

## West Virginia Wesleyan College Improves Tuition Payment Experience with ACI Worldwide UP Bill Payment Solution

*ACI provides new, digitally accessible payment options for parents and students*

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), announced today that West Virginia Wesleyan College has selected the company to power its tuition payment system.

West Virginia Wesleyan College wanted to make payments easier and more digitally accessible for both students and parents, and needed a flexible solution to meet its needs. The college narrowed its search to proven electronic payment systems that integrate into [Colleague by Ellucian®](#), the leader in higher education technology. West Virginia Wesleyan College selected [UP Bill Payment Solution](#) for tuition payments made over the web and at the point of sale.

"After looking at Ellucian's different strategic partners, we selected ACI due to both its many successes within higher education and its bill pay solution's ease of use for parents and students," said Rob Kimble, director of administrative services, West Virginia Wesleyan College. "Ultimately, we want to improve access to financial records for parents and students, which ACI will help us to accomplish."

"Across the U.S., 60 percent of higher education institutions are making tuition payments easier by adding new options, according to [ACI and Ovum's Global Payments Insight survey](#)," said Steve Kramer, vice president and product line manager, ACI Worldwide. "We have a long track record of improving and simplifying the tuition payments process for colleges and universities and are pleased to add West Virginia Wesleyan College to this growing list of institutions."
