**NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(unaudited)**

**1. Condensed Consolidated Financial Statements**

The unaudited condensed consolidated financial statements include the accounts of ACI Worldwide, Inc. and its wholly-owned subsidiaries (collectively, “ACI” or the “Company”). All intercompany balances and transactions have been eliminated. The condensed consolidated financial statements as of June 30, 2016, and for the three and six months ended June 30, 2016 and 2015, are unaudited and reflect all adjustments of a normal recurring nature, which are, in the opinion of management, necessary for a fair presentation, in all material respects, of the financial position and operating results for the interim periods. The condensed consolidated balance sheet as of December 31, 2015 is derived from the audited financial statements.

The condensed consolidated financial statements contained herein should be read in conjunction with the consolidated financial statements and notes thereto contained in the Company’s annual report on Form 10-K for the fiscal year ended December 31, 2015, filed on February 26, 2016. Results for the three and six months ended June 30, 2016 are not necessarily indicative of results that may be attained in the future.

The preparation of condensed consolidated financial statements in conformity with accounting principles generally accepted in the United States (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the condensed consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Receivables, net**

Receivables represent amounts billed and amounts earned that are to be billed in the near future. Included in accrued receivables are services and software hosting revenues earned in the current period but billed in the following period as well as license revenues that are determined to be fixed and determinable but billed in future periods.

Individuals and businesses settle their obligations to the Company's various Clients, primarily utility and other public sector Clients, using credit or debit cards or via ACH payments. The Company creates a receivable for the amount due from the credit or debit card company and an offsetting payable to the Client. Once confirmation is received that the funds have been received, the Company settles the obligation to the Client. Due to timing, in some instances, the Company may receive the funds into bank accounts controlled by and in the Company's name that are not disbursed to its Clients by the end of the day resulting in a settlement deposit on the Company's books.

**Off Balance Sheet Accounts**

The Company also enters into agreements with certain clients to process payment funds on their behalf. When an automated clearing house or automated teller machine network payment transaction is processed, a transaction is initiated to withdraw funds from the designated source account and deposit them into a settlement account, which is a trust account maintained for the benefit of the Company's clients. A simultaneous transaction is initiated to transfer funds from the settlement account to the intended destination account. These "back to back" transactions are designed to settle at the same time, usually overnight, such that the Company receives the funds from the source at the same time as it sends the funds to their destination. However, due to the transactions being with various financial institutions there may be timing differences that result in float balances. These funds are maintained in accounts for the benefit of the client which is separate from the Company's corporate assets. As the Company does not take ownership of the funds, the settlement accounts are not included in the Company's balance sheet. The Company is entitled to interest earned on the fund balances. The collection of interest on these settlement accounts is considered in the Company's determination of its fee structure for clients and represents a portion of the payment for services performed by the Company. The amount of settlement funds as of June 30, 2016 and December 31, 2015 were \$197.8 million and \$260.2 million, respectively.

### **Goodwill**

Changes in the carrying amount of goodwill attributable to each reporting unit with goodwill balances during the six months ended June 30, 2016 were as follows:

<b>(in thousands)</b>	<b>Americas</b>	<b>EMEA</b>	<b>Asia/ Pacific</b>	<b>Total</b>
Gross Balance prior to December 31, 2015	\$524,573	\$376,827	\$ 59,293	\$960,693

Balance, June 30, 2016	<u>\$477,563</u>	<u>\$376,495</u>	<u>\$ 61,599</u>	<u>\$915,657</u>

- (1) Goodwill from acquisitions relates to adjustments in the goodwill recorded for the acquisition of PAY.ON AG and its subsidiaries (collectively “PAY.ON”) as discussed in Note 2, *Acquisitions*. The purchase price allocation for PAY.ON is preliminary as of June 30, 2016 and accordingly is subject to future changes during the maximum one-year measurement period.

In accordance with Accounting Standards codification (“ASC”) 350, *Intangibles – Goodwill and Other*, we assess goodwill for impairment annually during the fourth quarter of our fiscal year using October 1 balances or when there is evidence that events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. We evaluate goodwill at the reporting unit level and had previously identified our reportable segments, Americas, EMEA, and Asia/Pacific, as our reporting units. Recoverability of goodwill is measured using a discounted cash flow model incorporating discount rates commensurate with the risks involved. Use of a discounted cash flow model is common practice in impairment testing in the absence of available transactional market evidence to determine the fair value.

The calculated fair value was substantially in excess of the current carrying value for all reporting units based upon our October 1, 2015 annual impairment test and there have been no indications of impairment in the subsequent periods.

### **Revenue**

#### *Vendor Specific Objective Evidence (“VSOE”)*

ASC 985-605, *Revenue Recognition: Software*, requires the seller of software that includes post contract customer support (maintenance or “PCS”) to establish VSOE of fair value of the undelivered element of the contract in order to account separately for the PCS revenue. The Company establishes VSOE of fair value of PCS by reference to stated renewals for all identified market segments. The Company also considers factors such as whether the period of the initial PCS term is relatively long when compared to the term of the software license or whether the PCS renewal is significantly below the Company’s normal pricing practices. In determining whether PCS pricing is significantly below the Company’s normal pricing practice, the Company considers the population of stated renewal rates that are within a reasonably narrow range of the median within the identified market segment over the trailing 12 month period.

Certain of the Company’s software license arrangements include PCS terms that fail to achieve VSOE of fair value due to non-substantive renewal periods, or contain a range of possible non-substantive PCS renewal amounts. For these arrangements, VSOE of fair value of PCS does not exist and revenues for the software license, PCS and services, if applicable, are considered to be one accounting unit and are therefore recognized ratably over the longer of the contractual service term or PCS term once the delivery of both services has commenced. The Company typically classifies revenues associated with these arrangements in accordance with the contractually specified amounts, which approximate fair value assigned to the various elements, including software license, maintenance and services, if applicable.

## [Table of Contents](#)

This allocation methodology has been applied to the following amounts included in revenues in the condensed consolidated statements of operations from arrangements for which VSOE of fair value does not exist for each undelivered element:

## **Recently Issued Accounting Standards**

In April 2015, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2015-03, *Simplifying the Presentation of Debt Issuance Costs*, which states that entities should present the debt issuance costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset. Amortization of the costs is reported as interest expense. The effective date for the revised standard is for fiscal years beginning after December 15, 2016, with early adoption permitted. The Company has adopted ASU 2015-03 as of January 1, 2016 and applied retrospectively. See Note 4, *Debt*, for additional details regarding the application of ASU 2015-03.

In April 2015, the FASB issued ASU 2015-05, *Customer’s Accounting for Fees Paid in a Cloud Computing Arrangement*, related to a customer’s accounting for fees paid in a cloud computing arrangement. The new guidance requires that management evaluate each cloud computing arrangement in order to determine whether it includes a software license that must be accounted for separately from hosted services. ASU 2015-05 applies the same guidance cloud service providers use to make this determination and also eliminates the existing requirement for customers to account for software licenses they acquire by analogizing to the guidance on leases. ASU 2015-05 is effective for annual periods, including interim periods within those annual periods, beginning after December 15, 2015 and provides the option of applying the guidance prospectively to all arrangements entered into or materially modified after the effective date or on a retrospective basis. The Company has adopted ASU 2015-05 as of January 1, 2016 and applied prospectively. The adoption of this standard update did not have a material impact on the Company’s financial position, results of operations, or cash flow as of June 30, 2016.

In September 2015, the FASB issued ASU 2015-16, *Business Combinations*. ASU No. 2015-16 requires that an acquirer recognize adjustments to provisional amounts that are identified during the measurement period after an acquisition within the reporting period they are determined. This is a change from the previous requirement that the adjustments be recorded retrospectively. The ASU also requires disclosure of the effect on earnings of changes in depreciation, amortization or other income effects, if any, as a result of the adjustment to the provisional amounts, calculated as if the accounting had been completed at the acquisition date. The ASU is effective for annual reporting periods (including interim reporting periods within those periods) beginning after December 15, 2015. The Company has adopted ASU 2015-16 prospectively as of January 1, 2016. The adoption did not have a material effect on the Company’s financial position, results of operations, or cash flow as of June 30, 2016.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*. This ASU supersedes the revenue recognition requirements in Accounting Standard Codification 605, *Revenue Recognition*, and most industry-specific guidance. The standard requires that entities recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which a company expects to be entitled in exchange for those goods or services. On July 9, 2015, the FASB deferred the effective date for this ASU to fiscal years beginning after December 15, 2017, and for interim periods within those fiscal years. The standard permits the use of either the retrospective or cumulative effect transition method. At this time, the Company has not selected a transition method. The Company is currently assessing the impact of the adoption of ASU 2014-09 on its financial position, results of operations, and cash flow.

In February 2016, the FASB issued ASU 2016-02, *Leases*, which relates to the accounting of leasing transactions. This standard requires a lessee to record on the balance sheet the assets and liabilities for the rights and obligations created by leases with lease terms of more than 12 months. In addition, this standard requires both lessees and lessors to disclose certain key information about lease transactions. This standard will be effective for fiscal years beginning after December 15, 2018, including interim periods within those fiscal years. The Company is currently assessing the impact the adoption of ASU 2016-02 will have on its financial position, results of operations, and cash flow.

In March 2016, the FASB issued ASU 2016-09, *Compensation – Stock Compensation: Improvements to Employee Share-Based Payment Accounting*, which relates to the accounting for employee share-based payments. This standard addresses several aspects of the accounting for share-based payment award transactions, including: (a) income tax consequences; (b) classification of awards as either equity or liabilities; and (c) classification on the statement of cash flows. This standard will be effective for fiscal years beginning after December 15, 2016, including interim periods within those fiscal years, with early adoption permitted. The Company is currently assessing the impact the adoption of ASU 2016-09 will have on its financial position, results of operations, and cash flow.

## 2. Acquisitions

### PAY.ON

On November 4, 2015, the Company completed the acquisition of PAY.ON for \$186.4 million in cash and stock. PAY.ON is a leader in eCommerce payments gateway solutions to payment service providers globally. Their advanced Software as a Service (“SaaS”) based solution complements and strengthens the Company’s Merchant Retail Omni-Channel Universal Payments offerings. The combined entities provide customers the ability to deliver a seamless omni-channel customer payment experience in store, mobile, and online.

Under the terms of the agreement, the Company acquired 100% of the equity of PAY.ON in a combination of cash and stock. The Company used approximately \$181.0 million from its Revolving Credit Facility. See Note 4, *Debt*, for terms of the Credit Facility.

The purchase price of PAY.ON as of the date of the acquisition was comprised of (in thousands):

	<u>Amount</u>
Cash payments to PAY.ON shareholders	\$180,994
Issuance of ACI common stock	5,379
Total purchase price	<u>\$186,373</u>

The consideration paid by the Company to complete the acquisition has been allocated preliminarily to the assets acquired and liabilities assumed based upon their estimated fair values as of the date of the acquisition. The allocation of the purchase price is based upon certain external valuations and other analyses that have not been completed as of the date of this filing, including but not limited to accruals and certain tax matters. Accordingly, the purchase price allocation is considered preliminary and is subject to future adjustments during the maximum one-year measurement period.

The Company incurred approximately \$0.9 million in transaction related expenses during the year ended December 31, 2015, including fees to the investment bank, legal and other professional fees, which are included in general and administrative expenses in the accompanying consolidated financial statements.

Under the terms of the PAY.ON acquisition agreement, the Company issued 476,750 shares of ACI common stock to two key PAY.ON employees (“PAY.ON RSAs”) with a fair value of \$11.3 million on the date of grant. The awards have requisite service periods of two years and vest in increments of 25% every six months from the date of the acquisition. The PAY.ON RSAs provide for the payment of dividends on the Company’s common stock, if any, to the participant during the requisite service period (vesting period) and the participant has voting rights for each share of common stock. The Company recognizes compensation expense for the PAY.ON RSAs on a straight-line basis over the requisite service period.

PAY.ON contributed approximately \$4.2 million and \$8.4 million in revenue and an operating loss of \$4.7 million and \$8.0 million for the three and six months ended June 30, 2016. The consideration paid by the Company to complete the acquisition has been allocated to the assets acquired and liabilities assumed based upon their estimated fair values as of the date of the acquisition.

## [Table of Contents](#)

In connection with the acquisition, the Company recorded the following amounts based upon its purchase price allocation as of June 30, 2016. The purchase price allocation for PAY.ON is considered preliminary and is subject to completion of valuations and other analyses.

The Company made adjustments to the purchase price allocation as certain analysis was completed and additional information became available for receivables, other current assets, property and equipment, software, goodwill, customer relationships, trademarks, accounts payable, employee compensation, other current liabilities, and deferred income taxes. These adjustments and any resulting adjustments to the condensed consolidated statements of operations were not material to the Company's previously reported operating results or financial position.

Factors contributing to the purchase price that resulted in the goodwill (which is not tax deductible) include the acquisition of management, sales, and technology personnel with the skills to market new and existing products of the Company, enhanced product capabilities, complementary products and customers. Pro forma results for PAY.ON are not presented because they are not material.

### **3. Divestiture**

#### *Community Financial Services*

On March 3, 2016, the Company completed the sale of its Community Financial Services ("CFS") related assets and liabilities, a part of the Americas segment, to Fiserv, Inc. ("Fiserv") for \$200.0 million. The sale of CFS, which was not strategic to the Company's long-term strategy, is part of the Company's ongoing efforts to expand as a provider of software products and SaaS-based solutions facilitating real-time electronic and eCommerce payments for large financial institutions, intermediaries, retailers, and billers worldwide. The sale includes employees and customer contracts as well as technology assets and intellectual property.

## [Table of Contents](#)

For the six months ended June 30, 2016, the Company recognized a net after-tax gain of \$93.7 million on the sale of assets to Fiserv. This gain is preliminary subject to finalization of post-closing adjustments pursuant to the definitive transaction agreement.

The Company and Fiserv have also entered into a Transition Services Agreement (“TSA”), whereby the Company will continue to perform certain functions on Fiserv’s behalf during a migration period not to exceed 18 months. The TSA is meant to reimburse the Company for direct costs incurred in order to provide such functions, which are no longer generating revenue for the Company.

### **4. Debt**

As of June 30, 2016, the Company had \$22.0 million, \$401.4 million, and \$300.0 million outstanding under its Revolving Credit Facility, Term Credit Facility, and Senior Notes, respectively, with up to \$203.0 million of unused borrowings under the Revolving Credit Facility portion of the Credit Agreement, as amended, and up to \$25.0 million of unused borrowings under the Letter of Credit agreement. The amount of unused borrowings actually available varies in accordance with the terms of the agreement.

#### *Credit Agreement*

The Company entered into the Credit Agreement (the “Credit Agreement”), as amended, with a syndicate of financial institutions, as lenders, and Wells Fargo Bank, National Association (“Wells Fargo”), as Administrative Agent, providing for revolving loans, swingline loans, letters of credit and a term loan on November 10, 2011. The Credit Agreement consists of a five-year \$250.0 million senior secured revolving credit facility (the “Revolving Credit Facility”), which includes a sublimit for the issuance of standby letters of credit and a sublimit for swingline loans, and \$650.0 million total under the five-year senior secured term loan facility (the “Term Credit Facility” and, together with the Revolving Credit Facility, the “Credit Facility”). The Credit Agreement also allows the Company to request optional incremental term loans and increases in the revolving commitment. The amendment extended the Credit Facility through August 20, 2018.

Borrowings under the Credit Facility bear interest at a rate per annum equal to, at the Company’s option, either (a) a base rate determined by reference to the highest of (1) the rate of interest per annum publicly announced by the Administrative Agent as its Prime Rate, (2) the federal funds effective rate plus 1/2 of 1% and (3) a LIBOR based rate determined by reference to the costs of funds for U.S. dollar deposits for a one-month interest period adjusted for certain additional costs plus 1% or (b) a LIBOR based rate determined by reference to the costs of funds for U.S. dollar deposits for the interest period relevant to such borrowing adjusted for certain additional costs, in each case plus an applicable margin. The applicable margin for borrowings under the Revolving Credit Facility is, based on the calculation of the applicable consolidated total leverage ratio, between 0.50% to 1.50% with respect to base rate borrowings and between 1.50% and 2.50% with respect to LIBOR based borrowings. Interest is due and payable monthly. The interest rate in effect at June 30, 2016 for the Credit Facility was 2.72%.

In addition to paying interest on the outstanding principal under the Credit Facility, the Company is required to pay a commitment fee in respect of the unutilized commitments under the Revolving Credit Facility, payable quarterly in arrears. The Company is also required to pay letter of credit fees on the maximum amount available to be drawn under all outstanding letters of credit in an amount equal to the applicable margin on LIBOR based borrowings under the Revolving Credit Facility on a per annum basis, payable quarterly in arrears, as well as customary fronting fees for the issuance of letters of credit fees and agency fees.

The Company is permitted to voluntarily reduce the unutilized portion of the commitment amount and repay outstanding loans under the Credit Facility at any time without premium or penalty, other than customary “breakage” costs with respect to LIBOR based loans.

#### *Letter of Credit*

On February 29, 2016, the Company entered into a six-month standby letter of credit (the “Letter of Credit”), under the terms of the Credit Agreement, for \$25.0 million. The Letter of Credit automatically renewed on June 15, 2016. At any time the Company may request to close the Letter of Credit. The Letter of Credit reduces the maximum available borrowings under our Revolving Credit Facility to \$225.0 million. Upon expiration of the Letter of Credit, maximum borrowings will return to \$250.0 million.

#### *Senior Notes*

On August 20, 2013, the Company completed a \$300.0 million offering of Senior Notes at an issue price of 100% of the principal amount in a private placement for resale to qualified institutional buyers. The Senior Notes bear an interest rate of 6.375% per annum, payable semi-annually in arrears on August 15 and February 15 of each year, commencing on February 15, 2014. Interest began accruing on August 20, 2013.

## [Table of Contents](#)

Maturities on long-term debt outstanding at June 30, 2016 are as follows:

<b>Fiscal year ending December 31, (in thousands)</b>	
2016	\$ 47,647
2017	95,293
2018	291,997
2019	—
2020	<u>300,000</u>
Total	<u>\$734,937</u>

The Credit Agreement and Senior Notes also contain certain customary mandatory prepayment provisions. If certain events, as specified in the Credit Agreement or Senior Notes agreement, shall occur, the Company may be required to repay all or a portion of the amounts outstanding under the Credit Facility or Senior Notes.

The Credit Facility will mature on August 20, 2018 and the Senior Notes will mature on August 15, 2020. The Revolving Credit Facility and Senior Notes do not amortize and the Term Credit Facility does amortize, with principal payable in consecutive quarterly installments.

The Company's obligations and the obligations of the guarantors under the Guaranty and cash management arrangements entered into with lenders under the Credit Facility (or affiliates thereof) are secured by first-priority security interests in substantially all assets of the Company and any guarantor, including 100% of the capital stock of ACI Worldwide Corp. and each domestic subsidiary of the Company, each domestic subsidiary of any guarantor and 65% of the voting capital stock of each foreign subsidiary of the Company that is directly owned by the Company or a guarantor, and in each case, is subject to certain exclusions set forth in the credit documentation governing the Credit Facility.

The Credit Agreement and Senior Notes contain certain customary affirmative covenants and negative covenants that limit or restrict, subject to certain exceptions, the incurrence of liens, indebtedness of subsidiaries, mergers, advances, investments, acquisitions, transactions with affiliates, change in nature of business and the sale of the assets. The Company is also required to maintain a consolidated leverage ratio at or below a specified amount and a consolidated fixed charge coverage ratio at or above a specified amount. If an event of default, as specified in the Credit Agreement and Senior Notes agreement, shall occur and be continuing, the Company may be required to repay all amounts outstanding under the Credit Facility and Senior Notes. On June 30, 2016, the Company requested and obtained a waiver to the application of the Consolidated Fixed Charge Coverage Ratio covenant in the Credit Agreement for the fiscal quarters ending June 30, 2016, September 30, 2016, and December 31, 2016. As of June 30, 2016, and at all time during the period, the Company was in compliance with all other financial debt covenants.

