

ACI Spotlights Real-Time, Any-to-Any Payments Capabilities at Sibos

ACI's UP Immediate Payments provides flexible platform for open, digital banking

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of real-time [electronic payment and banking solutions](#), today announced its participation at Sibos, SWIFT's annual international financial services conference, held September 26-29 in Geneva.

The payments industry is preparing for massive change, with Europe's SEPA Inst and The Clearing House (U.S.) launching in 2017—validating the need to move from batch-based to real-time systems.
