” shall mean the Company as hereinbefore defined and any successor or assign to its business and/or assets as aforesaid which executes and delivers the agreement provided for in this Section 9 or which otherwise becomes bound by all the terms and provisions of this Agreement by operation of law.

(b) This Agreement shall inure to the benefit of and be enforceable by the Executive’s personal and legal representatives, executors, administrators, successors, heirs, distributees, devisees and legatees. If the Executive should die while any amounts are still payable to him hereunder, all such amounts, unless otherwise provided herein, shall be paid in accordance with the terms of this Agreement to the Executive’s devisee, legatee or other designee or, if there be no such designee, to the Executive’s estate.

10. NOTICE.

For purposes of this Agreement, notices and all other communications provided for in this Agreement shall be in writing and shall be deemed to have been duly given when delivered or mailed by United States registered mail, return receipt requested, postage prepaid, as follows:

or to such other address as either party may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt.

11. MISCELLANEOUS.

No provisions of this Agreement may be modified, waived or discharged unless such waiver, modification or discharge is agreed to in writing signed by the Executive and the Company. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same time or at any prior or subsequent time. No agreements or representations, oral or otherwise, express or implied, with respect to the subject matter hereof have been made by either party which are not set forth expressly in this Agreement or the Employment Agreement. This Agreement shall be governed by and construed in accordance with the laws of the State of Nebraska, without giving effect to any principles of conflicts of law.

12. CONFLICT IN BENEFITS.

Except as otherwise provided in the preceding sentences or the Employment Agreement, this Agreement is not intended to and shall not limit or terminate any other agreement or arrangement between the Executive and the Company presently in effect or hereafter entered into.

13. VALIDITY.

The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect.

14. SURVIVORSHIP.

The respective rights and obligations of the parties hereunder shall survive any termination of this Agreement to the extent necessary to the intended preservation of such rights and obligations and to the extent that any performance is required following termination of this Agreement. Without limiting the foregoing, Sections 7, 8 and 15 shall expressly survive the termination of this Agreement.

15. LEGAL FEES AND EXPENSES.

If a claim or dispute arises concerning the rights of the Executive under this Agreement, regardless of the party by whom such claim or dispute is initiated, the Company shall, upon presentation of appropriate vouchers, pay all legal expenses, including reasonable attorneys' fees, court costs and ordinary and necessary out-of-pocket costs of attorneys, billed to and payable by the Executive or by anyone claiming under or through the Executive, in connection with the bringing, prosecuting, arbitrating, defending, litigating, negotiating, or settling such claim or dispute. In no event shall the Executive be required to reimburse the Company for any of the costs of expenses incurred by the Company relating to arbitration or litigation. Pending the outcome or resolution of any claim or dispute, the Company shall continue payment of all amounts due the Executive without regard to any dispute.

16. EFFECTIVE DATE.

This Agreement shall become effective upon execution.

17. COUNTERPARTS.

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together will constitute one and the same instrument.

18. NO GUARANTEE OF EMPLOYMENT.

Neither this Agreement nor any action taken hereunder shall be construed as giving the Executive the right to be retained in employment with the Company, nor shall it interfere with either the Company's right to terminate the employment of the Executive at any time or the Executive's right to terminate his employment at any time.

19. NO ASSIGNMENT BY EXECUTIVE.

Except as otherwise provided in Section 9(b), the Executive's rights and interests under this Agreement shall not be assignable (in law or in equity) or subject to any manner of alienation, sale, transfer, claims of creditors, pledge, attachment, garnishment, levy, execution or encumbrances of any kind.

20. WAIVER.

The Executive's or the Company's failure to insist upon strict compliance with any provision of this Agreement shall not be deemed a waiver of such provision or any other provision of this Agreement. Any waiver of any provision of this Agreement shall not be deemed to be a waiver of any other provision, and any waiver of default in any provision of this Agreement shall not be deemed to be a waiver of any later default thereof or of any other provision.

21. WITHHOLDING.

All amounts paid pursuant to this Agreement shall be subject to withholding for taxes (federal, state, local or otherwise) to the extent required by applicable law.

22. HEADINGS.

The headings of this Agreement have been inserted for convenience of reference only and are to be ignored in the construction of the provisions hereof.

23. NUMBERS AND GENDER.

The use of the singular shall be interpreted to include the plural and the plural the singular, as the context requires. The use of the masculine, feminine or neuter shall be interpreted to include the masculine, feminine or neuter as the context shall require.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

APPENDIX A

EXAMPLE 1 - Executive was employed by the Company for 1-1/3 fiscal years preceding the fiscal year in which a Change in Control of the Company occurs. The Executive's Compensation from the Company was \$30,000 for the 4-month period and \$120,000 for the full fiscal year. The Executive's Base Amount is \$105,000.