<b>(in thousands)</b>	<b>As of June 30, 2016</b>	<b>As of December 31, 2015</b>

Less current portion of debt issuance costs	(5,095)	(5,583)
Total long-term debt	<u>\$ 633,155</u>	<u>\$ 834,449</u>

In April 2015, the FASB issued ASU 2015-03, *Simplifying the Presentation of Debt Issuance Costs*, which states that entities should present the debt issuance costs in the balance sheet as a direct deduction from the related debt liability rather than as an asset. The Company has adopted ASU 2015-03 as of January 1, 2016 and applied retrospectively. The adoption of this standard resulted in the reclassification in the condensed consolidated balance sheet as of December 31, 2015 of \$5.6 million from other current assets to current portion of long-term debt and \$8.8 million from other noncurrent assets to long-term debt.

## 5. Fair Value of Financial Instruments

ASC 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. ASC 820 establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

## [Table of Contents](#)

The fair value hierarchy is as follows:

- Level 1 Inputs - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2 Inputs - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These might include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (such as interest rates, volatilities, prepayment speeds, credit risks, etc.) or inputs that are derived principally from or corroborated by market data by correlation or other means.
- Level 3 Inputs - Unobservable inputs for determining the fair values of assets or liabilities that reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

### *Debt*

The fair value of our Credit Agreement approximates the carrying value due to the floating interest rate (Level 2 of the fair value hierarchy). The Company measures the fair value of its Senior Notes based on Level 2 inputs, which include quoted market prices and interest rate spreads of similar securities. The fair value of the Company's Senior Notes was \$308.3 million and \$310.5 million at June 30, 2016 and December 31, 2015, respectively.

### *Cash and Cash Equivalents*

The fair values of cash and cash equivalents approximate the carrying values due to the short period of time to maturity (Level 2 of the fair value hierarchy).

The Company assesses its classifications within the fair value hierarchy at each reporting period. There were no transfers between any levels of the fair value hierarchy during the periods ended June 30, 2016 and December 31, 2015.

## **6. Stock-Based Compensation Plans**

### *Employee Stock Purchase Plan*

Under the Company's 1999 Employee Stock Purchase Plan, as amended (the "ESPP"), a total of 4,500,000 shares of the Company's common stock have been reserved for issuance to eligible employees. Participating employees are permitted to designate up to the lesser of \$25,000 or 10% of their annual base compensation for the purchase of common stock under the ESPP. Purchases under the ESPP are made one calendar month after the end of each fiscal quarter. The price for shares of common stock purchased under the ESPP is 85% of the stock's fair market value on the last business day of the three-month participation period. Shares issued under the ESPP during the six months ended June 30, 2016 and 2015 totaled 96,350 and 85,659, respectively.

### *Stock Incentive Plans – 2016 Equity and Performance Incentive Plan*

On March 23, 2016, the Company's Board of Directors (the "Board") approved the 2016 Equity and Performance Incentive Plan (the "2016 Incentive Plan"). The 2016 Incentive Plan is intended to meet the Company's objective of balancing stockholder concerns about dilution with the need to provide appropriate incentives to achieve Company performance objectives. The 2016 Incentive Plan was adopted by the stockholders on June 14, 2016. Following the adoption of the 2016 Incentive Plan, the 2005 Equity and Performance Incentive Plan, as amended (the "2005 Incentive Plan") was terminated. Termination of the 2005 Incentive Plan did not affect any equity awards outstanding under the 2005 Incentive Plan.

The 2016 Incentive Plan provides for the grant of incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock awards, performance awards, and other awards ("Awards"). Subject to adjustment in certain circumstances, the maximum number of shares of Common Stock that may be issued or transferred in connection with Awards granted under the 2016 Incentive Plan will be the sum of (i) 8,000,000 shares of Common Stock and (ii) any shares of Common Stock that are represented by options previously granted under the Current 2005 Incentive Plan which are forfeited, expire, or are canceled without delivery of Common Stock or which result in the forfeiture or relinquishment of Common Stock back to the Company. To the extent Awards granted under the 2016 Incentive Plan terminate, expire, are canceled without being exercised, are forfeited or lapse for any reason, the shares of Common Stock subject to such Award will again become available for grants under the 2016 Incentive Plan.

## [Table of Contents](#)

The 2016 Incentive Plan expressly prohibits re-pricing stock options and appreciation rights. The 2016 Incentive Plan also, subject to certain limited exceptions, expressly requires a one-year vesting period for all stock options and appreciation rights.

No Participant will receive stock options, stock appreciation rights, restricted stock, restricted stock units and other awards under the 2016 Incentive Plan, during any calendar year, for more than 3,000,000 shares of Common Stock. In addition, no Participant may receive performance shares or performance units having an aggregate value on the date of grant in excess of \$9,000,000 during any calendar year. Each of the limits described above may be adjusted equitably to accommodate a change in the capital structure of the Company.

Stock options granted pursuant to the 2016 Incentive Plan are granted at an exercise price not less than the market value per share of the Company's common stock on the date of the grant. Under the 2016 Incentive Plan, the term of the outstanding options may not exceed ten years nor be less than one year. Vesting of options is determined by the Compensation Committee of the Board of Directors, the administrator of the 2016 Incentive Plan, and can vary based upon the individual award agreements. In addition, outstanding options do not have dividend equivalent rights associated with them under the 2016 Incentive Plan.

The Board may issue or transfer shares of Common Stock to Participants under a restricted stock grant for consideration or no consideration, and subject to restrictions, as determined by the Board. All restricted stock Awards will transfer ownership of such shares of restricted stock to the Participant and entitle the Participant to voting, dividend and other ownership rights, but the Participant's ownership of the restricted shares shall be subject to substantial risk of forfeiture and restrictions on transfer. The Board may establish conditions under which restrictions will lapse over a period of time based upon the achievement of performance goals or according to such other criteria as the Board deems appropriate (the "Restriction Period"). An Award Agreement for restricted stock Awards may specify any Management Objectives that, if achieved, will result in the termination or early termination of the restrictions on the restricted shares including, without limitation, any minimum acceptable levels of achievement or formulas for determining the number of restricted shares on which the restrictions will terminate.

The Board may award Participants "Performance Shares" or "Performance Units" (collectively, "Performance Awards") which will become payable to a Participant upon the achievement of specified Management Objectives. Each Award Agreement for Performance Awards will specify: (i) the number of Performance Shares or Performance Units granted; (ii) the period of time established for the Participant to achieve the Management Objectives (the "Performance Period"); (iii) the Management Objectives and a minimum acceptable level of achievement as well as a formula for determining the number of Performance Shares or Performance Units earned if performance is at or above the minimum level but short of full achievement of the Management Objectives; and (iv) any other terms that the Board may deem appropriate.

### *Stock-Based Payments*

A summary of stock options issued pursuant to the Company's stock incentive plans is as follows:

	<u>Number of Shares</u>	<u>Weighted-Average Exercise Price</u>	<u>Weighted-Average Remaining Contractual Term (Years)</u>	<u>Aggregate Intrinsic Value of In-the-Money Options</u>
Outstanding as of December 31, 2015	5,799,076	\$ 14.37

As of June 30, 2016, the Company expects that 93.1% of the options will vest over the vesting period.

The weighted-average grant date fair value of stock options granted during the six months ended June 30, 2016 and 2015 was \$5.59 and \$6.49, respectively. The Company issued treasury shares for the exercise of stock options during the six months ended June 30, 2016 and 2015. The total intrinsic value of stock options exercised during the six months ended June 30, 2016 and 2015 was \$6.2 million and \$10.9 million, respectively.

## [Table of Contents](#)

The fair value of options that do not vest based on the achievement of certain market conditions granted during the six months ended June 30, 2016 and 2015 were estimated on the date of grant using the Black-Scholes option-pricing model, a pricing model acceptable under U.S. GAAP, with the following weighted-average assumptions:

	<u>Six Months Ended June 30, 2016</u>	<u>Six Months Ended June 30, 2015</u>
Expected life (years)	5.93	5.93
Interest rate	1.2%	1.4%
Volatility	29.7%	32.1%
Dividend yield	—	—

Expected volatilities are based on the Company's historical common stock volatility derived from historical stock price data for historical periods commensurate with the options' expected life. The expected life is the average number of years that the Company estimated that the options will be outstanding, based primarily on historical employee option exercise behavior. The risk-free interest rate is based on the implied yield currently available on United States Treasury zero coupon issues with a term equal to the expected term at the date of grant of the options. The expected dividend yield is zero as the Company has historically paid no dividends and does not anticipate dividends to be paid in the future.

During the six months ended June 30, 2016, the Company granted supplemental stock options with three tranches at a grant date fair value of \$7.46, \$7.06 and \$6.50, respectively, per share. These options vest, if at all, based upon (i) tranche one - any time after the third anniversary date if the stock has traded at 133% of the exercise price for at least 20 consecutive trading days, (ii) tranche two - any time after the fourth anniversary date if the stock has traded at 167% of the exercise price for at least 20 consecutive trading days, and (iii) tranche three - any time after the fifth anniversary date if the stock has traded at 200% of the exercise price for at least 20 consecutive trading days. The employees must also remain employed with the Company as of the anniversary date in order for the options to vest. The exercise price of the supplemental stock options is the closing market price on the date the awards were granted. In order to determine the grant date fair value of the supplemental stock options, a Monte Carlo simulation model was used. With respect to options granted that vest based on the achievement of certain market conditions, the grant date fair value of such options was estimated using the following weighted-average assumptions:

	<u>Six Months Ended June 30, 2016</u>	<u>Six Months Ended June 30, 2015</u>
Expected life (years)	7.50	7.50
Interest rate	1.6%	1.7%
Volatility	41.6%	41.9%
Dividend yield	—	—

The Corporate line item consists of the corporate overhead costs that are not allocated to reportable segments. Corporate overhead costs relate to human resources, finance, legal, accounting, merger and acquisition activity and amortization of acquisition-related intangibles and other costs that are not considered when management evaluates segment performance.

### 13. Income Taxes

The effective tax rates for the three and six months ended June 30, 2016 were 50% and 21%, respectively. The earnings of the Company's foreign entities for the three and six months ended June 30, 2016 were \$20.7 million and \$27.6 million, respectively. The tax rates in the foreign jurisdictions in which the Company operates are less than the domestic tax rate; therefore, losses in foreign jurisdictions will increase the Company's effective tax rate, while earnings in the foreign jurisdictions will reduce the Company's effective tax rate. The effective tax rate for the three and six months ended June 30, 2016 was reduced by foreign profits taxed at lower rates. The effective tax rate for the six months ended June 30, 2016 was also reduced by a release of \$10.1 million valuation allowance previously established against foreign tax credits that are now expected to be fully utilized as a result of the sale of the Community Financial Services assets and liabilities.

The Company's effective tax rate could fluctuate significantly on a quarterly basis and could be negatively affected to the extent earnings are lower in the countries in which it operates that have a lower statutory rate or higher in the countries in

## [Table of Contents](#)

which it operates that have a higher statutory rate or to the extent it has losses sustained in countries where the future utilization of losses are uncertain. The Company's effective tax rate could also fluctuate due to changes in the valuation of its deferred tax assets or liabilities, or by changes in tax laws, regulations, accounting principles, or interpretations thereof. In addition, the Company is occasionally subject to examination of its income tax returns by tax authorities in the jurisdictions it operates. The Company regularly assesses the likelihood of adverse outcomes resulting from these examinations to determine the adequacy of its provision for income taxes.

The amount of unrecognized tax benefits for uncertain tax positions was \$22.9 million as of June 30, 2016 and \$21.1 million as of December 31, 2015, excluding related liabilities for interest and penalties of \$2.1 million and \$2.2 million as of June 30, 2016 and December 31, 2015, respectively.

The Company believes it is reasonably possible that the total amount of unrecognized tax benefits will decrease within the next 12 months by approximately \$1.6 million, due to the settlement of various audits and the expiration of statutes of limitation.

## 14. Commitments and Contingencies

### *Legal Proceedings*

On September 23, 2015, a jury verdict was returned against ACI Worldwide Corp. ("ACI Corp."), a subsidiary of the Company, for \$43.8 million in connection with counterclaims brought by Baldwin Hackett & Meeks, Inc. ("BHMI") in the District Court of Douglas County, Nebraska. On September 21, 2012, ACI Corp. had sued BHMI for misappropriation of ACI Corp.'s trade secrets. The jury found that ACI Corp. had not met its burden of proof regarding these claims. On March 6, 2013, BHMI asserted counterclaims for breach of a non-disclosure agreement, tortious interference and violation of the Nebraska anti-monopoly statute, all of which were alleged to arise out of ACI Corp.'s filing of its lawsuit. On September 23, 2015, the jury found for BHMI on its counterclaims and awarded \$43.8 million in damages. On January 5, 2016, the court entered a judgment against ACI Corp. for \$43.8 million for damages and \$2.7 million for attorney fees and costs. While there necessarily can be no assurance of the result of the litigation, the Company has determined that it does not have a probable loss with respect to this litigation and that the amount of loss, if any, cannot be reasonably estimated. Accordingly, the Company has not accrued for this litigation.

More than 1,000 of the largest financial institutions and intermediaries as well as 300 of the leading global retailers rely on ACI to execute \$14 trillion each day in payments. In addition, thousands of organizations utilize our electronic bill presentment and payment services. Through our comprehensive suite of software and SaaS-based solutions, we deliver real-time, any-to-any payments capabilities and enable the industry's most complete omni-channel payments experience.

In addition to our own products, we distribute, or act as a sales agent for, software developed by third parties. Our products are sold and supported through distribution networks covering three geographic regions – the Americas, EMEA, and Asia/Pacific. Each distribution network has its own globally coordinated sales force and supplements its sales force with independent reseller and/or distributor networks. Our products and services are used principally by financial institutions, retailers, and electronic payment processors, both in domestic and international markets. Accordingly, our business and operating results are influenced by trends such as information technology spending levels, the growth rate of the electronic payments industry, mandated regulatory changes, and changes in the number and type of customers in the financial services industry. Our products are marketed under the ACI Worldwide and ACI Universal Payment Systems brands.

We derive a majority of our revenues from domestic operations and believe we have large opportunities for growth in international markets as well as continued expansion domestically in the United States. Refining our global infrastructure is a critical component of driving our growth. We have launched a globalization strategy which includes elements intended to streamline our supply chain and maximize expertise in several geographic locations to support a growing international customer base and competitive needs. We utilize our Irish subsidiaries to manage certain of our intellectual property rights and to oversee and manage certain international product development and commercialization efforts. We also continue to grow centers of expertise in Timisoara, Romania; and Pune and Bangalore, India, as well as key operational centers such as Capetown, South Africa and in multiple locations in the United States.

Key trends that currently impact our strategies and operations include:

**Increasing electronic payment transaction volumes.** Electronic payment volumes continue to increase around the world, taking market share from traditional cash and check transactions. The Boston Consulting Group predicts that electronic payment transactions will grow in volume at an annual rate of 6.6%, from 454.6 billion in 2015 to 624.6 billion in 2020, with varying growth rates based on the type of payment and part of the world. We leverage the growth in transaction volumes through the licensing of new systems to customers whose older systems cannot handle increased volume and through the licensing of capacity upgrades to existing customers.

**Adoption of real-time payments.** Customer expectations, from both consumers and corporate, are driving the payments world to more real-time delivery. In the UK, payments sent through the traditional ACH multi-day batch service can now be sent through the Faster Payments service giving almost immediate access to the funds and this is being considered in several countries including Australia and the US. Corporate customers expect real-time information on the status of their payments instead of waiting for an end of day report. And regulators expect banks to be monitoring key measures like liquidity in real time. ACI's focus has always been on the real-time execution of transactions and delivery of information through real-time tools such as dashboards so our experience will be valuable in addressing this trend.

**Increasing competition.** The electronic payments market is highly competitive and subject to rapid change. Our competition comes from in-house information technology departments, third-party electronic payment processors, and third-party software companies located both within and outside of the United States. Many of these companies are significantly larger than us and have significantly greater financial, technical, and marketing resources. As electronic payment transaction volumes increase, third-party processors tend to provide competition to our solutions, particularly among customers that do not seek to differentiate their electronic payment offerings or are eliminating banks from the payments service reducing the need for our solutions. As consolidation in the financial services industry continues, we anticipate that competition for those customers will intensify.

**Adoption of cloud technology.** In an effort to leverage lower-cost computing technologies some financial institutions, retailers and electronic payment processors are seeking to transition their systems to make use of cloud technology. Our investment in ACI On Demand provides us the grounding to deliver cloud capabilities in the future.

**Electronic payments fraud and compliance.** As electronic payment transaction volumes increase, criminal elements continue to find ways to commit a growing volume of fraudulent transactions using a wide range of techniques. Financial institutions, retailers and electronic payment processors continue to seek ways to leverage new technologies to identify and prevent fraudulent transactions and other attacks such as denial of service attacks. Due to concerns with international terrorism and money laundering, financial institutions in particular are being faced with increasing scrutiny and regulatory pressures. We continue to see opportunity to offer our fraud detection solutions to help customers manage the growing levels of electronic payment fraud and compliance activity.

**Adoption of smartcard technology.** In many markets, card issuers are being required to issue new cards with embedded chip technology, with the liability shift going into effect in 2015 in the United States. Chip-based cards are more secure, harder to copy and offer the opportunity for multiple functions on one card (e.g. debit, credit, electronic purse, identification, health records, etc.). The EMV standard for issuing and processing debit and credit card transactions has emerged as the global standard, with many regions throughout the world working on EMV rollouts. The primary benefit of EMV deployment is a reduction in card present payment fraud, with the additional benefit that the core infrastructure necessary for multi-function chip cards is being put in place (e.g., chip card readers in ATMs and POS devices) allowing the deployment of other technologies like contactless. EMV would not prevent the data breaches which have occurred at major retailers in the past 36 months, however EMV makes the cards more difficult to use at the physical point of sale. This results in greater card not present fraud (e.g. fraud at e-commerce sites).

**Single Euro Payments Area (“SEPA”).** The SEPA, primarily focused on the European Economic Community and the United Kingdom, is designed to facilitate lower costs for cross-border payments and reduce timeframes for settling electronic payment transactions. Recent moves to set an end date for the transition to SEPA payment mechanisms will drive more volume to these systems with the potential to cause banks to review the capabilities of the systems supporting these payments. Our retail and wholesale banking solutions facilitate key functions that help financial institutions address these mandated regulations.

**European Payment Service Directive (“PSD2”).** PSD2, which was ratified by the European Parliament in 2015 will force member states to implement new payment regulation before 2017. The XS2A provision effectively creates a new market opportunity where banks in EU member countries must provide open API standards to customer data thus allowing authorized third-party providers to enter the market.

**Financial institution consolidation.** Consolidation continues on a national and international basis, as financial institutions seek to add market share and increase overall efficiency. Such consolidations have increased, and may continue to increase, in their number, size and market impact as a result of recent economic conditions affecting the banking and financial industries. There are several potential negative effects of increased consolidation activity. Continuing consolidation of financial institutions may result in a smaller number of existing and potential customers for our products and services. Consolidation of two of our customers could result in reduced revenues if the combined entity were to negotiate greater volume discounts or discontinue use of certain of our products. Additionally, if a non-customer and a customer combine and the combined entity decides to forego future use of our products, our revenue would decline. Conversely, we could benefit from the combination of a non-customer and a customer when the combined entity continues use of our products and, as a larger combined entity, increases its demand for our products and services. We tend to focus on larger financial institutions as customers, often resulting in our solutions being the solutions that survive in the consolidated entity.

