

## **Desert Schools Federal Credit Union to Implement ACI Worldwide's Online Banking, Bill Pay and Mobile Banking Services**

### **Arizona's Largest Credit Union Focused on Driving Exceptional Member Experience**

NAPLES, FLA, May 30, 2013 — ACI Worldwide (NASDAQ: ACIW), a leading international provider of banking and payment systems, today announced that Desert Schools Federal Credit Union (\$3.1 billion in assets) has selected ACI's online banking and bill payment services to enhance its technology services to over 321,000 members.

DSFCU was founded in 1939 to serve school employees in parts of Maricopa County. DSFCU has grown to become the largest credit union in Arizona and one of the top 30 in the United States.

The institution selected ACI's Architect Banking for its flexibility and configurability for delivering online and mobile banking capabilities. By utilizing the Software Developers Kit (SDK), DSFCU will have the tools needed to grow its online banking application to meet the ever changing needs of its member base, all while providing a user experience that is highly intuitive and personalized.

Through Architect's advanced functionality for services such as online account opening, personal financial management, one-to-one marketing and social media integration, DSFCU members will have access to a superior digital banking experience within a single, extensible platform that provides a consistent experience whether on a desktop, mobile or tablet.

"Desert Schools is guided by our mission to provide the services that support our members through all of their defining moments," said Ron Amstutz, Executive Vice President for Desert Schools Federal Credit Union. "And as we continue to add new products or enhance older ones, we look for partners like ACI that can help us deliver on that mission. We chose ACI Architect Banking because of the solutions extensibility and robust SDK that would enable us to improve our online banking, mobile banking and bill pay offerings and deliver an exceptional member experience."

By also leveraging ACI's bill payment services, DSFCU benefits from the company's industry-leading payment guarantee and a rich heritage of payment services that deliver reliable and accurate bill pay solutions, seamlessly integrated within Architect Banking. ACI's Electronic Biller Directory and proprietary Real-time Digital Scanline® technology maximizes payment accuracy for both DSFCU and its members, resulting in faster payment delivery and fewer payment errors.

"Desert Schools Federal Credit Union is driven to be an innovative institution, delivering leading-edge online banking services that enable its members with the tools needed throughout their financial lifecycle," said Eric Labiak, senior vice president, Sales and Marketing, ACI Worldwide. "We are thrilled to have the opportunity to work with Desert Schools and provide them with online banking, mobile banking and bill pay solutions that continue to help foster growth and improve member loyalty."
