

ACI Worldwide Powers Online Banking, Bill Pay and Mobile Banking Services for Space Coast Credit Union

One of Southeast's largest credit unions utilizes ACI's Universal Payments offerings to deliver optimal member experiences

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of [electronic payment and banking solutions](#), today announced that [Space Coast Credit Union](#) (SCCU), one of the 50 largest credit unions in the US, has selected the company to power its online banking and bill payment services.

Founded in 1951, SCCU has over \$3.2 billion in assets and serves more than 290,000 members across the east coast of Florida with a branch network of nearly 60 locations, making it the state's third largest credit union. As it continues its growth trajectory, the institution decided it needed a more effective way to deliver optimal [online banking](#) experiences to its evolving member base. After completing a thorough search of online and mobile banking solutions, SCCU selected ACI's Architect Banking solution for its flexibility and configurability. Implementation is set to begin this quarter and conclude mid-year 2015.

ACI Architect Banking is a single end-to-end solution for banking, bill pay, mobile, marketing and administration that gives credit unions and community banks control, choice and flexibility to quickly respond to both consumer and business needs. Along with the single platform experience it provides for mobile, desktop and tablet, Architect's intuitive software development kit (SDK) provides the tools SCCU needs to grow its online banking application to meet the ever-changing needs of its member base—all while providing a user experience that is highly intuitive and personalized.

Leveraging ACI Bill Pay, which is seamlessly integrated within Architect Banking, SCCU benefits from an industry-leading payment offering and a rich heritage of payment services that deliver reliable and accurate [bill pay](#). ACI's Electronic Biller Directory technology maximizes payment accuracy for SSCU and its members, resulting in faster payment delivery and minimizing the risk of payment errors.

"Space Coast Credit Union is guided by our mission to create value in cooperative ownership, and services like online and mobile banking are increasingly important to the member experience," said Greg DeRoy, Member Service Center Director, Space Coast Credit Union. "As our Members' Watchdog, we're committed to providing members with superior 'anytime, anywhere' digital banking so they can manage their finances conveniently and securely. Selecting ACI will propel our online banking, mobile banking and bill pay offerings, and benefit the membership with an improved online experience."

"Innovative financial institutions like Space Coast Credit Union understand the ever-evolving banking preferences of their members and, as such, are turning to ACI," said Eric Labiak, Senior Vice President, ACI Worldwide. "We are excited to count Space Coast among the many credit unions with which we partner to help foster growth and improve member loyalty."