**Global vendor sourcing.** Global and regional financial institutions, processors and retailers are aiming to reduce the costs in supplier management by picking suppliers who can service them across all their geographies instead of allowing each country operation to choose suppliers independently. Our global footprint from both customer and a delivery perspective enable us to be successful in this global sourced market. However, projects in these environments tend to be more complex and therefore of higher risk.

**Electronic payments convergence.** As electronic payment volumes grow and pressures to lower overall cost per transaction increase, financial institutions are seeking methods to consolidate their payment processing across the enterprise. We believe that the strategy of using service-oriented-architectures to allow for re-use of common electronic payment functions such as authentication, authorization, routing and settlement will become more common. Using these techniques, financial institutions will be able to reduce costs, increase overall service levels, enable one-to-one marketing in multiple bank channels, leverage volumes for improved pricing and liquidity, and manage enterprise risk. Our product strategy is, in part, focused on this trend, by creating integrated payment functions that can be re-used by multiple bank channels, across both the consumer and wholesale bank. While this trend presents an opportunity for us, it may also expand the competition from third-party electronic payment technology and service providers specializing in other forms of electronic payments. Many of these providers are larger than us and have significantly greater financial, technical and marketing resources.

**Mobile banking and payments.** There is a growing demand for the ability to carry out banking services or make payments using a mobile phone. Recent statistics from Javelin Strategy & Research, a subsidiary of Greenwich Associates, show that 50% of adults in the United States use their phone for mobile banking. The use of phones for mobile banking is expected to grow to 81% in 2020. Our customers have been making use of existing products to deploy mobile banking, mobile payment and mobile commerce solutions for their customers in many countries. In addition, ACI has invested in mobile products of our own and via partnerships to support mobile functionality in the marketplace.

**Electronic Bill Payment and Presentment (EBPP).** EBPP encompasses all facets of bill payment, including biller direct, where customers initiate payments on biller websites, the consolidator model, where customers initiate payments on a financial institution website, and walk-in bill payment, as one might find in a convenience store. The EBPP market continues to grow as consumers move away from traditional forms of paper-based payments. According to Javelin Strategy & Research, a subsidiary of Greenwich Associates, the number of households paying at biller websites was projected to increase from 51 million in 2014 to 57 million in 2019, a 2.8% CAGR, while the number of households paying at financial institution websites was projected to increase from 56 million in 2014 to 68 million in 2019, a 5% CAGR. The consolidator model or bank bill pay segment has grown as financial institutions view these services as “sticky.” Similarly, the biller direct segment is seeing strong growth as billers migrate these services to outsourcers, such as ACI, from legacy systems built in-house. We believe that EBPP remains ripe for outsourcing, as a significant amount of biller-direct transactions are still processed in house. As billers seek to manage costs and improve efficiency, we believe that they will continue to look to third-party EBPP vendors that can offer a complete solution for their billing needs.

## **Regulatory Environment**

The banking, financial services and payments industries have come under increased scrutiny from federal, state and foreign lawmakers and regulators in response to the crises in the financial markets and the global recession. In particular, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), which was signed into law July 21, 2010, represents a comprehensive overhaul of the U.S. financial services industry and requires the implementation of many new regulations that will have a direct impact on our customers and potential customers. This is not limited to the United States, in April 2014, the European Commission voted to adopt a number of amendments with regards to the Payment Services Directive, placing further pressure on industry incumbents.

These regulatory changes may create both opportunities and challenges for us. The application of the new regulations on our customers could create an opportunity for us to market our product capabilities and the flexibility of our solutions to assist our customers in addressing these regulations. At the same time, these regulatory changes may have an adverse impact on our operations and our financial results as we adjust our activities in light of increased compliance costs and customer requirements. It is currently too difficult to predict the long term extent to which the Dodd-Frank Act, Payment Services Directive or the resulting regulations will impact our business and the businesses of our current and potential customers.

Several other factors related to our business may have a significant impact on our operating results from year to year. For example, the accounting rules governing the timing of revenue recognition in the software industry are complex and it can be difficult to estimate when we will recognize revenue generated by a given transaction. Factors such as maturity of the software product licensed, payment terms, creditworthiness of the customer, and timing of delivery or acceptance of our products often cause revenues related to sales generated in one period to be deferred and recognized in later periods. For arrangements in which services revenue is deferred, related direct and incremental costs may also be deferred. Additionally, while the majority of our contracts are denominated in the United States dollar, a substantial portion of our sales are made, and some of our expenses are incurred, in the local currency of countries other than the United States. Fluctuations in currency exchange rates in a given period may result in the recognition of gains or losses for that period.

We continue to seek ways to grow through organic sources, partnerships, alliances, and acquisitions. We continually look for potential acquisitions designed to improve our solutions’ breadth or provide access to new markets. As part of our acquisition strategy, we seek acquisition candidates that are strategic, capable of being integrated into our operating environment, and financially accretive to our financial performance.

## **Divestiture**

On March 3, 2016, we completed the sale of our Community Financial Services (“CFS”) related assets and liabilities, a part of the Americas segment, to Fiserv, Inc. (“Fiserv”) for \$200.0 million. The sale of CFS, which was not strategic to our long-term strategy, is part of the Company’s ongoing efforts to expand as a provider of software products and SaaS-based solutions facilitating real-time electronic and eCommerce payments for large financial institutions, intermediaries, retailers, and billers worldwide. The sale includes employees and customer contracts as well as technology assets and intellectual property.

## [Table of Contents](#)

For the six months ended June 30, 2016, we recognized a net after-tax gain of \$93.7 million on sale of assets to Fiserv. This gain is preliminary subject to finalization of post-closing adjustments pursuant to the definitive transaction agreement.

### Backlog

Included in backlog estimates are all software license fees, maintenance fees and services fees specified in executed contracts, as well as revenues from assumed contract renewals to the extent that we believe recognition of the related revenue will occur within the corresponding backlog period. We have historically included assumed renewals in backlog estimates based upon automatic renewal provisions in the executed contract and our historic experience with customer renewal rates.

Our 60-month backlog estimate represents expected revenues from existing customers using the following key assumptions:

- Maintenance fees are assumed to exist for the duration of the license term for those contracts in which the committed maintenance term is less than the committed license term.
- License, facilities management, and software hosting arrangements are assumed to renew at the end of their committed term at a rate consistent with our historical experiences.
- Non-recurring license arrangements are assumed to renew as recurring revenue streams.
- Foreign currency exchange rates are assumed to remain constant over the 60-month backlog period for those contracts stated in currencies other than the U.S. dollar.
- Our pricing policies and practices are assumed to remain constant over the 60-month backlog period.

In computing our 60-month backlog estimate, the following items are specifically not taken into account:

- Anticipated increases in transaction, account, or processing volumes in customer systems.
- Optional annual uplifts or inflationary increases in recurring fees.
- Services engagements, other than facilities management and software hosting engagements, are not assumed to renew over the 60-month backlog period.
- The potential impact of merger activity within our markets and/or customers.

We review our customer renewal experience on an annual basis. The impact of this review and subsequent update may result in a revision to the renewal assumptions used in computing the 60-month and 12-month backlog estimates. In the event a revision to renewal assumptions is determined to be necessary, prior periods will be adjusted for comparability purposes.

The following table sets forth our 60-month backlog estimate, by geographic region, as of June 30, 2016 and December 31, 2015 (in millions). As a result of the sale of CFS assets and the related customer contracts, 60-month backlog decreased \$355.5 million. Dollar amounts reflect foreign currency exchange rates as of each period end.

Included in our 60-month backlog estimates are amounts expected to be recognized during the initial license term of customer contracts (“Committed Backlog”) and amounts expected to be recognized from assumed renewals of existing customer contracts (“Renewal Backlog”). Amounts expected to be recognized from assumed contract renewals are based on our historical renewal experience.

## [Table of Contents](#)

We also estimate 12-month backlog, segregated between monthly recurring and non-recurring revenues, using a methodology consistent with the 60-month backlog estimate. Monthly recurring revenues include all monthly license fees, maintenance fees and processing services fees. Non-recurring revenues include other software license fees and services fees. Amounts included in our 12-month backlog estimate assume renewal of one-time license fees on a monthly fee basis if such renewal is expected to occur in the next 12 months. The following table sets forth our 12-month backlog estimate, by geographic segment, as of June 30, 2016, March 31, 2016 and December 31, 2015 (in millions). For all periods reported, approximately 80% of our 12-month backlog estimate is committed backlog and approximately 20% of our 12-month backlog estimate is renewal backlog. As a result of the sale of CFS assets and the related customer contracts, 12-month backlog decreased \$79.8 million. Dollar amounts reflect currency exchange rates as of each period end.

Estimates of future financial results require substantial judgment and are based on a number of assumptions as described above. These assumptions may turn out to be inaccurate or wrong, including for reasons outside of management's control. For example, our customers may attempt to renegotiate or terminate their contracts for a number of reasons, including mergers, changes in their financial condition, or general changes in economic conditions in the customer's industry or geographic location, or we may experience delays in the development or delivery of products or services specified in customer contracts which may cause the actual renewal rates and amounts to differ from historical experiences. Changes in foreign currency exchange rates may also impact the amount of revenue actually recognized in future periods. Accordingly, there can be no assurance that amounts included in backlog estimates will actually generate the specified revenues or that the actual revenues will be generated within the corresponding 12-month or 60-month period. Additionally, because backlog estimates are operating metrics, the estimates are not required to be subject to the same level of internal review or controls as a GAAP financial measure.

## RESULTS OF OPERATIONS

The following table presents the condensed consolidated statements of operations as well as the percentage relationship to total revenues of items included in our condensed consolidated statements of operations (amounts in thousands):

Total revenues	\$219,930	100%	\$(45,892)	-17%	\$265,822	100%

Total revenue for the three months ended June 30, 2016, decreased \$45.9 million, or 17%, as compared to the same period in 2015. The decrease is the result of a \$33.7 million, or 50%, decrease in license revenue and a \$13.1 million, or 11%, decrease in hosting revenue partially offset by a \$0.7 million, or 3%, increase in services revenue and a \$0.2 million increase in maintenance revenue.

The decrease in total revenue for the three months ended June 30, 2016, as compared to the same period in 2015 was due to a \$28.5 million, or 16%, decrease in the Americas reportable segment and a \$20.9 million, or 31% decrease in the EMEA reportable segment partially offset by a \$3.5 million, or 18%, increase in the Asia/Pacific reportable segment.

The addition of PAY.ON contributed \$4.2 million in total revenue for the three months ended June 30, 2016, compared to the same period in 2015, while the CFS divestiture resulted in a decrease in total revenue of \$23.6 million. Total revenue was \$3.7 million lower for the three months ended June 30, 2016, compared to the same period in 2015 due to the impact of foreign currencies weakening against the U.S. dollar. Excluding the impact of the addition of PAY.ON, CFS, and foreign currency, total revenue for the three months ended June 30, 2016, decreased \$22.8 million, or 9%, compared to the same period in 2015 primarily due to a decrease in capacity related license revenue of \$25.2 million.

#### License Revenue

Customers purchase the right to license ACI software for the term of their agreement which is generally 60 months. Within these agreements are specified capacity limits typically based on customer transaction volume. ACI employs measurement tools that monitor the number of transactions processed by customers and if contractually specified limits are exceeded, additional fees are charged for the overage. Capacity overages may occur at varying times throughout the term of the agreement depending on the product, the size of the customer, and the significance of customer transaction volume growth. Depending on specific circumstances, multiple overages or no overages may occur during the term of the agreement.

#### Initial License Revenue

Initial license revenue includes license and capacity revenues that do not recur on a monthly or quarterly basis. Included in initial license revenue are license and capacity fees that are recognizable at the inception of the agreement and license and capacity fees that are recognizable at interim points during the term of the agreement, including those that are recognizable annually due to negotiated customer payment terms. Initial license revenue during the three months ended June 30, 2016, as compared to the same period in 2015, decreased \$33.3 million, or 69%. Initial license revenue decreased in the Americas and EMEA reportable segments by \$9.5 million and \$25.0 million, respectively, and was offset by an increase in the Asia/Pacific reportable segment of \$1.2 million.

Total initial license revenue was \$2.1 million lower for the three months ended June 30, 2016, compared to the same period in 2015 due to the impact of foreign currencies weakening against the U.S. dollar. Excluding the impact of foreign currency, total initial license revenue for the three months ended June 30, 2016, decreased \$31.2 million, or 64%, compared to the same period in 2015. The decrease in initial license revenue was primarily driven by a decrease in capacity related license revenue of \$25.2 million for the three months ended June 30, 2016, as compared to the same period in 2015. The decrease in capacity related license revenue was attributable to the timing and relative size of capacity events compared to the same period in 2015.

### *Monthly License Revenue*

Monthly license revenue is license and capacity revenue that is paid monthly or quarterly due to negotiated customer payment terms as well as initial license and capacity fees that are recognized as revenue ratably over an extended period as monthly license revenue. Monthly license revenue decreased \$0.3 million, or 2%, during the three months ended June 30, 2016, as compared to the same period in 2015 with the Americas reportable segment decreasing by \$0.9 million, the EMEA reportable segment increasing by \$0.6 million, and the Asia/Pacific reportable segment remaining flat.

Total monthly license revenue was \$0.2 million lower for the three months ended June 30, 2016, compared to the same period in 2015 due to the impact of foreign currencies weakening against the U.S. dollar. The CFS divestiture resulted in decreased monthly license revenue of \$1.2 million during the three months ended June 30, 2016. Excluding the impact of foreign currency and CFS, total monthly license revenue for the three months ended June 30, 2016, increased \$1.0 million, or 5%, compared to the three months ended June 30, 2015.

### *Maintenance Revenue*

Maintenance revenue includes standard and premium maintenance and any post contract support fees received from customers for the provision of product support services. Maintenance revenue during the three months ended June 30, 2016, as compared to the same period in 2015 increased \$0.2 million. Maintenance revenue increased in the EMEA reportable segment by \$0.9 million and was partially offset by a decrease in the Americas and Asia/Pacific reportable segments of \$0.4 million and \$0.3 million, respectively.

Total maintenance revenue was \$0.8 million lower for the three months ended June 30, 2016, as compared to the same period in 2015 due to the impact of foreign currencies weakening against the U.S. dollar. The CFS divestiture resulted in decreased maintenance revenue of \$0.3 million during the three months ended June 30, 2016. Excluding the impact of foreign currency and CFS, total maintenance revenue for the three months ended June 30, 2016, increased \$1.3 million, or 2%, compared to the same period in 2015.

### *Services Revenue*

Services revenue includes fees earned through implementation services, professional services and facilities management services. Implementation services include product installations, product configurations, and custom software modifications (“CSMs”). Professional services include business consultancy, technical consultancy, on-site support services, CSMs, product education, and testing services. These services include new customer implementations as well as existing customer migrations to new products or new releases of existing products. During the period in which non-essential services revenue is being deferred, direct and incremental costs related to the performance of these services are also being deferred. During the period in which essential services revenue is being deferred, direct and indirect costs related to the performance of these services are also being deferred.

Services revenue during the three months ended June 30, 2016, as compared to the same period in 2015 increased by \$0.7 million, or 3%. Implementation and professional services increased in the Americas and Asia/Pacific reportable segments by \$0.6 million and \$2.5 million, respectively, partially offset by a \$2.4 million decrease in the EMEA reportable segment.

Total services revenue was \$0.3 million lower for the three months ended June 30, 2016, as compared to the same period in 2015 due to the impact of foreign currencies weakening against the U.S. dollar. The CFS divestiture resulted in decreased services revenue of \$1.2 million during the three months ended June 30, 2016. Excluding the impact of foreign currency and CFS, total services revenue for the three months ended June 30, 2016, increased \$2.2 million, or 10%, compared to the same period in 2015.

### *Hosting Revenue*

Hosting revenue includes fees earned through hosting and on-demand arrangements. All revenue from hosting and on-demand arrangements that does not qualify for treatment as separate units of accounting, which include set-up fees, implementation or customization services, and product support services, are included in hosting revenue. Hosting revenue also includes fees paid by our clients as a part of the acquired EBPP and Payment Risk Management products. Fees may be paid by our clients or directly by their customers and may be a percentage of the underlying transaction amount, a fixed fee per executed transaction or a monthly fee for each customer enrolled.

Hosting revenue during the three months ended June 30, 2016, as compared to the same period in 2015 decreased \$13.1 million, or 11%. The addition of PAY.ON contributed \$4.2 million in hosted revenue. The CFS divestiture resulted in decreased hosting revenue of \$20.8 million during the three months ended June 30, 2016. Total hosting revenue was \$0.3 million lower for the

Excluding the impact of PAY.ON, CFS, and foreign currency, total hosting revenue for the three months ended June 30, 2016, increased \$3.7 million, or 3%, compared to the same period in 2015, which is primarily attributed to new customers adopting our on-demand or hosted offerings and existing customers adding new functionality or increasing processing.

In general, the cost of license for our products is minimal because we internally develop most of the software components, the cost of which is reflected in research and development expense as it is incurred as technological feasibility coincides with general availability of the software components.

Cost of license expense decreased \$1.3 million, or 22%, in the three months ended June 30, 2016, compared to the same period in 2015. In 2016, cost of license decreased \$0.4 million due to our CFS divestiture and was \$0.1 million less due to the impact of foreign currencies weakening against the U.S. dollar. Reportable segment results are impacted by both direct expenses and allocated shared function costs such as global product development, global customer operations, and global product management. Shared function costs are allocated to the reportable segments as a percentage of revenue or as a percentage of headcount. All administrative costs that are not directly attributable or able to be allocated to a geographic segment are included in the corporate line item.

The decrease in revenue during the three months ended June 30, 2016 is primarily due to a decrease in capacity related license revenue of \$25.2 million and the CFS divestiture which resulted in a decrease in revenue of \$23.6 million. The Americas loss before income taxes is due to an increase in interchange fees, stock compensation expense and other personnel related expense. The decrease in EMEA's income before income taxes is primarily due to the decrease in revenue. Asia/Pacific's increase in income before income taxes is primarily due to the increase in revenue. The increase in the Corporate loss before income taxes is due to the \$24.5 million gain on the sale of Yodlee stock recognized in 2015 that did not repeat in 2016 as well as significant transaction related expenses of approximately \$8.2 million and \$4.8 million during the three months ended June 30, 2016 and 2015, respectively, increased stock compensation expense, and other professional fees.

The decrease in revenue during the six months ended June 30, 2016 is primarily due to a decrease in capacity related license revenue of \$25.2 million and the CFS divestiture which resulted in a decrease in revenue of \$31.8 million. The CFS divestiture resulted in a pre-tax gain of approximately \$152.0 million in the Americas segment. The increase in the Corporate loss before income taxes is due to the \$24.5 million gain on the sale of Yodlee stock recognized in 2015 that did not repeat in 2016 as well as having incurred significant transaction related expenses of approximately \$12.2 million during the six months ended June 30, 2016 compared to \$7.7 million during the same period in 2015, increased stock compensation expense and other professional fees.

## Liquidity and Capital Resources

### General

Our primary liquidity needs are: (i) to fund normal operating expenses; (ii) to meet the interest and principal requirements of our outstanding indebtedness; and (iii) to fund acquisitions, capital expenditures and lease payments. We believe these needs will be satisfied using cash flow generated by our operations, our cash and cash equivalents and available borrowings under our revolving credit facility.

As of June 30, 2016, we had \$52.5 million in cash and cash equivalents. Cash and cash equivalents consist of highly liquid investments with original maturities of three months or less.

As of June 30, 2016, \$45.1 million of the \$52.5 million of cash and cash equivalents was held by our foreign subsidiaries. If these funds were needed for our operations in the U.S., we would be required to accrue and pay U.S. taxes to repatriate these funds. However, our intent is to permanently reinvest these funds outside the U.S. and our current plans do not demonstrate a need to repatriate them to fund our U.S. operations.

The following table sets forth summary cash flow data for the periods indicated (amounts in thousands).

