

## ACI Worldwide Recognized Among Top 100 Global Providers of Technology to the Financial Industry

*Growing demand for Universal Payments-enabled solutions thrusts ACI into the top 20 in 2014 FinTech Forward Rankings*

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of [electronic payment and banking solutions](#), today announced its ranking in the 2014 FinTech Forward 100, a listing of the world's top providers of technology to the financial industry. Compiled jointly by *American Banker* and BAI, ACI is ranked 20th among companies judged according to their global revenues.

This ranking comes on the heels of other recent global corporate recognition, including:

- *Forbes'* annual list of [America's Best Performing Small Companies](#), in which ACI was ranked #45, up two places from last year
- IDC Financial Insights' 2014 [FinTech Rankings](#), an annual global listing of the top financial technology vendors that derive more than one third of their revenue from this industry, in which ACI was ranked #20, up four places from last year
- IT market researcher Apps Run the Cloud's listing of [Cloud Top 500 Applications Vendors](#), in which ACI was ranked #36

"This latest industry recognition further demonstrates our Universal Payments value proposition—orchestrating all aspects of payments processing for any payment type, any channel, any currency and any network," said Dan Frate, Group President, Strategic Products & Global Markets, ACI Worldwide. "As the payments space continues its rapid evolution, more financial institutions, retailers, billers and processors from around the globe are turning to our UP-enabled offerings to effectively address this change."
