ACI Employee Letter

The Opening Executive Welcome

Earlier today, ACI announced a proposal to acquire S1 Corporation. A copy of the press release we issued this morning, which includes a letter we sent to the S1 Board of Directors is posted to our website at www.aciworldwide.com/investorrelations.

Over the past several years, we have executed on our historical business plan and significantly outperformed our peer group. In addition, today we raised our 2011 guidance and are firmly committed to achieving our five-year strategy.

That said ACI regularly considers ways to advance our strategic and financial position. We believe a combination with S1, a provider of software for payments and online banking, would be one of those ways.

To be clear, we have not yet reached an agreement to acquire S1. S1 currently has an agreement in place to merge with Fundtech, but we believe ACI's proposal is superior to S1's merger with Fundtech. We expect S1's Board to recognize the considerable financial and strategic benefits this proposal represents, and we are ready and willing to promptly engage with S1.

Importantly, today's announcement should have no effect on your day-to-day responsibilities or how we at ACI conduct business. It is business as usual for all of us. Our P&L leaders remain focused on executing our 2011 operating plan as we build, sell, service and support the best payments solutions in the market. We remain as committed as ever to deliver against our current product roadmaps. This proposed acquisition would provide breadth and additional capabilities to our current solutions. We believe the growth prospects and global scope of the combined entity should lead to increased opportunities for talented employees and managers. The best way we all can help is to remain focused on continually improving the products and services that our customers have come to trust and respect ACI to deliver.

We have assembled a talented team including external advisors to guide us through this process. This process should take several months and while we will, at times, be unable to disclose certain information, we will keep you informed of developments whenever feasible.

Finally, today's announcement is likely to result in increased interest in our company from the media and other third parties. As always, it is important that we speak with one voice. If you receive any external inquiries about our proposal to acquire S1, please notify Scott Fitzgerald at scott.fitzgerald@aciworldwide.com.

We thank you for your continued dedication to ACI, and will share additional information as this process unfolds.

Sincerely,

Phil