	Six Months Ended June 30,	
	2016	2015
<b>Net cash provided by (used by):</b>		
Operating activities	\$ 56,868	\$ 49,933
Investing activities	159,888	6,407
Financing activities	(265,172)	(81,308)

Net cash flows provided by operating activities for the six months ended June 30, 2016 amounted to \$56.9 million as compared to \$49.9 million during the same period in 2015. The comparative period increase was primarily due to the timing of payments and cash collections from customers during the first six months of 2016 compared to the same period in 2015. Our current policy is to use our operating cash flow primarily for funding capital expenditures, lease payments, stock repurchases and acquisitions.

During the first six months of 2016, we received proceeds of \$200.0 million from the sale of the CFS related assets. In addition, we used cash of \$33.1 million to purchase software, property and equipment as compared to \$21.9 million during the same period in 2015. We received proceeds of \$35.3 million on our sale of our holdings in Yodlee common stock during the first six months of 2015.

## [Table of Contents](#)

During the six months ended June 30, 2016, we used the proceeds from the CFS divestiture to partially fund the repayment of \$156.0 million on the revolver portion of the Credit Facility and \$47.6 million of the term portion of the Credit Facility. We used \$60.1 million to repurchase shares of our common stock during the first six months of 2016. In addition, during the first six months of 2016, we received proceeds of \$10.2 million, including corresponding excess tax benefits, from the exercises of stock options and the issuance of common stock under our 1999 Employee Stock Purchase Plan, as amended, and used less than \$1.4 million for the repurchase of restricted stock for tax withholdings. During the six months ended June 30, 2015, we repaid a net \$44.0 million on the revolver portion of the Credit Facility and \$39.7 million of the term portion of the Credit Facility. In addition, during the first six months of 2015, we received proceeds of \$16.6 million, including corresponding excess tax benefits, from the exercises of stock options and the issuance of common stock under our 1999 Employee Stock Purchase Plan, as amended, and used \$4.0 million for the repurchase of restricted stock and performance shares for tax withholdings.

We may decide to use cash to acquire new products and services or enhance existing products and services through acquisitions of other companies, product lines, technologies and personnel, or through investments in other companies.

We believe that our existing sources of liquidity, including cash on hand and cash provided by operating activities, will satisfy our projected liquidity requirements, which primarily consists of working capital requirements, for the next twelve months and foreseeable future.

### *Debt*

As of June 30, 2016, we had \$22.0 million and \$412.9 million outstanding under our Revolving Credit Facility and Term Credit Facility, respectively, with up to \$203.0 million of unused borrowings under the Revolving Credit Facility portion of the Credit Agreement, as amended. The amount of unused borrowings actually available varies in accordance with the terms of the agreement. The Credit Agreement contains certain affirmative and negative covenants, including limitations on the incurrence of indebtedness, asset dispositions, acquisitions, investments, dividends and other restricted payments, liens and transactions with affiliates. The Credit Agreement also contains financial covenants relating to maximum permitted leverage ratio and the minimum fixed charge coverage ratio. The facility does not contain any subjective acceleration features and does not have any required payment or principal reduction schedule and is included as a long-term liability in our condensed consolidated balance sheet. On June 30, 2016, the Company requested and obtained a waiver to the application of the Consolidated Fixed Charge Coverage Ratio covenant in the Credit Agreement for the fiscal quarters ending June 30, 2016, September 30, 2016, and December 31, 2016. As of June 30, 2016, and at all time during the period, the Company was in compliance with all other financial debt covenants. The interest rate in effect at June 30, 2016 was 2.72%.

On February 29, 2016, we entered into a six-month standby letter of credit (the "Letter of Credit"), under the terms of the Credit Agreement, for \$25.0 million. The Letter of Credit automatically renewed on June 15, 2016. At any time we may request to close the Letter of Credit. The Letter of Credit reduces the maximum available borrowings under our Revolving Credit Facility to \$225.0 million. Upon expiration of the Letter of Credit, maximum borrowings will return to \$250.0 million.

On August 20, 2013, the Company completed a \$300.0 million offering of 6.375% Senior Notes due in 2020 (the "Notes") at an issue price of 100% of the principal amount in a private placement for resale to qualified institutional buyers. The Notes bear an interest rate of 6.375% per annum, payable semi-annually in arrears on August 15 and February 15 of each year, commencing on February 15, 2014. Interest has been accrued from August 20, 2013. The Notes will mature on August 15, 2020.

### *Stock Repurchase Program*

As of December 31, 2011, our Board of Directors had approved a stock repurchase program authorizing us, from time to time as market and business conditions warrant, to acquire up to \$210 million of its common stock. In February 2012, our Board of Directors approved an increase of \$52.1 million to their current stock repurchase authorization, bringing the total authorization to \$262.1 million.

On September 13, 2012, our Board of Directors approved the repurchase of up to 7,500,000 shares of the Company's common stock, or up to \$113.0 million in place of the remaining repurchase amounts previously authorized. In July 2013, the Board of Directors approved an additional \$100 million for the stock repurchase program. In February 2014, they again approved an additional \$100 million for the stock repurchase program.

The Company repurchased 3,020,926 shares for \$60.1 million under the program during the six months ended June 30, 2016. Under the program to date, the Company has repurchased 40,129,393 shares for approximately \$455.9 million. The maximum remaining authorized for purchase under the stock repurchase program was approximately \$78.2 million as of June 30, 2016.

There is no guarantee as to the exact number of shares that will be repurchased by us. Repurchased shares are returned to the status of authorized but unissued shares of common stock. In March 2005, our Board of Directors approved a plan under Rule 10b5-1 of the Securities Exchange Act of 1934 to facilitate the repurchase of shares of common stock under the existing stock

repurchase program. Under our Rule 10b5-1 plan, we have delegated authority over the timing and amount of repurchases to an independent broker who does not have access to inside information about the Company. Rule 10b5-1 allows us, through the independent broker, to purchase shares at times when we ordinarily would not be in the market because of self-imposed trading blackout periods, such as the time immediately preceding the end of the fiscal quarter through a period three business days following our quarterly earnings release.

### **Contractual Obligations and Commercial Commitments**

For the six months ended June 30, 2016, there have been no material changes to the contractual obligations and commercial commitments disclosed in Item 7 of our Form 10-K for the fiscal year ended December 31, 2015.

We are unable to reasonably estimate the ultimate amount or timing of settlement of our reserves for income taxes under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 740, *Income Tax*. The liability for unrecognized tax benefits at June 30, 2016 is \$22.9 million.

### **Critical Accounting Estimates**

The preparation of the condensed consolidated financial statements requires that we make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. We base our estimates on historical experience and other assumptions that we believe to be proper and reasonable under the circumstances. We continually evaluate the appropriateness of estimates and assumptions used in the preparation of our condensed consolidated financial statements. Actual results could differ from those estimates.

The accounting policies that reflect our more significant estimates, judgments and assumptions and which we believe are the most critical to aid in fully understanding and evaluating our reported financial results include the following:

- Revenue Recognition
- Allowance for Doubtful Accounts
- Business Combinations
- Intangible Assets and Goodwill
- Stock-Based Compensation
- Accounting for Income Taxes

During the six months ended June 30, 2016, there were no significant changes to our critical accounting policies and estimates. Please refer to Management's Discussion and Analysis of Financial Condition and Results of Operations contained in Part II, Item 7 of our Annual Report on Form 10-K for our fiscal year ended December 31, 2015, filed on February 26, 2016, for a more complete discussion of our critical accounting policies and estimates.

### **Item 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

Excluding the impact of changes in interest rates and the uncertainty in the global financial markets, there have been no material changes to our market risk for the six months ended June 30, 2016. We conduct business in all parts of the world and are thereby exposed to market risks related to fluctuations in foreign currency exchange rates. The U.S. dollar is the single largest currency in which our revenue contracts are denominated. Thus, any decline in the value of local foreign currencies against the U.S. dollar results in our products and services being more expensive to a potential foreign customer, and in those instances where our goods and services have already been sold, may result in the receivables being more difficult to collect. Additionally, any decline in the value of the U.S. dollar in jurisdictions where the revenue contracts are denominated in U.S. dollars and operating expenses are incurred in local currency will have an unfavorable impact to operating margins. We at times enter into revenue contracts that are denominated in the country's local currency, principally in Australia, Canada, the United Kingdom and other European countries. This practice serves as a natural hedge to finance the local currency expenses incurred in those locations. We have not entered into any foreign currency hedging transactions. We do not purchase or hold any derivative financial instruments for the purpose of speculation or arbitrage.

The primary objective of our cash investment policy is to preserve principal without significantly increasing risk. Based on our cash investments and interest rates on these investments at June 30, 2016, and if we maintained this level of similar cash investments for a period of one year, a hypothetical 10 percent increase or decrease in effective interest rates would increase or decrease interest income by less than \$0.01 million annually.

We had approximately \$734.9 million of debt outstanding at June 30, 2016 with \$300.0 million in Senior Notes and \$434.9 million outstanding under our Credit Facility. Our Senior Notes are fixed-rate long-term debt obligations with a 6.375% interest rate. Our Credit Facility has a floating rate which was 2.72% at June 30, 2016. The potential increase (decrease) in interest expense for the Credit Facility from a hypothetical ten percent increase (decrease) in effective interest rates would be approximately \$1.2 million.

**Item 4. CONTROLS AND PROCEDURES**

*Disclosure Controls and Procedures*

Our management, under the supervision of and with the participation of the Chief Executive Officer and Chief Financial Officer, performed an evaluation of the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, as of the end of the period covered by this report, June 30, 2016. Based on that evaluation, the Company's Chief Executive Officer and Chief Financial Officer have concluded that the Company's disclosure controls and procedures are effective as of June 30, 2016.

*Changes in Internal Control over Financial Reporting*

On November 4, 2015 we completed our acquisition of PAY.ON. We believe the internal controls and procedures of PAY.ON have had a material effect on our internal control over financial reporting. See Note 2, *Acquisitions*, to the Consolidated Financial Statements for discussion of the acquisition and related financial data.

We are currently in the process of integrating PAY.ON operations. We anticipate a successful integration of operations and internal controls over financial reporting. Management will continue to evaluate its internal control over financial reporting as it executes integration activities.

Our management, under the supervision of and with the participation of the Chief Executive Officer and Chief Financial Officer evaluated any change in the Company's internal control over financial reporting (as defined in Rules 13a-15(f) under the Exchange Act) during the Company's quarter ended June 30, 2016, and determined that except for the change discussed above, there were no other changes in the Company's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect the Company's internal control over financial reporting.

**PART II – OTHER INFORMATION**

**Item 1. LEGAL PROCEEDINGS**

From time to time, we are involved in various litigation matters arising in the ordinary course of our business. See Note 14, *Commitments and Contingencies*, to the Condensed Consolidated Financial Statements for a discussion of legal proceedings.

On September 23, 2015, a jury verdict was returned against ACI Worldwide Corp. ("ACI Corp."), a subsidiary of the Company, for \$43.8 million in connection with counterclaims brought by Baldwin Hackett & Meeks, Inc. ("BHMI") in the District Court of Douglas County, Nebraska. On September 21, 2012, ACI Corp. had sued BHMI for misappropriation of ACI Corp.'s trade secrets. The jury found that ACI Corp. had not met its burden of proof regarding these claims. On March 6, 2013, BHMI asserted counterclaims for breach of a non-disclosure agreement, tortious interference and violation of the Nebraska anti-monopoly statute, all of which were alleged to arise out of ACI Corp.'s filing of its lawsuit. On September 23, 2015, the jury found for BHMI on its counterclaims and awarded \$43.8 million in damages. On January 5, 2016, the court entered a judgment against ACI Corp. for \$43.8 million for damages and \$2.7 million for attorney fees and costs. ACI Corp. disagrees with the verdicts and judgment, and after the trial court denied ACI Corp.'s post-judgment motions, on March 31, 2016, ACI Corp. perfected an appeal of the dismissal of its claims against BHMI and the judgment in favor of BHMI on its counterclaims, and on July 20, 2016 ACI Corp. filed its appellant brief. While there necessarily can be no assurance of the result of the litigation, the Company has determined that it does not have a probable loss with respect to this litigation and that the amount of loss, if any, cannot be reasonably estimated. Accordingly, the Company has not accrued for this litigation.

**Item 1A. RISK FACTORS**

Other than as disclosed below, there have been no material changes to the risk factors disclosed in Item 1A of our Form 10-K for the fiscal year ended December 31, 2015. Additional risks and uncertainties, including risks and uncertainties not presently known to us, or that we currently deem immaterial, could also have an adverse effect on our business, financial condition and/or results of operations.

**We may not be successful in our appeal of the judgment in excess of \$46.5 million against us in the BHMI litigation.**

On January 5, 2016, following a jury verdict that was returned against ACI Worldwide Corp., one of our subsidiaries, for \$43.8 million in connection with counterclaims brought by Baldwin Hackett & Meeks, Inc. (“BHMI”) in the District Court of Douglas County, Nebraska, the court entered a judgment against ACI Corp. for \$43.8 million for damages and \$2.7million for attorney fees and costs. On March 31, 2016 we perfected our appeal of the dismissal of our claims against BHMI and the judgment against us. However, there can be no assurance that we will be successful on appeal and that we will be able to overturn the judgment. There can further be no assurance that we will be successful in any new trial of the disputes in this litigation.

Our current determination is that we do not have a probable loss with respect to this litigation and that the amount of loss, if any, cannot be reasonably estimated. Accordingly, we have not accrued for a loss associated with this litigation. If our assessment of a probable loss is incorrect and the appeal is not resolved in our favor, or if we are unsuccessful in any subsequent retrial, we may have to make a substantial payment to BHMI. Alternatively, if during the course of our appeal or subsequent new trial, our assessment changes and we determine that a loss is probable and that the loss is reasonably estimable, we will be required to accrue for that potential loss.

Any payment to BHMI or accrual for a loss in this litigation could result in a material adverse effect on our business, financial condition, results of operations and cash flows, especially for the quarter and annual period in which the payment or accrual occurs.

**We may face claims associated with the sale and transition of our Community Financial Services assets and liabilities.**

On March 3, 2016, we completed the sale of our Community Financial Services (“CFS”) related assets and liabilities to Fiserv. In connection with that sale we entered into a transaction agreement and a transition services agreement in which we undertook certain continuing obligations to effect the transition of the assets and liabilities to Fiserv. We could face claims under the transaction agreement, including based on our representations and warranties, covenants and retained liabilities. We could also face claims under the transition services agreement related to our obligations to provide transition services and assistance. Any such claim or claims could result in a material adverse effect on our business, financial condition, results of operations and cash flows.

**Item 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS****Issuer Purchases of Equity Securities**

The following table provides information regarding the Company’s repurchases of its common stock during the three months ended June 30, 2016:

<u>Period</u>	<u>Total Number of Shares Purchased</u>	<u>Average Price Paid per Share</u>	<u>Total Number of Shares Purchased as Part of Publicly Announced Program</u>	<u>Approximate Dollar Value of Shares that May Yet Be Purchased Under the Program</u>

- (1) Pursuant to our 2005 Incentive Plan, we granted restricted share awards (“RSAs”). These awards have requisite service periods of either three or four years and vest in increments of either 33% or 25% on the anniversary dates of the grants. Under each arrangement, stock is issued without direct cost to the employee. During the three months ended June 30, 2016, 272,324 shares of the RSAs vested. We withheld 64,801 of those shares to pay the employees’ portion of applicable payroll taxes.

In fiscal 2005, we announced that our Board of Directors approved a stock repurchase program authorizing us, from time to time as market and business conditions warrant, to acquire up to \$80 million of our common stock, and that we intended to use existing cash and cash equivalents to fund these repurchases. Our Board of Directors approved an increase of \$30 million, \$100 million, and \$52.1 million to the stock repurchase program in May 2006, March 2007 and February 2012, respectively, bringing the total of the approved program to \$262.1 million. On September 13, 2012, our Board of Directors approved the repurchase of

up to 7,500,000 shares of our common stock, or up to \$113.0 million, in place of the remaining repurchase amounts previously authorized. In July, 2013, our Board of Directors approved an additional \$100 million for stock repurchases. On February 24, 2014, our Board of Directors approved an additional \$100 million for the stock repurchase program. Approximately \$78.2 million remains available at June 30, 2016. There is no guarantee as to the exact number of shares that will be repurchased by us. Repurchased shares are returned to the status of authorized but unissued shares of common stock. In March 2005, our Board of Directors approved a plan under Rule 10b5-1 of the Securities Exchange Act of 1934 to facilitate the repurchase of shares of common stock under the existing stock repurchase program. Under our Rule 10b5-1 plan, we have delegated authority over the timing and amount of repurchases to an independent broker who does not have access to inside information about the Company. Rule 10b5-1 allows us, through the independent broker, to purchase shares at times when we ordinarily would not be in the market because of self-imposed trading blackout periods, such as the time immediately preceding the end of the fiscal quarter through a period three business days following our quarterly earnings release.

**SUPPLEMENTAL PERFORMANCE SHARE AWARD AGREEMENT**

THIS SUPPLEMENTAL PERFORMANCE SHARE AWARD AGREEMENT (this “Agreement”) is made as of the date set forth in Schedule A hereto (the “Grant Date”) by and between ACI Worldwide, Inc., a Delaware corporation (the “Corporation”) and the individual identified in Schedule A hereto, an employee of the Corporation or its Subsidiaries (the “Grantee”). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the “Plan”).

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals performance shares, each such performance share being equal in value to one share of the Corporation’s common stock, par value of \$0.005 per share (the “Common Shares”); and

WHEREAS, the Board has determined that it is desirable and in the best interests of the Corporation and its stockholders to approve a long-term incentive program and, in connection therewith, to grant the Grantee a certain number of performance shares, in order to provide the Grantee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

**1. Grant of Performance Shares.**

(a) Subject to the terms of the Plan, the Corporation hereby grants to the Grantee the number of performance shares (the “Performance Shares”) set forth in Schedule A, payment of which depends on the Corporation’s performance as set forth in this Agreement and in the Statement of Performance Goals attached hereto and incorporated herein by this reference (the “Statement of Performance Goals”) approved by the Compensation Committee of the Board (the “Committee”).

(b) The Grantee’s right to receive all or any portion of the Performance Shares will be contingent upon the achievement of certain management objectives (the “Management Objectives”), as set forth in the Statement of Performance Goals. The achievement of the Management Objectives will be measured during the performance period set forth on the Statement of Performance Goals.

(c) The Management Objectives for the Performance Period will be as set forth on the Statement of Performance Goals.

**2. Earning of Performance Shares.**

(a) Threshold Level Requirement. If, upon the conclusion of the Performance Period, any of the Management Objectives fall below the threshold levels set forth in the performance matrix contained in the Statement of Performance Goals (the “Performance Matrix”), none of the Performance Shares shall become earned.

(b) **Earning Calculation.** If, upon the conclusion of the Performance Period, the Management Objectives equal or exceed the threshold levels set forth in the Performance Matrix, a proportionate number of the Performance Shares shall become earned, as determined by mathematical interpolation and rounded up to the nearest whole share.

(c) **Modification.** If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Corporation, the manner in which it conducts business or other events or circumstances render the Management Objectives to be unsuitable, the Committee may modify such Management Objectives or the related levels of achievement, in whole or in part, as the Committee deems appropriate; provided, however, that in the case of an award to a Covered Employee intended to qualify for an exemption under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), no such action may result in the loss of the otherwise available exemption of the award under Section 162(m).

(d) **Conditions; Determination of Earned Award.** Except as otherwise provided herein, the Grantee's right to receive any Performance Shares is contingent upon his or her remaining in the continuous employ of the Corporation or a Subsidiary through the end of the Performance Period. For purposes of this Agreement, the continuous employ of the Grantee shall not be considered interrupted or terminated in the case of transfers between locations of the Corporation and its Subsidiaries. Following the Performance Period, with respect to Grantees that are Covered Employees, the Committee shall certify that the Management Objectives have been satisfied and shall determine the number of Performance Shares that shall have become earned hereunder. In all circumstances, the Committee shall have the ability and authority to reduce, but not increase, the amount of Performance Shares that become earned hereunder.