Year 1: 3 x \$30,000 = \$90,000
Year 2: \$120,000
[90,000 + 120,000] DIVIDED BY 2 = \$105,000

\$105,000 is the average fiscal-year Compensation for the Base Period.

EXAMPLE 2 - Assume the same facts as in Example 1, except that the Executive also received a \$70,000 sign-on bonus when his employment with the Company commenced at the beginning of the 4-month period. The Executive's Base Amount is \$140,000

Year 1: [3 X \$30,000] + \$70,000 = \$160,000
Year 2: \$120,000
[160,000 + 120,000] DIVIDED BY 2 = \$140,000

Since the sign-on bonus will not be paid more often than once per fiscal year, the amount of the bonus is not increased in annualizing the Executive's Compensation for the 4-month period.

EXAMPLE 3 - Executive was employed by the Company for the last 4 months of the fiscal year preceding the fiscal year in which a Change in Control of the Company occurs. The Executive's Compensation from the Company was \$30,000 for the 4-month period. The Executive's Base Amount is \$90,000.

Year 1: 3 x \$30,000 = \$90,000
\$90,000 DIVIDED BY 1 = \$90,000

\$90,000 is the average fiscal-year Compensation for the Base Period.

EXHIBIT F

GENERAL RELEASE

This General Release of All Claims (this "Release") is made and entered into as of _____, ____, by and between Transaction Systems Architects, Inc., a Delaware corporation ("Employer"), and Gregory D. Derkacht ("Employee"). As used in this Release, the term "Employer" will include Employer, and Employer's predecessors, parents, subsidiaries, divisions, affiliates, officers, directors, managers, stockholders, members, employees, successors, assigns, representatives, agents, accountants, and counsel, unless the context clearly requires otherwise.

In consideration of the promises set forth in this Release, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Employee and Employer agree as follows:

1. Effectiveness of Release. This Release will be effective on the eighth (8th) day after it is executed by Employee, provided that Employer has not revoked Employee's release as provided in Section 5(c) below.

2. Employment Agreement. Employee's employment relationship with Employer is governed by the terms and conditions of that Fifth Amended and Restated Employment Agreement, dated as of December 21, 2005 (the "Agreement"), by and between Employer and Employee, which Agreement contemplates Employee entering into this Release as a condition to receiving certain compensation under the Agreement or Severance Compensation Agreement (as defined in the Agreement).

3. Compensation. In consideration of the promises contained herein, Employer will pay to Employee the payments set forth in, and in accordance with the terms of, Section 4(c)(i), (ii) or (iii); 6(c) or 6(d) of the Agreement, as the case may be. Such compensation will be in full and complete satisfaction of Employer's obligations under the applicable sections of the Agreement.

4. Compensation and Benefits. Any additional compensation and benefits described by the Agreement will be provided to Employee in accordance with the terms of the Agreement.

5. Release.

(a) In accordance with Section 7(c) of the Agreement, in consideration for the promises contained herein, Employee hereby releases and forever discharges Employer from any and all charges, complaints, liabilities, claims, promises, agreements, controversies, damages, causes of action, suits, or expenses of any kind or nature whatsoever, known or unknown, foreseen or unforeseen to the date upon which Employee executes this Release (collectively, "Claims"), including (but not limited to) claims arising in any way from Employee's employment with Employer, Employee's service as an officer and manager of Employer, Employee's status as a stockholder of Employer, or Employee's agreements to resign Employee's employment and other positions as provided in the Agreement, including, without limitation, any and all alleged discrimination or acts of discrimination that occurred or may have occurred on or before the date upon which Employee executes this Release based upon race, color, sex, creed, national origin, age, disability, or any other violation of any equal employment opportunity law, ordinance, rule, regulation or order (including, but not limited to, Title VII of the Civil Rights Act of 1964, as amended ("Title VII"); the Civil Rights Act of 1991; the Age Discrimination in Employment Act of 1967, as amended ("ADEA") (as further described in Section 5(c) below); the Americans with Disabilities Act ("ADA"); Claims under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"); or any other federal, state, or local laws or regulations regarding employment discrimination or termination of employment) and any Claims for wrongful discharge, fraud, or misrepresentation under any statute, rule, regulation, or under the common law.

(b) Employee expressly waives all rights to any and all termination, severance, and separation compensation and benefits except as may be provided in this Release and the Agreement.

