

ACI Worldwide UP Strategy Validated in Aite Group's 2016 Cash Management Vendor Evaluation

Universal Online Banker Awarded for Best Payments Flexibility, Open Architecture and Large Customer Base

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking software solutions](#), has been recognized in Aite Group's 2016 Cash Management Vendor Evaluation. ACI was the recipient of three awards: 'Best Payments Flexibility,' 'Largest Customer Base' as the leader in large and midsize bank deployments, and 'Most Open Architecture.' The award categories are based on banks' key criteria when selecting a new cash management partner.

"We are pleased to be recognized by Aite for our market-leading cash management tools," said Jennifer Holton, vice president, ACI Worldwide. "We are focused on developing flexible solutions that provide choice and control to our clients, and accolades like 'best payments flexibility' and 'most open architecture' are great validations of this focus. And our customers agree, as highlighted by our recognition as having the 'largest customer base.'"

ACI's Universal Online Banker is a global, multilingual and multi-currency online and mobile cash management platform that can be packaged to meet requirements for financial institutions of any size —delivered with an intuitive user interface and technology designed for easy integration, flexibility, and scalability.