**3. Retirement, Disability, Death or Termination without Cause.** If the Grantee's employment with the Corporation or a Subsidiary terminates following completion of the first full fiscal quarter of the Performance Period but before the payment of the Performance Shares as set forth in Section 6 below due to (a) the Grantee's retirement approved by the Corporation, (b) Disability (as defined below), (c) death or (d) a termination by the Corporation without cause, the Corporation shall pay to the Grantee or his or her executor or administrator, as the case may be, at the time specified in Section 6, a number of Performance Shares equal to (i) the number of Performance Shares to which the Grantee would have been entitled under Section 2 above based on the performance of the Corporation for the full Performance Period, multiplied by (ii) a fraction, the numerator of which is the number of full fiscal quarters the Grantee was employed during the Performance Period and the denominator of which is the number of full fiscal quarters in the Performance Period. The remaining Performance Shares shall be forfeited. For purposes of this Agreement, "Disability" means the Grantee's permanent and total disability as defined in Section 22(e)(3) of the Code.

**4. Other Termination.** If the Grantee's employment with the Corporation or a Subsidiary terminates before the payment of the Performance Shares as provided in Section 6 hereof for any reason other than as set forth in Section 3 above, the Performance Shares will be forfeited.

**5. Leaves of Absence.** If the Grantee was on short-term disability, long-term disability or unpaid leave of absence approved by the Corporation for more than thirty (30) consecutive calendar days during any fiscal quarter during Performance Period, the number of Performance

Shares earned by the Grantee will be reduced such that the Grantee will only be entitled to (i) the number of Performance Shares to which the Grantee would have been entitled under Section 2 above based on the performance of the Corporation during the Performance Period, multiplied by (ii) a fraction, the numerator of which is the number of fiscal quarters the Grantee was employed during the Performance Period (excluding any fiscal quarters during which the Grantee was on a leave of absence for more than thirty (30) consecutive calendar days) and the denominator of which is the number of full fiscal quarters in the Performance Period.

**6. Payment of Performance Shares.** Payment of any Performance Shares that become earned as set forth herein will be made in the form of Common Shares, in cash, or in a combination of the two, as determined in the sole discretion of the Committee. Payment will be made as soon as practicable after the receipt of audited financial statements of the Corporation relating to the last fiscal year of the Performance Period and with respect to Covered Employees, the determination by the Committee of the level of attainment of the Management Objectives. Performance Shares will be forfeited if they are not earned at the end of the Performance Period and, except as otherwise provided in this Agreement, if the Grantee ceases to be employed by the Corporation or a Subsidiary at any time prior to such shares becoming earned.

**7. Withholding of Taxes.**

(a) The Grantee shall be liable for any and all federal, state, local or non-US taxes applicable to the Grantee, including, without limitation, withholding taxes, social security/national insurance contributions and employment taxes, arising out of this grant of Performance Shares, the issuance of Common Shares as payment for earned Performance Shares hereunder or the payment of cash for earned Performance Shares. In the event that the Corporation or the Grantee's employer (the "Employer") is required to withhold taxes as a result of the grant of the Performance Shares, the issuance of Common Shares as payment for earned Performance Shares or the payment of cash for earned Performance Shares, the Grantee shall at the election of the Corporation, in its sole discretion, either (i) surrender a sufficient number of whole Common Shares, having a Market Value per Share on the date such Performance Shares become taxable equal to the amount of such taxes, or (ii) make a cash payment, as necessary to cover all applicable required withholding taxes and required social security/national insurance contributions on the date such Performance Shares become taxable, unless the Corporation, in its sole discretion, has established alternative procedures for such payment. If the number of shares required to cover all applicable withholding taxes and required social security/national insurance contributions includes a fractional share, then Grantee shall deliver cash in lieu of such fractional share. All matters with respect to the total amount to be withheld shall be determined by the Corporation in its sole discretion.

(b) Regardless of any action the Corporation or the Grantee's Employer takes with respect to any or all income tax, social security/national insurance, payroll tax, payment on account or other tax-related withholding ("Tax-Related Items"), the Grantee acknowledges and agrees that the ultimate liability for all Tax-Related Items legally due by him is and remains the Grantee's responsibility and that the Corporation and or the Employer (i) make no representations nor undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of this grant of Performance Shares, including the grant of Performance Shares, the issuance of Common Shares as payment for earned Performance Shares, the payment of cash for earned Performance Shares or the subsequent sale of any Common Shares issued hereunder and receipt of

any dividends; and (ii) do not commit to structure the terms or any aspect of this grant of Performance Shares to reduce or eliminate the Grantee's liability for Tax-Related Items. The Grantee shall pay the Corporation or the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold as a result of the Grantee's participation in the Plan or the Grantee's grant of Performance Shares, the Common Shares issued as payment for earned Performance Shares or the payment of cash for earned Performance Shares that cannot be satisfied by the means previously described above in Section 7(a). The Corporation may refuse to issue Common Shares as payment of earned Performance Shares related thereto if the Grantee fails to comply with the Grantee's obligations in connection with the Tax-Related Items.

**8. Forfeiture and Right of Recoupment.** Notwithstanding anything contained herein to the contrary, by accepting these Performance Shares, Grantee understands and agrees that if (a) the Corporation is required to restate its consolidated financial statements because of material noncompliance due to irregularities with the federal securities laws, which restatement is due, in whole or in part, to the misconduct of Grantee, or (b) it is determined that the Grantee has otherwise engaged in misconduct (whether or not such misconduct is discovered by the Corporation prior to the termination of Grantee's employment), the Corporation may take such action with respect to the Performance Shares as the Corporation, in its sole discretion, deems necessary or appropriate and in the best interest of the Corporation and its stockholders. Such action may include, without limitation, causing the forfeiture of unearned Performance Shares, requiring the transfer of ownership back to the Corporation of Common Shares issued as payment for earned Performance Shares and still held by the Grantee, cash received by the Grantee as payment for earned Performance Shares and the recoupment of any proceeds from the sale of Common Shares issued as payment for Performance Shares earned pursuant to this Agreement. For purposes of this Section 8, "misconduct" shall mean a deliberate act or acts of dishonesty or misconduct which either (i) were intended to result in substantial personal enrichment to the Grantee at the expense of the Corporation or (ii) have a material adverse effect on the Corporation. Any determination hereunder, including with respect to Grantee's misconduct, shall be made by the Board or its designee in its sole discretion. Notwithstanding any provisions herein to the contrary, Grantee expressly acknowledges and agrees that the rights of the Corporation set forth in this Section 8 shall continue after Grantee's employment with the Corporation or its Subsidiary is terminated, whether termination is voluntary or involuntary, with or without cause, and shall be in addition to every other right or remedy at law or in equity that may otherwise be available to the Corporation.

**9. Cash Dividends.** Cash dividends on the Performance Shares covered by this Agreement shall be sequestered by the Corporation from and after the Grant Date until such time as any of such Performance Shares become earned in accordance with this Agreement, whereupon such dividends shall be converted into a number of Common Shares (based on the Market Value per Share on the date such Performance Shares become earned) to the extent such dividends are attributable to Performance Shares that have become earned. To the extent that Performance Shares covered by this Agreement are forfeited, all of the dividends sequestered with respect to such Performance Shares shall also be forfeited. No interest shall be payable with respect to any such dividends.

**10. Non-Assignability.** The Performance Shares and the Common Shares subject to this grant of Performance Shares are personal to the Grantee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Grantee until they become earned as provided in this Agreement; provided, however, that the Grantee's rights with respect to such

Performance Shares and Common Shares may be transferred by will or pursuant to the laws of descent and distribution or pursuant to a domestic relations order (within the meaning of Rule 16a-12 under the Securities Exchange Act of 1934, as amended). Any purported transfer or encumbrance in violation of the provisions of this Section 10, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Performance Shares or Common Shares.

11. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Grantee. This Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Grantee).

12. **Consent To Transfer Personal Data.** By accepting these Performance Shares, Grantee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 12. Grantee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Grantee's ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Grantee, that may include Grantee's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan ("Data"). The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Grantee's participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan. These recipients may be located throughout the world, including the United States. Grantee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing Grantee's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Grantee's behalf by a broker or other third party with whom Grantee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Grantee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Grantee's ability to participate in the Plan.

13. **Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, decide to deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting the Performance Shares, electronically or otherwise, Grantee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

14. Miscellaneous.

(a) The Performance Shares granted pursuant to this Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Grantee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Agreement by reference and shall be deemed to be a part of this Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Agreement. In the event that there is any inconsistency between the provisions of this Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Agreement shall be binding and conclusive on the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Performance Shares is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Grantee's terms and conditions of employment, nor shall any provision be construed to confer upon the Grantee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Grantee at any time, or to terminate any employment or other relationship between the Grantee and the Corporation or any Subsidiary.

(d) This Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Grantee's rights under this Agreement without the Grantee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Grantee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Grantee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail

address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Grantee. Any notice hereunder by the Corporation to the Grantee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Grantee at Grantee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Grantee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Grantee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Agreement, the Plan, any Change-in-Control Employment Agreement between the Corporation and the Grantee, and, in the case of the Corporation's Chief Executive Officer only, the Amended and Restated Employment Agreement entered into effective as January 7, 2016, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

(k) In the event that it is determined that the Grantee was not eligible to receive this award of Performance Shares, the award of Performance Shares and this Agreement shall be null and void and of no further effect.

(l) This Agreement will be deemed to be signed by the Corporation and Grantee upon Grantee's acceptance of the Notice of Grant of Award attached as Schedule A.

## SUPPLEMENTAL NONQUALIFIED STOCK OPTION AGREEMENT

THIS SUPPLEMENTAL STOCK OPTION AGREEMENT (this "Option Agreement") is made as of the date set forth in Schedule A hereto (the "Grant Date") by and between ACI Worldwide, Inc., a Delaware corporation (the "Corporation") and the individual identified in Schedule A hereto, an employee of the Corporation or its Subsidiaries (the "Optionee"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the "Plan").

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals options for the purchase of shares of the Corporation's common stock, par value of \$0.005 per share (the "Stock"); and

WHEREAS, the Board has determined that it is desirable and in the best interests of the Corporation and its stockholders to grant the Optionee an option to purchase a certain number of shares of Stock, in order to provide the Optionee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

1. **Grant of Non-Qualified Stock Option.** Subject to the terms of the Plan, the Corporation hereby grants to the Optionee the right and option (the "Option") to purchase from the Corporation, on the terms and subject to the conditions set forth in this Option Agreement, the number of shares of Stock (the "Option Shares") set forth in Schedule A. The Date of Grant of this Option is the Grant Date (defined above). **This Option shall not constitute an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").**

2. **Exercise Price.** The exercise price for the shares of Stock subject to the Option granted by this Option Agreement is the price per share set forth in Schedule A (the "Exercise Price").

3. **Exercise of Option.** Subject to the provisions of the Plan and subject to the earlier expiration or termination of this Option in accordance with its terms, the Option granted pursuant to this Option Agreement shall be exercisable only as follows:

3.1. **Time of Exercise of Option**

3.1.1. **First Tranche.** The Option shall become exercisable, if at all, with respect to one-third of the Option Shares (the "First Tranche Options") upon satisfaction of both of the following criteria: (i) Optionee's continued employment by the Corporation or any of its Subsidiaries as of the third anniversary of the Date of Grant, and (ii) subject to the Optionee's continued employment by the Corporation or any of its Subsidiaries on such date, the first date, which must be on or before the fifth anniversary of the Date of Grant, that the closing price per share of Stock on the NASDAQ Global Select Stock Market has

met or exceeded 133% of the Exercise Price for at least 20 consecutive trading days (the “First Tranche Share Price Component”). The First Tranche Options shall not become exercisable if the First Tranche Share Price Component is not satisfied on or before the fifth anniversary of the Date of Grant.

3.1.2. **Second Tranche.** The Option shall become exercisable, if at all, with respect to one-third of the Option Shares (the “Second Tranche Options”) upon satisfaction of both of the following criteria: (i) Optionee’s continued employment by the Corporation or any of its Subsidiaries as of the fourth anniversary of the Date of Grant, and (ii) subject to the Optionee’s continued employment by the Corporation or any of its Subsidiaries on such date, the first date, which must be on or before the fifth anniversary of the Date of Grant, that the closing price per share of Stock on the NASDAQ Global Select Stock Market has met or exceeded 167% of the Exercise Price for at least 20 consecutive trading days (the “Second Tranche Share Price Component”). The Second Tranche Options shall not become exercisable if the Second Tranche Share Price Component is not satisfied on or before the fifth anniversary of the Date of Grant.

3.1.3. **Third Tranche.** The Option shall become exercisable, if at all, with respect to one-third of the Option Shares (the “Third Tranche Options”) upon satisfaction of both of the following criteria prior to the expiration of the Option: (i) Optionee’s continued employment by the Corporation or any of its Subsidiaries as of the fifth anniversary of the Date of Grant, and (ii) subject to the Optionee’s continued employment by the Corporation or any of its Subsidiaries on such date, the first date which must be on or before the fifth anniversary of the Date of Grant, that the closing price per share of Stock on the NASDAQ Global Select Stock Market has met or exceeded 200% of the Exercise Price for at least 20 consecutive trading days (the “Third Tranche Share Price Component”). The Third Tranche Options shall not become exercisable if the Third Tranche Share Price Component is not satisfied on or before the fifth anniversary of the Date of Grant.

### 3.2. **Limitations**

The portion of the Option that has not become exercisable as of the date of the Optionee’s termination of employment with the Corporation or any of its Subsidiaries for any reason shall automatically terminate as of the date of the Optionee’s termination of employment with the Corporation or its Subsidiaries and shall not become exercisable after such termination. To the extent the Option is exercisable, it may be exercised, in whole or in part; provided, that no single exercise of the Option shall be for less than 100 shares, unless at the time of the exercise, the maximum number of shares available for purchase under this Option is less than 100 shares. In no event shall the Option be exercised for a fractional share.

### **3.3. Termination of Option**

This Agreement and the Option granted hereby shall terminate automatically and without further notice on the earliest of the following dates:

3.3.1. 90 calendar days from the date of the Optionee's termination of employment with the Corporation or a Subsidiary for any reason other than death or Disability (as defined below);

3.3.2. one year after the Optionee's permanent and total disability as defined in Section 22(e)(3) of the Code ("Disability");

3.3.3. one year after the Optionee's death, if such death occurs (i) while the Optionee is employed by the Corporation or a Subsidiary, (ii) within the 90-day period following the Optionee's termination of employment for any reason other than Disability; or (iii) within the one-year period following the Optionee's termination of employment by reason of the Optionee's Disability; or

3.3.4. ten years from the Date of Grant.

The Corporation shall have the authority to determine the date an Optionee ceases to be an employee by reason of Disability. In the case of death, the Option may be exercised by the executor or administrator of the Optionee's estate or by any person or persons who shall have acquired the Option directly from the Optionee by bequest or inheritance. The Optionee shall be deemed to be an employee of the Corporation or any Subsidiary if on a leave of absence approved by the Board and the continuous employment of the Optionee with the Corporation or any of its Subsidiaries will not be deemed to have been interrupted, and the Optionee shall not be deemed to have ceased to be an employee of the Corporation or its Subsidiaries, by reason of the transfer of the Optionee's employment among the Corporation and its Subsidiaries.

### **3.4. Limitations on Exercise of Option**

In no event may the Option be exercised, in whole or in part, after the occurrence of an event which results in termination of the Option, as set forth in Section 3.3 above. The Option shall not be exercisable if and to the extent the Corporation determines such exercise or method of exercise would violate applicable securities laws, the rules and regulations of any securities exchange or quotation system on which the Stock is listed, or the Corporation's policies and procedures.

### 3.5. Method of Exercise of Option

3.5.1. To the extent then exercisable, the Option may be exercised in whole or in part by written notice to the Corporation stating the number of shares for which the Option is being exercised and the intended manner of payment. The date of such notice shall be the exercise date. Payment equal to the aggregate Exercise Price of the shares shall be payable (i) in cash in the form of currency or check or other cash equivalent acceptable to the Corporation, (ii) by actual or constructive transfer to the Corporation of non-forfeitable, outstanding shares of Stock that have been owned by the Optionee for at least six months prior to the date of exercise, (iii) by any combination of the foregoing methods of payment or (iv) in accordance with such other method or manner as set forth below.

(a) Cash Exercise (to exercise and retain the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the Corporation, at its principal office, addressed to the attention of Stock Plan Administration, or to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised, and shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised plus the full amount of all applicable withholding taxes due on the Option exercise. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option shall be made either in cash or by certified check payable to the order of the Corporation. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate or certificates for the shares of Stock being purchased.

(b) Same-Day-Sale Exercise (to exercise and immediately sell all the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell all of the shares of Stock to be issued upon exercise and (2) remit to the Corporation the portion of the sale proceeds sufficient to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell the shares on the Optionee's behalf. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage fees, transfer fees, and all applicable taxes due on the Option exercise, shall be deducted from the proceeds of the sale of the shares. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option the net proceeds from the sale of the shares of Stock being exercised and sold.

(c) Sell-to-Cover Exercise (to exercise and immediately sell a portion of the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell the portion (which must be a whole number) of the shares of Stock to be issued upon exercise sufficient to generate proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to

the exercise of the Option, any brokerage or transfer fees, and all applicable taxes due on the Option exercise (collectively the "Exercise Costs") and (2) remit to the Corporation a sufficient portion of the sale proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell on the Optionee's behalf only such number of the Shares as is required to generate proceeds sufficient to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate for the shares of Stock issued upon exercise which are not sold to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option any net proceeds from the sale of the Shares in excess of the Exercise Costs. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion.

3.5.2. As soon as practicable upon the Corporation's receipt of the Optionee's notice of exercise and payment, the Corporation shall direct the due issuance of the shares so purchased.

3.5.3. As a further condition precedent to the exercise of this Option in whole or in part, the Optionee shall comply with all regulations and the requirements of any regulatory authority having control of, or supervision over, the issuance of the shares of Stock and in connection therewith shall execute any documents which the Board shall in its sole discretion deem necessary or advisable.

### **3.6 Forfeiture and Right of Recoupment.**

Notwithstanding anything contained herein to the contrary, by accepting this Option, Optionee understands and agrees that if (a) the Corporation is required to restate its consolidated financial statements because of material noncompliance due to irregularities with the federal securities laws, which restatement is due, in whole or in part, to the misconduct of Optionee, or (b) it is determined that the Optionee has otherwise engaged in misconduct (whether or not such misconduct is discovered by the Corporation prior to the termination of Optionee's employment), the Corporation may take such action with respect to the Option as the Corporation, in its sole discretion, deems necessary or appropriate and in the best interest of the Corporation and its stockholders. Such action may include, without limitation, causing the forfeiture or cancellation of the unvested and/or vested portion of the Option and the recoupment of any proceeds from the exercise or vesting of the Option and/or the sale of Option Shares issued pursuant to this Agreement. For purposes of this Section 3.6, "misconduct" shall mean a deliberate act or acts of dishonesty or misconduct which either (i) were intended to result in substantial personal enrichment to the Optionee at the expense of the Corporation or (ii) have a material adverse effect on the Corporation. Any determination hereunder, including with respect to Optionee's misconduct, shall be made by the Board or its designee in its sole discretion. Notwithstanding any provisions herein to the

contrary, Optionee expressly acknowledges and agrees that the rights of the Corporation set forth in this Section 3.6 shall continue after Optionee's employment with the Corporation or its Subsidiary is terminated, whether termination is voluntary or involuntary, with or without cause, and shall be in addition to every other right or remedy at law or in equity that may otherwise be available to the Corporation.