(c) Employee acknowledges that Employer encouraged Employee to consult with an attorney of Employee's choosing prior to executing this Release, and through this Release encourages Employee to consult with Employee's attorney with respect to possible Claims under the ADEA and that Employee understands that the ADEA is a federal statute that prohibits discrimination, on the basis of age, in employment, benefits, and benefit plans. Employee wishes to waive any and all Claims under the ADEA that Employee may have, as of the date upon which Employee executes this Release, against Employer, and hereby waives such Claims. Employee further understands that by signing this Release, Employee is in fact waiving, releasing and forever giving up any Claim under the ADEA that may have existed on or prior to the date upon which Employee executes this Release. Employee acknowledges that Employee is receiving consideration for Employee's waiver of any and all Claims under the ADEA in addition to anything of value to which Employee is already entitled. Employee also acknowledges that he has been given a period of twenty-one (21) days to consider this Release, and, if executed prior to the expiration of such 21-day period, Employee does hereby knowingly and voluntarily waive all or part of said 21-day period. Employee also understands that Employee has seven (7) days following the date upon which Employee executes this Release within which to revoke the release contained in this Section 5(c) (the "Revocation Period"), by providing a written notice of Employee's revocation of the release and waiver contained in this Section 5(c) to Employer. The release of Claims under the ADEA contained in this Section 5(c) does not become effective or enforceable until the Revocation Period has expired.

(d) Notwithstanding the foregoing, Employee does not, and will not, release, discharge or waive any rights to indemnification that Employee may have under the Articles of Incorporation, Bylaws or similar constituent documents of Employer, the laws of the State of Delaware, any indemnification agreement between Employee and Employer or any insurance coverage maintained by or on behalf of Employer, nor will Employer take any action, directly or indirectly, to encumber or adversely affect Employee's rights under any such indemnification arrangement. Further, the release contained in this Section 5 will not affect any rights granted to Employee, or obligations of Employer, under the terms of this Release, except to the extent such rights have previously been satisfied or are satisfied pursuant to this Release, under the terms of the Agreement.

(e) Nothing contained in this Release will be deemed or construed as an admission of wrongdoing or liability on the part of Employee.

6. Miscellaneous Provisions.

(a) Binding on Successors; Assignment. This Release will be binding upon and inure to the benefit of Employer and Employee and each of their respective successors, assigns, personal and legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable; provided, however, that neither this Release nor any rights or obligations hereunder will be assignable or otherwise subject to hypothecation by Employee (except by will or by operation of the laws of intestate succession) or by Employer, except that Employer may assign this Release to any successor (whether by merger, purchase, or otherwise) to all or substantially all of the stock, assets, or businesses of Employer, if such successor expressly agrees to assume the obligations of Employer hereunder.

(b) Governing Law. This Release will be governed, construed, interpreted, and enforced in accordance with the substantive laws of the State of Nebraska, without regard to conflicts of law principles.

(c) Severability. Whenever possible, each provision of this Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Release is held to be invalid, illegal, or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision or any other jurisdiction, but this Release shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal, or unenforceable provision had never been contained herein.

(d) Notices. All communications and notices provided for in this Release will be given in accordance with Section 19 of the Agreement.

(e) Counterparts. This Release may be executed in several counterparts, each of which will be deemed to be an original, but all of which together will constitute one and the same Release. Facsimile signatures to this Release shall have the same legal effect as manual signatures.

(f) Entire Agreement. The terms of this Release and the Agreement are intended by the parties to be the final expression of their agreement with respect to the matters addressed herein and therein and may not be contradicted by evidence of any prior or contemporaneous agreement. The parties further intend that this Release and the Agreement will constitute the complete and exclusive statement of their terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Release or the Agreement.

(g) Amendments; Waivers. This Release may not be modified, amended, or terminated except by an instrument in writing, signed by Employee and Employer. Failure on the part of either party to complain of any action or omission, breach, or default on the part of the other party, no matter how long the same may continue, will never be deemed to be a waiver of any rights or remedies hereunder, at law or in equity. Employee or Employer may waive compliance by the other party with any provision of this Release that such other party was or is obligated to comply with or perform only through an executed writing; provided, however, that such waiver will not operate as a waiver of, or estoppel with respect to, any other or subsequent failure.

(h) No Inconsistent Actions; Enforcement. The Employer and Employee will not voluntarily undertake or fail to undertake any action or course of action that is inconsistent with the provisions or essential intent of this Release. Furthermore, it is the intent of the parties hereto to act in a fair and reasonable manner with respect to the interpretation and application of the provisions of this Release. Employee acknowledges and agrees that the remedy at law available to Employer for breach of any of Employee's obligations under Section 5 would be inadequate and that damages flowing from such a breach may not readily be susceptible to being measured in monetary terms.
