

## **Mellon Financial Selects ACI Software for Online Banking Convergence**

(Omaha, Neb. – 6 June 2007) – ACI Worldwide (NASDAQ: TSAI), a leading international provider of software for electronic payment systems, today announced that Mellon Financial Corporation has licensed ACI Enterprise Banker™ software to consolidate their retail and commercial web banking systems under a single online banking product. Mellon will leverage ACI's On Demand hosted services environment to integrate Enterprise Banker with the company's core portal application, offering Mellon's clients an easy-to-use single sign-on experience.

"Consolidation of our front end online banking solutions requires a flexible and scalable solution, and we are confident that Enterprise Banker will deliver," said Tim Tully, chief operating officer of Mellon's Private Wealth Management group. "After extensive analysis, we chose ACI based on their expertise and their unique ability to provide the breadth of functionality needed to service our broad spectrum of clients, from consumers to our largest and most demanding corporate clients in a hosted systems environment. The ability of Enterprise Banker to consolidate multiple solutions into a single product plays directly into our strategy to deliver our services more efficiently."

"Mellon recognized the efficiencies that could be gained by implementing a single product across retail and commercial markets," said Ralph Dangelmaier, president of the wholesale banking group at ACI Worldwide. "ACI offers unmatched expertise regarding hosted payment systems solutions, and Mellon will leverage Enterprise Banker to deliver to their clients the full range of Mellon's online products and services."