4. **Withholding of Taxes.** If the Corporation shall be required to withhold any federal, state, local or foreign tax in connection with exercise of this Option, it shall be a condition to such exercise that the Optionee pay or make provision satisfactory to the Corporation for payment of all such taxes. The Optionee may elect that all or any part of such withholding requirement be satisfied by retention by the Corporation of a portion of the shares purchased upon exercise of this Option. If such election is made, the shares so retained shall be credited against such withholding requirement at the fair market value on the date of exercise.

5. **Non-Assignability.** The Option is personal to the Optionee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Optionee; provided, however, that the Optionee's rights with respect to the Option may be transferred by will or pursuant to the laws of descent and distribution or pursuant to a domestic relations order (within the meaning of Rule 16a-12 under the Securities Exchange Act of 1934, as amended). Any purported transfer or encumbrance in violation of the provisions of this Section 5, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Option.

6. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Option Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to Optionee. This Option Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Option Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Optionee).

7. **Consent To Transfer Personal Data.** By accepting the Option, Optionee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 7. Optionee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Optionee's ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Optionee, that may include Optionee's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan ("Data"). The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Optionee's participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan.

These recipients may be located throughout the world, including the United States. Optionee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing Optionee's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Optionee's behalf by a broker or other third party with whom Optionee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Optionee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Optionee's ability to participate in the Plan.

**8. Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, decide to deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting or exercising this Option, electronically or otherwise, Optionee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

**9. Miscellaneous.**

(a) The Options granted pursuant to this Option Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Optionee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Option Agreement by reference and shall be deemed to be a part of this Option Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Option Agreement. In the event that there is any inconsistency between the provisions of this Option Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Option Agreement shall be binding and conclusive on the Optionee, the Optionee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Options is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Optionee's terms and conditions of employment, nor shall any provision be construed to confer upon the Optionee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Optionee at any time, or to terminate any employment or other relationship between the Optionee and the Corporation or any Subsidiary.

(d) This Option Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Optionee, the Optionee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Option Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Option Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Option Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Option Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Optionee's rights under this Option Agreement without the Optionee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Optionee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Optionee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Optionee. Any notice hereunder by the Corporation to the Optionee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Optionee at Optionee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Optionee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Optionee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Option Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Option Agreement, the Plan, any Change-in-Control Employment Agreement between the Corporation and the Optionee, and, in the case of the Corporation's Chief Executive Officer only, the Amended and Restated Employment Agreement entered into effective as January 7, 2016, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

---

(k) In the event that it is determined that the Optionee was not eligible to receive this Option, the Option and this Option Agreement shall be null and void and of no further effect.

(l) This Option Agreement will be deemed to be signed by the Corporation and Optionee upon Optionee's acceptance of the Notice of Grant of Stock Options attached as Schedule A.

Schedule A  
(Attached)

**PERFORMANCE SHARE AWARD AGREEMENT**

THIS PERFORMANCE SHARE AWARD AGREEMENT (this “Agreement”) is made as of the date set forth in Schedule A hereto (the “Grant Date”) by and between ACI Worldwide, Inc., a Delaware corporation (the “Corporation”) and the individual identified in Schedule A hereto, an employee of the Corporation or its Subsidiaries (the “Grantee”). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the “Plan”).

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals performance shares, each such performance share being equal in value to one share of the Corporation’s common stock, par value of \$0.005 per share (the “Common Shares”); and

WHEREAS, the Board has determined that it is desirable and in the best interests of the Corporation and its stockholders to approve a long-term incentive program and, in connection therewith, to grant the Grantee a certain number of performance shares, in order to provide the Grantee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

**1. Grant of Performance Shares.**

(a) Subject to the terms of the Plan, the Corporation hereby grants to the Grantee the number of performance shares (the “Performance Shares”) set forth in Schedule A, payment of which depends on the Corporation’s performance as set forth in this Agreement and in the Statement of Performance Goals attached hereto and incorporated herein by this reference (the “Statement of Performance Goals”) approved by the Compensation Committee of the Board (the “Committee”).

(b) The Grantee’s right to receive all or any portion of the Performance Shares will be contingent upon the achievement of certain management objectives (the “Management Objectives”), as set forth in the Statement of Performance Goals. The achievement of the Management Objectives will be measured during the performance period set forth on the Statement of Performance Goals.

(c) The Management Objectives for the Performance Period will be as set forth on the Statement of Performance Goals.

**2. Earning of Performance Shares.**

(a) **Threshold Level Requirement.** If, upon the conclusion of the Performance Period, any of the Management Objectives fall below the threshold levels set forth in the performance matrix contained in the Statement of Performance Goals (the “Performance Matrix”), none of the Performance Shares shall become earned.

(b) **Earning Calculation.** If, upon the conclusion of the Performance Period, the Management Objectives equal or exceed the threshold levels set forth in the Performance Matrix, a proportionate number of the Performance Shares shall become earned, as determined by mathematical interpolation and rounded up to the nearest whole share.

(c) **Modification.** If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Corporation, the manner in which it conducts business or other events or circumstances render the Management Objectives to be unsuitable, the Committee may modify such Management Objectives or the related levels of achievement, in whole or in part, as the Committee deems appropriate; provided, however, that in the case of an award to a Covered Employee intended to qualify for an exemption under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), no such action may result in the loss of the otherwise available exemption of the award under Section 162(m).

(d) **Conditions; Determination of Earned Award.** Except as otherwise provided herein, the Grantee's right to receive any Performance Shares is contingent upon his or her remaining in the continuous employ of the Corporation or a Subsidiary through the end of the Performance Period. For purposes of this Agreement, the continuous employ of the Grantee shall not be considered interrupted or terminated in the case of transfers between locations of the Corporation and its Subsidiaries. Following the Performance Period, with respect to Grantees that are Covered Employees, the Committee shall certify that the Management Objectives have been satisfied and shall determine the number of Performance Shares that shall have become earned hereunder. In all circumstances, the Committee shall have the ability and authority to reduce, but not increase, the amount of Performance Shares that become earned hereunder.

**3. Retirement, Disability, Death or Termination without Cause.** If the Grantee's employment with the Corporation or a Subsidiary terminates following completion of the first full fiscal quarter of the Performance Period but before the payment of the Performance Shares as set forth in Section 6 below due to (a) the Grantee's retirement approved by the Corporation, (b) Disability (as defined below), (c) death or (d) a termination by the Corporation without cause, the Corporation shall pay to the Grantee or his or her executor or administrator, as the case may be, at the time specified in Section 6, a number of Performance Shares equal to (i) the number of Performance Shares to which the Grantee would have been entitled under Section 2 above based on the performance of the Corporation for the full Performance Period, multiplied by (ii) a fraction, the numerator of which is the number of full fiscal quarters the Grantee was employed during the Performance Period and the denominator of which is the number of full fiscal quarters in the Performance Period. The remaining Performance Shares shall be forfeited. For purposes of this Agreement, "Disability" means the Grantee's permanent and total disability as defined in Section 22(e)(3) of the Code.

**4. Other Termination.** If the Grantee's employment with the Corporation or a Subsidiary terminates before the payment of the Performance Shares as provided in Section 6 hereof for any reason other than as set forth in Section 3 above, the Performance Shares will be forfeited.

**5. Leaves of Absence.** If the Grantee was on short-term disability, long-term disability or unpaid leave of absence approved by the Corporation for more than thirty (30)

consecutive calendar days during any fiscal quarter during Performance Period, the number of Performance Shares earned by the Grantee will be reduced such that the Grantee will only be entitled to (i) the number of Performance Shares to which the Grantee would have been entitled under Section 2 above based on the performance of the Corporation during the Performance Period, multiplied by (ii) a fraction, the numerator of which is the number of fiscal quarters the Grantee was employed during the Performance Period (excluding any fiscal quarters during which the Grantee was on a leave of absence for more than thirty (30) consecutive calendar days) and the denominator of which is the number of full fiscal quarters in the Performance Period.

**6. Payment of Performance Shares.** Payment of any Performance Shares that become earned as set forth herein will be made in the form of Common Shares, in cash, or in a combination of the two, as determined in the sole discretion of the Committee. Payment will be made as soon as practicable after the receipt of audited financial statements of the Corporation relating to the last fiscal year of the Performance Period and with respect to Covered Employees, the determination by the Committee of the level of attainment of the Management Objectives. Performance Shares will be forfeited if they are not earned at the end of the Performance Period and, except as otherwise provided in this Agreement, if the Grantee ceases to be employed by the Corporation or a Subsidiary at any time prior to such shares becoming earned.

**7. Withholding of Taxes.**

(a) The Grantee shall be liable for any and all federal, state, local or non-US taxes applicable to the Grantee, including, without limitation, withholding taxes, social security/national insurance contributions and employment taxes, arising out of this grant of Performance Shares, the issuance of Common Shares as payment for earned Performance Shares hereunder or the payment of cash for earned Performance Shares. In the event that the Corporation or the Grantee's employer (the "Employer") is required to withhold taxes as a result of the grant of the Performance Shares, the issuance of Common Shares as payment for earned Performance Shares or the payment of cash for earned Performance Shares, the Grantee shall at the election of the Corporation, in its sole discretion, either (i) surrender a sufficient number of whole Common Shares, having a Market Value per Share on the date such Performance Shares become taxable equal to the amount of such taxes, or (ii) make a cash payment, as necessary to cover all applicable required withholding taxes and required social security/national insurance contributions on the date such Performance Shares become taxable, unless the Corporation, in its sole discretion, has established alternative procedures for such payment. If the number of shares required to cover all applicable withholding taxes and required social security/national insurance contributions includes a fractional share, then Grantee shall deliver cash in lieu of such fractional share. All matters with respect to the total amount to be withheld shall be determined by the Corporation in its sole discretion.

(b) Regardless of any action the Corporation or the Grantee's Employer takes with respect to any or all income tax, social security/national insurance, payroll tax, payment on account or other tax-related withholding ("Tax-Related Items"), the Grantee acknowledges and agrees that the ultimate liability for all Tax-Related Items legally due by him is and remains the Grantee's responsibility and that the Corporation and or the Employer (i) make no representations nor undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of this grant of Performance Shares, including the grant of Performance Shares,

the issuance of Common Shares as payment for earned Performance Shares, the payment of cash for earned Performance Shares or the subsequent sale of any Common Shares issued hereunder and receipt of any dividends; and (ii) do not commit to structure the terms or any aspect of this grant of Performance Shares to reduce or eliminate the Grantee's liability for Tax-Related Items. The Grantee shall pay the Corporation or the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold as a result of the Grantee's participation in the Plan or the Grantee's grant of Performance Shares, the Common Shares issued as payment for earned Performance Shares or the payment of cash for earned Performance Shares that cannot be satisfied by the means previously described above in Section 7(a). The Corporation may refuse to issue Common Shares as payment of earned Performance Shares related thereto if the Grantee fails to comply with the Grantee's obligations in connection with the Tax-Related Items.

**8. Forfeiture and Right of Recoupment.** Notwithstanding anything contained herein to the contrary, by accepting these Performance Shares, Grantee understands and agrees that if (a) the Corporation is required to restate its consolidated financial statements because of material noncompliance due to irregularities with the federal securities laws, which restatement is due, in whole or in part, to the misconduct of Grantee, or (b) it is determined that the Grantee has otherwise engaged in misconduct (whether or not such misconduct is discovered by the Corporation prior to the termination of Grantee's employment), the Corporation may take such action with respect to the Performance Shares as the Corporation, in its sole discretion, deems necessary or appropriate and in the best interest of the Corporation and its stockholders. Such action may include, without limitation, causing the forfeiture of unearned Performance Shares, requiring the transfer of ownership back to the Corporation of Common Shares issued as payment for earned Performance Shares and still held by the Grantee, cash received by the Grantee as payment for earned Performance Shares and the recoupment of any proceeds from the sale of Common Shares issued as payment for Performance Shares earned pursuant to this Agreement. For purposes of this Section 8, "misconduct" shall mean a deliberate act or acts of dishonesty or misconduct which either (i) were intended to result in substantial personal enrichment to the Grantee at the expense of the Corporation or (ii) have a material adverse effect on the Corporation. Any determination hereunder, including with respect to Grantee's misconduct, shall be made by the Board or its designee in its sole discretion. Notwithstanding any provisions herein to the contrary, Grantee expressly acknowledges and agrees that the rights of the Corporation set forth in this Section 8 shall continue after Grantee's employment with the Corporation or its Subsidiary is terminated, whether termination is voluntary or involuntary, with or without cause, and shall be in addition to every other right or remedy at law or in equity that may otherwise be available to the Corporation.

**9. Cash Dividends.** Cash dividends on the Performance Shares covered by this Agreement shall be sequestered by the Corporation from and after the Grant Date until such time as any of such Performance Shares become earned in accordance with this Agreement, whereupon such dividends shall be converted into a number of Common Shares (based on the Market Value per Share on the date such Performance Shares become earned) to the extent such dividends are attributable to Performance Shares that have become earned. To the extent that Performance Shares covered by this Agreement are forfeited, all of the dividends sequestered with respect to such Performance Shares shall also be forfeited. No interest shall be payable with respect to any such dividends.

10. **Non-Assignability.** The Performance Shares and the Common Shares subject to this grant of Performance Shares are personal to the Grantee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Grantee until they become earned as provided in this Agreement; provided, however, that the Grantee's rights with respect to such Performance Shares and Common Shares may be transferred by will or pursuant to the laws of descent and distribution or pursuant to a domestic relations order (within the meaning of Rule 16a-12 under the Securities Exchange Act of 1934, as amended). Any purported transfer or encumbrance in violation of the provisions of this Section 10, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Performance Shares or Common Shares.

11. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Grantee. This Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Grantee).

12. **Consent To Transfer Personal Data.** By accepting these Performance Shares, Grantee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 12. Grantee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Grantee's ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Grantee, that may include Grantee's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan ("Data"). The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Grantee's participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan. These recipients may be located throughout the world, including the United States. Grantee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing Grantee's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Grantee's behalf by a broker or other third party with whom Grantee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Grantee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Grantee's ability to participate in the Plan.

13. **Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, decide to deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting the Performance Shares, electronically or otherwise,

Grantee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

14. **Miscellaneous.**

(a) The Performance Shares granted pursuant to this Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Grantee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Agreement by reference and shall be deemed to be a part of this Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Agreement. In the event that there is any inconsistency between the provisions of this Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Agreement shall be binding and conclusive on the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Performance Shares is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Grantee's terms and conditions of employment, nor shall any provision be construed to confer upon the Grantee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Grantee at any time, or to terminate any employment or other relationship between the Grantee and the Corporation or any Subsidiary.

(d) This Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Grantee's rights under this Agreement without the

Grantee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Grantee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Grantee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Grantee. Any notice hereunder by the Corporation to the Grantee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Grantee at Grantee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Grantee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Grantee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Agreement, the Plan, any Change-in-Control Employment Agreement between the Corporation and the Grantee, and, in the case of the Corporation's Chief Executive Officer only, the Amended and Restated Employment Agreement entered into effective as January 7, 2016, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

(k) In the event that it is determined that the Grantee was not eligible to receive this award of Performance Shares, the award of Performance Shares and this Agreement shall be null and void and of no further effect.

(l) This Agreement will be deemed to be signed by the Corporation and Grantee upon Grantee's acceptance of the Notice of Grant of Award attached as Schedule A.

Schedule A  
(Attached)

**NONQUALIFIED STOCK OPTION AGREEMENT**

THIS STOCK OPTION AGREEMENT (this "Option Agreement") is made as of the date set forth in Schedule A hereto (the "Grant Date") by and between ACI Worldwide, Inc., a Delaware corporation (the "Corporation") and the individual identified in Schedule A hereto, an employee of the Corporation or its Subsidiaries (the "Optionee"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the "Plan").

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals options for the purchase of shares of the Corporation's common stock, par value of \$0.005 per share (the "Stock"); and

WHEREAS, the Board has determined that it is desirable and in the best interests of the Corporation and its stockholders to grant the Optionee an option to purchase a certain number of shares of Stock, in order to provide the Optionee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

1. **Grant of Non-Qualified Stock Option.** Subject to the terms of the Plan, the Corporation hereby grants to the Optionee the right and option (the "Option") to purchase from the Corporation, on the terms and subject to the conditions set forth in this Option Agreement, the number of shares of Stock (the "Option Shares") set forth in Schedule A. The Date of Grant of this Option is the Grant Date (defined above). **This Option shall not constitute an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code").**

2. **Exercise Price.** The exercise price for the shares of Stock subject to the Option granted by this Option Agreement is the price per share set forth in Schedule A (the "Exercise Price").

3. **Exercise of Option.** Subject to the provisions of the Plan and subject to the earlier expiration or termination of this Option in accordance with its terms, the Option granted pursuant to this Option Agreement shall be exercisable only as follows:

**3.1. Time of Exercise of Option**

3.1.1 The Option shall become exercisable with respect to the Option Shares only as follows: One-third of the Option Shares shall become exercisable on each of the first three anniversaries of the Date of Grant if the Optionee shall have remained in the continuous employ of the Corporation or any of its Subsidiaries as of each such date.

3.1.2 Notwithstanding Section 3.1.1 above, in accordance with the provisions of the Plan, if the Optionee ceases to be an employee of the Corporation or a Subsidiary of

the Corporation by reason of Disability (as defined in Section 3.3.2 below), the unexercised portion of any Option held by such Optionee at that time will become immediately vested and will be exercisable until terminated in accordance with Section 3.3 below.

3.1.3 Notwithstanding Section 3.1.1 above, in accordance with the provisions of the Plan, if the Optionee dies while employed by the Corporation or a Subsidiary of the Corporation (or dies within a period of one month after ceasing to be an employee for any reason other than Disability or within a period of one year after ceasing to be an employee by reason of Disability), the unexercised portion of any Option held by such Optionee at the time of death will become immediately vested and will be exercisable until terminated in accordance with Section 3.3 below.

### **3.2. Limitations**

The portion of the Option that has not become exercisable as of the date of the Optionee's termination of employment with the Corporation or any of its Subsidiaries for any reason shall automatically terminate as of the date of the Optionee's termination of employment with the Corporation or its Subsidiaries and shall not become exercisable after such termination. To the extent the Option is exercisable, it may be exercised, in whole or in part; provided, that no single exercise of the Option shall be for less than 100 shares, unless at the time of the exercise, the maximum number of shares available for purchase under this Option is less than 100 shares. In no event shall the Option be exercised for a fractional share.

### **3.3. Termination of Option**

This Agreement and the Option granted hereby shall terminate automatically and without further notice on the earliest of the following dates:

3.3.1. 90 calendar days from the date of the Optionee's termination of employment with the Corporation or a Subsidiary for any reason other than death or Disability (as defined below);

3.3.2. one year after the Optionee's permanent and total disability as defined in Section 22(e)(3) of the Code ("Disability");

3.3.3. one year after the Optionee's death, if such death occurs (i) while the Optionee is employed by the Corporation or a Subsidiary, (ii) within the 90-day period following the Optionee's termination of employment for any reason other than Disability; or (iii) within the one-year period following the Optionee's termination of employment by reason of the Optionee's Disability; or

3.3.4. ten years from the Date of Grant.

The Corporation shall have the authority to determine the date an Optionee ceases to be an employee by reason of Disability. In the case of death, the Option may be exercised by the executor or administrator of the Optionee's estate or by any person or persons who shall have acquired the Option directly from the Optionee by bequest or inheritance. The Optionee shall be

deemed to be an employee of the Corporation or any Subsidiary if on a leave of absence approved by the Board and the continuous employment of the Optionee with the Corporation or any of its Subsidiaries will not be deemed to have been interrupted, and the Optionee shall not be deemed to have ceased to be an employee of the Corporation or its Subsidiaries, by reason of the transfer of the Optionee's employment among the Corporation and its Subsidiaries.

### 3.4. Limitations on Exercise of Option

In no event may the Option be exercised, in whole or in part, after the occurrence of an event which results in termination of the Option, as set forth in Section 3.3 above. The Option shall not be exercisable if and to the extent the Corporation determines such exercise or method of exercise would violate applicable securities laws, the rules and regulations of any securities exchange or quotation system on which the Stock is listed, or the Corporation's policies and procedures.

