

ACI Worldwide Recognized Among Top 20 Largest Global Providers of Financial Technology

Increased demand for Universal Payments thrusts ACI forward in 2015 FinTech Rankings

NAPLES, Fla.--(BUSINESS WIRE)-- [ACI Worldwide](#) (NASDAQ: ACIW), a leading global provider of [electronic payment and banking solutions](#), today announced its ranking in the IDC Financial Insights 2015 FinTech Rankings. ACI, which moved up two places, is now ranked 18th on this international list of financial technology companies that were judged according to their global revenues.

Now in its 12th year, the IDC FI FinTech Rankings categorize and evaluate the top global providers of financial technology based on calendar year revenues from financial institutions for hardware, software and/or services. These providers supply the technological backbone of the financial services industry, an industry in which IDC Financial Insights forecasts worldwide spending on IT across the globe to reach half a trillion dollars by 2018.

"Our continued growth validates our Universal Payments strategy. With Universal Payments, we're empowering organizations with end-to-end enterprise payments capabilities— accelerating time to market, reducing risk, growing revenues and controlling costs," said Craig Saks, executive vice president, ACI Worldwide. "This latest ranking is testament to our great 'One ACI' team. As the payments industry continues its rapid evolution, leading global banks, retailers, billers and processors are turning to us for a distinct competitive advantage."

ACI's [Universal Payments](#) (UP) portfolio of solutions orchestrates all aspects of payments processing for any payment type, any channel, any currency and any network.