### 3.5. Method of Exercise of Option

3.5.1. To the extent then exercisable, the Option may be exercised in whole or in part by written notice to the Corporation stating the number of shares for which the Option is being exercised and the intended manner of payment. The date of such notice shall be the exercise date. Payment equal to the aggregate Exercise Price of the shares shall be payable (i) in cash in the form of currency or check or other cash equivalent acceptable to the Corporation, (ii) by actual or constructive transfer to the Corporation of non-forfeitable, outstanding shares of Stock that have been owned by the Optionee for at least six months prior to the date of exercise, (iii) by any combination of the foregoing methods of payment or (iv) in accordance with such other method or manner as set forth below.

(a) Cash Exercise (to exercise and retain the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the Corporation, at its principal office, addressed to the attention of Stock Plan Administration, or to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised, and shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised plus the full amount of all applicable withholding taxes due on the Option exercise. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option shall be made either in cash or by certified check payable to the order of the Corporation. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate or certificates for the shares of Stock being purchased.

(b) Same-Day-Sale Exercise (to exercise and immediately sell all the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell all of the shares of Stock to be issued upon exercise and (2) remit to the Corporation the portion of the sale proceeds sufficient to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell the shares on the Optionee's behalf. Payment of the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage fees, transfer fees, and all applicable taxes due on the Option exercise, shall be deducted from the proceeds of the sale of the shares. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option the net proceeds from the sale of the shares of Stock being exercised and sold.

(c) Sell-to-Cover Exercise (to exercise and immediately sell a portion of the Option Shares): Subject to the terms and conditions of this Option Agreement and the Plan, the Option may be exercised by delivering written notice of exercise to the agent/broker designated by the Corporation, which notice shall specify the number of shares for which the Option is being exercised and irrevocable instructions to promptly (1) sell the portion (which must be a whole number) of the shares of Stock to be issued upon exercise sufficient to generate proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option, any brokerage or transfer fees, and all applicable taxes due on the Option exercise (collectively the "Exercise Costs") and (2) remit to the Corporation a sufficient portion of the sale proceeds to pay the Exercise Price for the shares of Stock purchased pursuant to the exercise of the Option and all applicable taxes due on the Option exercise. The agent/broker shall request issuance of the shares and immediately and concurrently sell on the Optionee's behalf only such number of the Shares as is required to generate proceeds sufficient to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the Corporation shall deliver to the person exercising the Option a certificate for the shares of Stock issued upon exercise which are not sold to pay the Exercise Costs. Promptly after exercise of the Option as provided for above, the agent/broker shall deliver to the person exercising the Option any net proceeds from the sale of the Shares in excess of the Exercise Costs. If the person exercising the Option is not the Optionee, such person shall also deliver with the notice of exercise appropriate proof of his or her right to exercise the Option, as the Corporation may require in its sole discretion.

3.5.2. As soon as practicable upon the Corporation's receipt of the Optionee's notice of exercise and payment, the Corporation shall direct the due issuance of the shares so purchased.

3.5.3. As a further condition precedent to the exercise of this Option in whole or in part, the Optionee shall comply with all regulations and the requirements of any regulatory authority having control of, or supervision over, the issuance of the shares of Stock and in connection therewith shall execute any documents which the Board shall in its sole discretion deem necessary or advisable.

### **3.6. Forfeiture and Right of Recoupment.**

Notwithstanding anything contained herein to the contrary, by accepting this Option, Optionee understands and agrees that if (a) the Corporation is required to restate its consolidated financial statements because of material noncompliance due to irregularities with the federal securities laws, which restatement is due, in whole or in part, to the misconduct of Optionee, or (b) it is determined that the Optionee has otherwise engaged in misconduct (whether or not such misconduct is discovered by the Corporation prior to the termination of Optionee's employment), the Corporation may take such action with respect to the Option as the Corporation, in its sole discretion, deems necessary or appropriate and in the best interest of the Corporation and its stockholders. Such action may include, without limitation, causing the forfeiture or cancellation of the unvested and/or vested portion of the Option and the recoupment of any proceeds from the exercise or vesting of the Option and/or the sale of Option Shares issued pursuant to this Agreement. For purposes of this Section 3.6, "misconduct" shall mean a deliberate act or acts of dishonesty or misconduct which either (i) were intended to result in substantial personal enrichment to the Optionee at the expense of the Corporation or (ii) have a material adverse effect on the Corporation. Any determination hereunder, including with respect to Optionee's misconduct, shall be made by the Board or its designee in its sole discretion. Notwithstanding any provisions herein to the contrary, Optionee expressly acknowledges and agrees that the rights of the Corporation set forth in this Section 3.6 shall continue after Optionee's employment with the Corporation or its Subsidiary is terminated, whether termination is voluntary or involuntary, with or without cause, and shall be in addition to every other right or remedy at law or in equity that may otherwise be available to the Corporation.

4. **Withholding of Taxes.** If the Corporation shall be required to withhold any federal, state, local or foreign tax in connection with exercise of this Option, it shall be a condition to such exercise that the Optionee pay or make provision satisfactory to the Corporation for payment of all such taxes. The Optionee may elect that all or any part of such withholding requirement be satisfied by retention by the Corporation of a portion of the shares purchased upon exercise of this Option. If such election is made, the shares so retained shall be credited against such withholding requirement at the fair market value on the date of exercise.

5. **Non-Assignability.** The Option is personal to the Optionee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Optionee; provided, however, that the Optionee's rights with respect to the Option may be

transferred by will or pursuant to the laws of descent and distribution or pursuant to a domestic relations order (within the meaning of Rule 16a-12 under the Securities Exchange Act of 1934, as amended). Any purported transfer or encumbrance in violation of the provisions of this Section, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Option.

**6. Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Option Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to Optionee. This Option Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Option Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Optionee).

**7. Consent To Transfer Personal Data.** By accepting the Options, Optionee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 6. Optionee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Optionee's ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Optionee, that may include Optionee's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan ("Data"). The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Optionee's participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan. These recipients may be located throughout the world, including the United States. Optionee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing Optionee's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Optionee's behalf by a broker or other third party with whom Optionee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Optionee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Optionee's ability to participate in the Plan.

**8. Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, decide to deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting or exercising this Option, electronically or otherwise, Optionee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

9. Miscellaneous.

(a) The Options granted pursuant to this Option Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Optionee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Option Agreement by reference and shall be deemed to be a part of this Option Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Option Agreement. In the event that there is any inconsistency between the provisions of this Option Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Option Agreement shall be binding and conclusive on the Optionee, the Optionee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Options is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Optionee's terms and conditions of employment, nor shall any provision be construed to confer upon the Optionee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Optionee at any time, or to terminate any employment or other relationship between the Optionee and the Corporation or any Subsidiary.

(d) This Option Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Optionee, the Optionee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Option Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Option Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Option Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Option Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Optionee's rights under this Option Agreement without the Optionee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Optionee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Optionee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Optionee. Any notice hereunder by the Corporation to the Optionee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Optionee at Optionee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Optionee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Optionee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Option Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Option Agreement, the Plan, any Change-in-Control Employment Agreement between the Corporation and the Optionee, and, in the case of the Corporation's Chief Executive Officer only, the Amended and Restated Employment Agreement entered into effective as January 7, 2016, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

(k) In the event that it is determined that the Optionee was not eligible to receive this Option, the Option and this Option Agreement shall be null and void and of no further effect.

(l) This Option Agreement will be deemed to be signed by the Corporation and Optionee upon Optionee's acceptance of the Notice of Grant of Stock Options attached as Schedule A.

Schedule A  
(Attached)

**RESTRICTED SHARE AWARD AGREEMENT**

THIS RESTRICTED SHARE AWARD AGREEMENT (this "Agreement") is made as of the date set forth in Schedule A hereto (the "Grant Date") by and between ACI Worldwide, Inc., a Delaware corporation (the "Corporation") and the individual identified in Schedule A hereto, an employee of the Corporation or its Subsidiaries (the "Grantee"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the "Plan").

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals restricted shares of the Corporation's common stock, par value of \$0.005 per share (the "Common Shares"); and

WHEREAS, the Board has determined that it is desirable and in the best interests of the Corporation and its stockholders to grant the Grantee a certain number of restricted shares of the Corporation's Common Shares in order to provide the Grantee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties hereto do hereby agree as follows:

**1. Grant of Restricted Shares.**

(a) Subject to the terms of the Plan, the Corporation hereby grants to the Grantee an award (the "Award") of the number of Common Shares (the "Shares" or the "Restricted Shares") set forth in Schedule A.

(b) The Grantee's rights with respect to the Award shall remain forfeitable at all times prior to the dates on which the restrictions shall lapse in accordance with Sections 2 and 3 hereof.

**2. Terms and Rights as a Stockholder.**

(a) Except as provided herein and subject to such other exceptions as may be determined by the Board in its discretion, the Restricted Shares shall vest and the "Restricted Period" for such Restricted Shares shall expire as to the increments set forth in Schedule A.

(b) The Grantee shall have all rights of a stockholder with respect to the Restricted Shares, including the right to receive dividends and the right to vote such Shares, subject to the following restrictions:

- (i) the Grantee shall not be entitled to delivery of any Shares until the expiration of the Restricted Period as to such Shares;

- (ii) none of the Restricted Shares may be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of during the Restricted Period as to such Shares; and
- (iii) except as otherwise determined by the Board at or after the grant of the Award hereunder, if the Grantee's employment with the Corporation or any Subsidiary is terminated at any time for any reason, any of the Restricted Shares as to which the Restricted Period has not expired shall be forfeited, and all rights of the Grantee to such Shares shall terminate, without further obligation on the part of the Corporation and ownership of all such forfeited Restricted Shares shall be transferred back to the Corporation.

Any Shares, any other securities of the Corporation and any other property (except for cash dividends) distributed with respect to the Restricted Shares shall be subject to the same restrictions, terms and conditions as such Restricted Shares.

In order to facilitate the transfer back to the Corporation of any Restricted Shares that are forfeited and cancelled as described herein, including a transfer as payment of required withholding taxes as set forth in Section 7 of this Agreement or pursuant to Section 6 below, Grantee shall, upon the request of the Corporation, provide a stock power or other instrument of assignment (including a power of attorney) endorsed in blank, with a guarantee of signature if deemed necessary or appropriate by the Corporation.

(c) Notwithstanding the foregoing, the Restricted Shares shall vest and the Restricted Period shall automatically terminate as to all Restricted Shares awarded hereunder (as to which such Restricted Period has not previously terminated) upon the termination of the Grantee's employment with the Corporation or a Subsidiary which results from the Grantee's death or Disability (as defined in Section 22(e)(3) of the Internal Revenue Code of 1986, as amended, the "Code").

### **3. Termination of Restrictions.**

(a) Upon the expiration or termination of the Restricted Period as to any portion of the Restricted Shares, or at such earlier time as may be determined by the Board, all restrictions set forth in this Agreement or in the Plan relating to such portion of the Restricted Shares shall lapse as to such portion of the Restricted Shares, and the appropriate number of Shares, free of the restrictions and restrictive stock legend or notation, as applicable, shall be delivered to the Grantee or the Grantee's beneficiary or estate, as the case may be, pursuant to the terms of this Agreement.

(b) Notwithstanding the foregoing, the expiration or termination of the Restricted Period as to any portion of Restricted Shares shall be delayed in the event the Corporation reasonably anticipates that the expiration or termination of the Restricted Period, or the delivery of unrestricted Shares would constitute a violation of federal securities laws or other applicable law. If the expiration or termination of the Restricted Period, or the delivery of

unrestricted Shares, is delayed by the provisions of this Section 3(b), such expiration, termination and/or delivery shall occur at the earliest date at which the Corporation reasonably anticipates such expiration, termination or delivery will not cause a violation of federal securities laws or other applicable law. For purposes of this Section 3(b), the delivery of Shares that would cause inclusion in gross income or the application of any penalty provision or other provision of the Code is not considered a violation of applicable law.

#### **4. Delivery of Shares.**

(a) As of the date hereof, the Restricted Shares shall be registered in the name of the Grantee and held by the Corporation or transferred to a custodian appointed by the Corporation for the account of the Grantee subject to the terms and conditions of the Plan and shall remain in the custody of the Corporation or such custodian until their delivery to the Grantee or Grantee's beneficiary or estate as set forth in Sections 4(b) and 4(c) hereof or their reversion to the Corporation as set forth in Sections 2(b)(iii) and 6 hereof.

(b) The Restricted Shares in respect of which the Restricted Period has lapsed pursuant to this Agreement shall be delivered to the Grantee as soon as practicable following the date on which the restrictions on such Restricted Shares lapse subject to Section 7 below. The Corporation shall issue the Restricted Shares either (i) in certificate form or (ii) in book entry form, registered in the name of the Grantee, with legends, or notations, as applicable, referring to the terms, conditions and restrictions applicable to the Award.

(c) Restricted Shares in respect of which the Restricted Period lapsed upon the Grantee's death shall be delivered to the executors or administrators of the Grantee's estate in the manner described in Section 4(b) as soon as practicable following the receipt of proof of the Grantee's death satisfactory to the Corporation subject to Section 7 below.

(d) Any certificate issued representing Restricted Shares shall bear a legend in substantially the following form:

THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE AND RESTRICTIONS AGAINST TRANSFER) CONTAINED IN THE ACI WORLDWIDE, INC. 2016 EQUITY AND PERFORMANCE INCENTIVE PLAN (THE "PLAN") AND THE RESTRICTED SHARE AWARD AGREEMENT (THE "AGREEMENT") BETWEEN THE OWNER OF THE RESTRICTED SHARES REPRESENTED HEREBY AND ACI WORLDWIDE, INC. (THE "CORPORATION"). THE RELEASE OF SUCH SHARES FROM SUCH TERMS AND CONDITIONS SHALL BE MADE ONLY IN ACCORDANCE WITH THE PROVISIONS OF THE PLAN AND THE AGREEMENT, COPIES OF WHICH ARE ON FILE AT THE CORPORATION.

5. **Effect of Lapse of Restrictions.** To the extent that the Restricted Period applicable to any Restricted Shares shall have lapsed, the Grantee may receive, hold, sell or otherwise dispose of such Shares free and clear of the restrictions imposed under the Plan and this Agreement subject to the rights of the Corporation for recoupment set forth in Section 6 below.

**6. Forfeiture and Right of Recoupment.** Notwithstanding anything contained herein to the contrary, by accepting this Award, Grantee understands and agrees that if (a) the Corporation is required to restate its consolidated financial statements because of material noncompliance due to irregularities with the federal securities laws, which restatement is due, in whole or in part, to the misconduct of Grantee, or (b) it is determined that the Grantee has otherwise engaged in misconduct (whether or not such misconduct is discovered by the Corporation prior to the termination of Grantee's employment), the Corporation may take such action with respect to the Award as the Corporation, in its sole discretion, deems necessary or appropriate and in the best interest of the Corporation and its stockholders. Such action may include, without limitation, causing the forfeiture of unvested Restricted Shares, requiring the transfer of ownership back to the Corporation of unrestricted Shares issued hereunder and still held by the Grantee and the recoupment of any proceeds from the vesting of Restricted Shares or the sale of unrestricted Shares issued pursuant to this Agreement. For purposes of this Section 6, "misconduct" shall mean a deliberate act or acts of dishonesty or misconduct which either (i) were intended to result in substantial personal enrichment to the Grantee at the expense of the Corporation or (ii) have a material adverse effect on the Corporation. Any determination hereunder, including with respect to Grantee's misconduct, shall be made by the Board or its designee in its sole discretion. Notwithstanding any provisions herein to the contrary, Grantee expressly acknowledges and agrees that the rights of the Corporation set forth in this Section 6 shall continue after Grantee's employment with the Corporation or its Subsidiary is terminated, whether termination is voluntary or involuntary, with or without cause, and shall be in addition to every other right or remedy at law or in equity that may otherwise be available to the Corporation.

**7. Withholding of Taxes.**

(a) The Grantee shall be liable for any and all taxes, including withholding taxes, arising out of this grant or the vesting of Restricted Shares hereunder. In the event that the Corporation or the Grantee's employer (the "Employer") is required to withhold taxes as a result of the grant or vesting or subsequent sale of Shares hereunder, the Grantee shall at the election of the Corporation, in its sole discretion, either (i) surrender a sufficient number of whole Shares for which the Restricted Period has expired or other Common Shares owned by the Grantee, having a fair market value, as determined by the Corporation on the last day of the Restricted Period equal to the amount of such taxes, or (ii) make a cash payment, as necessary to cover all applicable required withholding taxes and required social security/insurance contributions at the time the restrictions on the Restricted Shares lapse, unless the Corporation, in its sole discretion, has established alternative procedures for such payment. If the number of shares required to cover all applicable withholding taxes and required social security/insurance contributions includes a fractional share, then Grantee shall deliver cash in lieu of such fractional share. All matters with respect to the total amount to be withheld shall be determined by the Corporation in its sole discretion.

(b) Regardless of any action the Corporation or the Grantee's Employer takes with respect to any or all income tax, social security/insurance, payroll tax, payment on account

or other tax-related withholding (“Tax-Related Items”), the Grantee acknowledges and agrees that the ultimate liability for all Tax-Related Items legally due by him is and remains the Grantee’s responsibility and that the Corporation and or the Employer (i) make no representations nor undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of this grant of Restricted Shares, including the grant, vesting or release, the subsequent sale of Shares and receipt of any dividends; and (ii) do not commit to structure the terms or any aspect of this grant of Restricted Shares to reduce or eliminate the Grantee’s liability for Tax-Related Items. The Grantee shall pay the Corporation or the Employer any amount of Tax-Related Items that the Corporation or the Employer may be required to withhold as a result of the Grantee’s participation in the Plan or the Grantee’s receipt of Restricted Shares that cannot be satisfied by the means previously described above in Section 7(a). The Corporation may refuse to deliver the Shares related thereto if the Grantee fails to comply with the Grantee’s obligations in connection with the Tax-Related Items.

(c) Grantee will notify the Corporation in writing if he or she files an election pursuant to Section 83(b) of the Code. The Grantee understands that he or she should consult with his or her tax advisor regarding the advisability of filing with the Internal Revenue Service an election under 83(b) of the Code, which must be filed no later than thirty (30) days after the date of the acquisition of the Shares pursuant to this Agreement, the Grant Date. This time period cannot be extended. The Grantee acknowledges that timely filing of a Section 83(b) election is the Grantee’s sole responsibility.

8. **Non-Assignability.** The Restricted Shares are personal to the Grantee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Grantee until the Restricted Period expires or terminates as provided in this Agreement; provided, however, that the Grantee’s rights with respect to such Restricted Shares may be transferred by will or pursuant to the laws of descent and distribution. Any purported transfer or encumbrance in violation of the provisions of this Section 8, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Restricted Shares.

9. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Grantee. This Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Grantee).

10. **Consent To Transfer Personal Data.** By accepting these Restricted Shares, Grantee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 10. Grantee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Grantee’s ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Grantee, that may include Grantee’s name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any

entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan (“Data”). The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Grantee’s participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan. These recipients may be located throughout the world, including the United States. Grantee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purpose of implementing, administering and managing Grantee’s participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Grantee’s behalf by a broker or other third party with whom Grantee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Grantee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Grantee’s ability to participate in the Plan.

11. **Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, decide to deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting the Restricted Shares, electronically or otherwise, Grantee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

12. **Miscellaneous.**

(a) The Restricted Shares granted pursuant to this Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Grantee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Agreement by reference and shall be deemed to be a part of this Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Agreement. In the event that there is any inconsistency between the provisions of this Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Agreement shall be binding and conclusive on the Grantee, the Grantee’s estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Restricted Shares is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Grantee’s terms and conditions of employment, nor shall any provision be construed to confer upon the Grantee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Grantee at any time, or to terminate any employment or other relationship between the Grantee and the Corporation or any Subsidiary.

(d) This Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Grantee's rights under this Agreement without the Grantee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Grantee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Grantee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Grantee. Any notice hereunder by the Corporation to the Grantee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Grantee at Grantee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Grantee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Grantee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Agreement, the Plan, any Change-in-Control Employment Agreement between the Corporation and the Grantee, and, in the case of Corporation's Chief Executive Officer only, the Amended and Restated Employment Agreement entered into effective as January 7, 2016, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

(k) In the event that it is determined that the Grantee was not eligible to receive this award of Restricted Shares, the award of Restricted Shares and this Agreement shall be null and void and of no further effect.

(l) This Agreement will be deemed to be signed by the Corporation and Grantee upon Grantee's acceptance of the Notice of Grant of Award attached as Schedule A.

**RESTRICTED SHARE AWARD AGREEMENT**  
**Non-Employee Director**

THIS RESTRICTED SHARE AWARD AGREEMENT (this "Agreement") is made as of the date set forth in Schedule A hereto (the "Grant Date"), between ACI Worldwide, Inc., a Delaware corporation (the "Corporation"), and the individual identified in Schedule A hereto, a Non-Employee Director of the Corporation or its Subsidiaries (the "Grantee"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the ACI Worldwide, Inc. 2016 Equity and Performance Incentive Plan (the "Plan").

WHEREAS, the Board has duly adopted, and the stockholders of the Corporation have approved, the Plan, which authorizes the Corporation to grant to eligible individuals restricted shares of the Corporation's common stock, par value of \$0.005 per share (the "Common Shares"); and

WHEREAS, the Corporation has determined that it is desirable and in the best interests of the Corporation and its stockholders to grant the Grantee a certain number of restricted shares of the Corporation's Common Shares in order to provide the Grantee with an incentive to advance the interests of the Corporation, all according to the terms and conditions set forth herein and in the Plan.

NOW, THEREFORE, in consideration of the promises and covenants contained herein, the parties hereto do hereby agree as follows:

**1. Grant of Restricted Shares.**

(a) The Corporation hereby grants to the Grantee an award (the "Award") of the number of Common Shares (the "Shares" or the "Restricted Shares") set forth in Schedule A.

(b) The Grantee's rights with respect to the Award shall remain forfeitable at all times prior to the dates on which the restrictions shall lapse in accordance with Sections 2 and 3 hereof.

**2. Terms and Rights as a Stockholder.**

(a) Except as provided herein and subject to such other exceptions as may be determined by the Board in its discretion, the Restricted Shares shall vest and the "Restricted Period" for such Restricted Shares shall expire on the earlier to occur of (i) the date which is one year following the Grant Date and (ii) the day immediately prior to the date of the next annual meeting of the stockholders of the Corporation occurring following the Grant Date.

(b) The Grantee shall have all rights of a stockholder with respect to the Restricted Shares, including the right to receive dividends and the right to vote such Shares, subject to the following restrictions:

- (i) the Grantee shall not be entitled to delivery of any Shares until the expiration of the Restricted Period as to such Shares;

- (ii) none of the Restricted Shares may be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of during the Restricted Period as to such Shares; and
- (iii) except as otherwise determined by the Board at or after the grant of the Award hereunder, if the Grantee ceases to be a Non-Employee Director of the Corporation or any Subsidiary at any time for any reason, any of the Restricted Shares as to which the Restricted Period has not expired shall be forfeited, and all rights of the Grantee to such Shares shall terminate, without further obligation on the part of the Corporation and ownership of all such forfeited Restricted Shares shall be transferred back to the Corporation.

Any Shares, any other securities of the Corporation and any other property (except for cash dividends) distributed with respect to the Restricted Shares shall be subject to the same restrictions, terms and conditions as such Restricted Shares.

In order to facilitate the transfer back to the Corporation of any Restricted Shares that are forfeited and cancelled as described herein, including a transfer as payment of required withholding taxes as set forth in Section 7 of this Agreement, Grantee shall, upon the request of the Corporation, provide a stock power or other instrument of assignment (including a power of attorney) endorsed in blank, with a guarantee of signature if deemed necessary or appropriate by the Corporation.

(c) Notwithstanding the foregoing, the Restricted Shares shall vest and the Restricted Period shall automatically terminate as to all Restricted Shares awarded hereunder (as to which such Restricted Period has not previously terminated) if (i) the Grantee ceases to be a Non-Employee Director of the Corporation or a Subsidiary of the Corporation by reason of Disability (as defined in Section 22(e)(3) of the Internal Revenue Code of 1986, as amended the "Code"); (ii) the Grantee dies while serving as a Non-Employee Director of the Corporation or a subsidiary (or dies within a period of one month after termination of his service as a Non-Employee Director for any reason other than Disability or within a period of one year after his termination of service as a Non-Employee Director by reason of Disability); or (iii) there is a Change in Control (as defined in Section 6) if the Grantee is a Non-Employee Director of the Corporation or a Subsidiary on the date of such Change in Control.

### **3. Termination of Restrictions.**

(a) Upon the expiration or termination of the Restricted Period as to any portion of the Restricted Shares, or at such earlier time as may be determined by the Board, all restrictions set forth in this Agreement or in the Plan relating to such portion of the Restricted Shares shall lapse as to such portion of the Restricted Shares, and the appropriate number of Shares, free of the restrictions and restrictive stock legend or notation, as applicable, shall be delivered to the Grantee or the Grantee's beneficiary or estate, as the case may be, pursuant to the terms of this Agreement.

(b) Notwithstanding the foregoing, the expiration or termination of the Restricted Period as to any portion of Restricted Shares shall be delayed in the event the Corporation reasonably anticipates that the expiration or termination of the Restricted Period, or the delivery of unrestricted Shares would constitute a violation of federal securities laws or other applicable law. If the expiration or termination of the Restricted Period, or the delivery of unrestricted Shares, is delayed by the provisions of this Section 3(b), such expiration, termination and/or delivery shall occur at the earliest date at which the Corporation reasonably anticipates such expiration, termination or delivery will not cause a violation of federal securities laws or other applicable law. For purposes of this Section 3(b), the delivery of Shares that would cause inclusion in gross income or the application of any penalty provision or other provision of the Code is not considered a violation of applicable law.

#### **4. Delivery of Shares.**

(a) As of the date hereof, the Restricted Shares shall be registered in the name of the Grantee and held by the Corporation or transferred to a custodian appointed by the Corporation for the account of the Grantee subject to the terms and conditions of the Plan and shall remain in the custody of the Corporation or such custodian until their delivery to the Grantee or Grantee's beneficiary or estate as set forth in Sections 4(b) and (c) hereof or their reversion to the Corporation as set forth in Sections 2(b)(iii) and 6 hereof.

(b) The Restricted Shares in respect of which the Restricted Period has lapsed pursuant to this Agreement shall be delivered to the Grantee as soon as practicable following the date on which the restrictions on such Restricted Shares lapse subject to Section 7 below. The Corporation shall issue the Restricted Shares either (i) in certificate form or (ii) in book entry form, registered in the name of the Grantee, with legends, or notations, as applicable, referring to the terms, conditions and restrictions applicable to the Award.

(c) Restricted Shares in respect of which the Restricted Period lapsed upon the Grantee's death shall be delivered to the executors or administrators of the Grantee's estate in the manner described in Section 4(b) as soon as practicable following the receipt of proof of the Grantee's death satisfactory to the Corporation subject to Section 7 below.

(d) Any certificate issued representing Restricted Shares shall bear a legend in substantially the following form:

THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING FORFEITURE AND RESTRICTIONS AGAINST TRANSFER) CONTAINED IN THE ACI WORLDWIDE, INC. 2016 EQUITY AND PERFORMANCE INCENTIVE PLAN (THE "PLAN") AND THE RESTRICTED SHARE AWARD AGREEMENT (THE "AGREEMENT") BETWEEN THE OWNER OF THE RESTRICTED SHARES REPRESENTED HEREBY AND ACI WORLDWIDE, INC. (THE "CORPORATION"). THE RELEASE OF SUCH SHARES FROM SUCH TERMS AND CONDITIONS SHALL BE MADE ONLY IN ACCORDANCE WITH THE PROVISIONS OF THE PLAN AND THE AGREEMENT, COPIES OF WHICH ARE ON FILE AT THE CORPORATION.

**5. Effect of Lapse of Restrictions.** To the extent that the Restricted Period applicable to any Restricted Shares shall have lapsed, the Grantee may receive, hold, sell or otherwise dispose of such Shares free and clear of the restrictions imposed under the Plan and this Agreement.

**6. Change In Control.** For purposes of this Agreement, “Change in Control” means:

(a) Any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) (a “Person”) becomes the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of either (1) the then-outstanding shares of common stock of the Corporation (the “Outstanding Corporation Common Stock”) or (2) the combined voting power of the then-outstanding voting securities of the Corporation entitled to vote generally in the election of directors (the “Outstanding Corporation Voting Securities”); provided, however, that, for purposes of this definition of Change in Control, the following acquisitions shall not constitute a Change in Control: (a) any acquisition directly from the Corporation, (b) any acquisition by the Corporation, (c) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Corporation or any company controlled by, controlling or under common control with the Corporation, (d) any acquisition by any Person pursuant to a transaction that complies with Section 6(c) below; or (e) any acquisition of beneficial ownership of not more than 25% of the Outstanding Corporation Voting Securities by any Person that is entitled to and does report such beneficial ownership on Schedule 13G under the Exchange Act (a “13G Filer”), provided, however, that this clause (v) shall cease to apply when a Person who is a Schedule 13G Filer becomes required to file a Schedule 13D under the Exchange Act with respect to beneficial ownership of 20% or more of the Outstanding Corporation Common Stock or Outstanding Corporation Voting Securities. Notwithstanding any other provision hereof, if a Business Combination (as defined below) is completed during the Performance Period and the Outstanding Corporation Voting Securities are converted into voting securities of the Combined Corporation (as defined below), but such Business Combination does not constitute a “Change in Control” under Section 6(c) below, “Outstanding Corporation Voting Securities” shall thereafter mean voting securities of the Combined Corporation entitled to vote generally in the election of the members of the Combined Corporation Board.

(b) Any time at which individuals who, as of the date hereof, constitute the Board of Directors (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board of Directors other than as a result of a Business Combination that does not constitute a “Change in Control” under Section 6(c) below; *provided, however*, that any individual becoming a director subsequent to the date hereof whose election, or nomination for election by the Corporation’s stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board of Directors (an “Election Contest”);

(c) Consummation of a reorganization, merger, statutory share exchange or consolidation or similar transaction involving the Corporation or any of its subsidiaries, a sale or other disposition of all or substantially all of the assets of the Corporation, or the acquisition of assets or stock of another entity by the Corporation or any of its subsidiaries (each, a “Business Combination”), in each case unless, following such Business Combination, no Person (excluding any corporation resulting from such Business Combination or any employee benefit plan (or related trust) of the Corporation or such corporation resulting from such Business Combination (the “Combined Corporation”)) beneficially owns, directly or indirectly, such number of the then-Outstanding Corporation Voting Securities as would constitute a “Change in Control” under 6(a) above, and at least one-half of the members of the board of directors (or, for a non-corporate entity, equivalent governing body) of the entity resulting from such Business Combination (the “Combined Corporation Board”) were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board of Directors providing for such Business Combination (the “Business Combination Agreement”); or

(d) Approval by the stockholders of the Corporation of a complete liquidation or dissolution of the Corporation.

## **7. Withholding of Taxes.**

(a) The Grantee shall be liable for any and all taxes, including withholding taxes, arising out of this grant or the vesting of Restricted Shares hereunder. In the event that the Corporation is required to withhold taxes as a result of the grant or vesting or subsequent sale of Shares hereunder, the Grantee shall at the election of the Corporation, in its sole discretion, either (i) surrender a sufficient number of whole Shares for which the Restricted Period has expired or other Common Shares owned by the Grantee, having a fair market value, as determined by the Corporation on the last day of the Restricted Period equal to the amount of such taxes, or (ii) make a cash payment, as necessary to cover all applicable required withholding taxes and required social security/insurance contributions at the time the restrictions on the Restricted Shares lapse, unless the Corporation, in its sole discretion, has established alternative procedures for such payment. If the number of shares required to cover all applicable withholding taxes and required social security/insurance contributions includes a fractional share, then Grantee shall deliver cash in lieu of such fractional share. All matters with respect to the total amount to be withheld shall be determined by the Corporation in its sole discretion.

(b) Regardless of any action the Corporation takes with respect to any or all income tax, social security/insurance, payroll tax, payment on account or other tax-related withholding (“Tax-Related Items”), the Grantee acknowledges and agrees that the ultimate liability for all Tax-Related Items legally due by him is and remains the Grantee’s responsibility and that the Corporation (i) makes no representations nor undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of this grant of Restricted Shares, including the grant, vesting or release, the subsequent sale of Shares and receipt of any dividends; and (ii) does not commit to structure the terms or any aspect of this grant of Restricted Shares to reduce or eliminate the Grantee’s liability for Tax-Related Items. The Grantee shall pay the

Corporation any amount of Tax-Related Items that the Corporation may be required to withhold as a result of the Grantee's participation in the Plan or the Grantee's receipt of Restricted Shares that cannot be satisfied by the means previously described above in Section 7(a). The Corporation may refuse to deliver the Shares related thereto if the Grantee fails to comply with the Grantee's obligations in connection with the Tax-Related Items.

(c) Grantee will notify the Corporation in writing if he or she files an election pursuant to Section 83(b) of the Code. The Grantee understands that he or she should consult with his or her tax advisor regarding the advisability of filing with the Internal Revenue Service an election under Section 83(b) of the Code, which must be filed no later than thirty (30) days after the date of the acquisition of the Shares pursuant to this Agreement, the Grant Date. This time period cannot be extended. The Grantee acknowledges that timely filing of a Section 83(b) election is the Grantee's sole responsibility.

**8. Non-Assignability.** The Restricted Shares are personal to the Grantee and may not be sold, exchanged, assigned, transferred, pledged, encumbered or otherwise disposed of by the Grantee until the Restricted Period expires or terminates as provided in this Agreement; provided, however, that the Grantee's rights with respect to such Restricted Shares may be transferred by will or pursuant to the laws of descent and distribution. Any purported transfer or encumbrance in violation of the provisions of this Section 8, shall be void, and the other party to any such purported transaction shall not obtain any rights to or interest in such Restricted Shares.

**9. Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Agreement and the Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) of the Code do not apply to the Grantee. This Agreement and the Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Agreement or the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Corporation without the consent of the Grantee).

**10. Consent To Transfer Personal Data.** By accepting these Restricted Shares, Grantee voluntarily acknowledges and consents to the collection, use, processing and transfer of personal data as described in this Section 10. Grantee is not obliged to consent to such collection, use, processing and transfer of personal data. However, failure to provide the consent may affect Grantee's ability to participate in the Plan. The Corporation and its Subsidiaries hold certain personal information about Grantee, that may include Grantee's name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of stock held in the Corporation, or details of any entitlement to shares of stock awarded, canceled, purchased, vested, or unvested, for the purpose of implementing, managing and administering the Plan ("Data") The Corporation and/or its Subsidiaries will transfer Data amongst themselves as necessary for the purpose of implementation, administration and management of Grantee's participation in the Plan, and the Corporation and/or any of its Subsidiaries may each further transfer Data to any third parties assisting the Corporation in the implementation, administration and management of the Plan. These recipients may be located throughout the world, including the United States. Grantee authorizes them to receive, possess, use, retain and transfer the Data, in electronic or other form,

for the purpose of implementing, administering and managing Grantee's participation in the Plan, including any requisite transfer of such Data as may be required for the administration of the Plan and/or the subsequent holding of shares of stock on Grantee's behalf by a broker or other third party with whom Grantee or the Corporation may elect to deposit any shares of stock acquired pursuant to the Plan. Grantee may, at any time, review Data, require any necessary amendments to it or withdraw the consents herein in writing by contacting the Corporation; however, withdrawing consent may affect Grantee's ability to participate in the Plan.

**11. Electronic Delivery and Acceptance.** The Corporation may, in its sole discretion, deliver any documents or notices related to current or future participation in the Plan by electronic means. By accepting the Restricted Shares, electronically or otherwise, Grantee hereby consents to receive such documents or notices by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Corporation or a third party designated by the Corporation, including the use of electronic signatures or click-through acceptance of terms and conditions or other electronic means such as an e-mail acknowledgement.

**12. Miscellaneous.**

(a) The Restricted Shares granted pursuant to this Agreement are granted subject to the terms and conditions set forth in the Plan, a copy of which has been delivered to the Grantee. All terms and conditions of the Plan, as may be amended from time to time, are hereby incorporated into this Agreement by reference and shall be deemed to be a part of this Agreement, without regard to whether such terms and conditions (including, for example, provisions relating to certain changes in capitalization of the Corporation) are otherwise set forth in this Agreement. In the event that there is any inconsistency between the provisions of this Agreement and of the Plan, the provisions of the Plan shall govern.

(b) All decisions and interpretations made by the Board or its designee with regard to any question arising under the Plan or this Agreement shall be binding and conclusive on the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(c) The grant of the Restricted Shares is discretionary and no provision in this Agreement shall be considered to be an employment contract or a part of the Grantee's terms and conditions of employment, nor shall any provision be construed to confer upon the Grantee the right to be employed or be retained in the employ by the Corporation or any Subsidiary, or to interfere in any way with the right and authority of the Corporation or any Subsidiary either to increase or decrease the compensation of the Grantee at any time, or to terminate any employment or other relationship between the Grantee and the Corporation or any Subsidiary.

(d) This Agreement, and the terms and conditions of the Plan, shall bind, and inure to the benefit of the Grantee, the Grantee's estate, executor, administrator, beneficiaries, personal representative and guardian and the Corporation and its successors and assigns.

(e) This Agreement shall be governed by the laws of the State of Delaware (but not including the choice of law rules thereof).

(f) Any action relating to or arising out of this Agreement shall be brought only in a court of competent jurisdiction located in Delaware or Florida and the parties expressly consent to such venue. The parties consent to the personal jurisdiction of the courts located in Delaware or Florida over them.

(g) Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto. The terms and conditions of this Agreement may not be modified, amended or waived, except by an instrument in writing signed by a duly authorized executive officer at the Corporation. Notwithstanding the foregoing, no amendment shall adversely affect the Grantee's rights under this Agreement without the Grantee's consent; provided, however, that the Corporation unilaterally may waive any provision hereof in writing to the extent that such waiver does not adversely affect the interests of the Grantee hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

(h) Any notice hereunder by the Grantee to the Corporation shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Corporation at its principal office, addressed to the attention of Stock Plan Administration, (ii) if electronically delivered to the e-mail address, if any, for Stock Plan Administration or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Corporation may hereafter designate by notice to the Grantee. Any notice hereunder by the Corporation to the Grantee shall be in writing and shall be deemed duly given (i) if mailed or delivered to the Grantee at Grantee's address listed in the Corporation's records, (ii) if electronically delivered to the e-mail address, if any, for Grantee listed in the Corporation's records or (iii) if so mailed, delivered or electronically delivered to such other address or e-mail address as the Grantee may hereafter designate by written notice given to the Corporation.

(i) If one or more of the provisions of this Agreement is invalidated for any reason by a court of competent jurisdiction, any provision so invalidated shall be deemed to be separable from the other provisions hereof, and the remaining provisions hereof shall continue to be valid and fully enforceable.

(j) This Agreement and the Plan, together constitute the entire agreement and supersedes all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof.

(k) In the event that it is determined that the Grantee was not eligible to receive this award of Restricted Shares, the award of Restricted Shares and this Agreement shall be null and void and of no further effect.

(l) This Agreement will be deemed to be signed by the Corporation and Grantee upon Grantee's acceptance of the Notice of Grant of Award attached as Schedule A.
