

## First Hawaiian Bank Renews Commitment to ACI Online Banking Product

(New York, N.Y. – 29 October 2008) – ACI Worldwide, Inc. (NASDAQ: ACIW), a leading international provider of software for electronic payment systems, today announced that First Hawaiian Bank, the oldest and largest financial institution in Hawaii, has renewed its commitment to ACI Enterprise Banker.

“First Hawaiian’s popular Web Cash Manager service utilizes ACI software to provide timely and accurate information to its business customers. We are pleased with ACI’s innovative product offering and high level of customer service,” said Keith Nagata, senior vice president and manager, First Hawaiian Bank’s Business Services Division.

“We are delighted that First Hawaiian has chosen to continue our long-standing relationship,” said Ralph Dangelmaier, president of the Americas at ACI Worldwide. “ACI’s relationship with First Hawaiian demonstrates the flexibility of the product and services approach we employ to work seamlessly within the bank’s existing infrastructure in a best of breed fashion.”

ACI Enterprise Banker is an enterprise-wide solution that allows financial institutions of all sizes to uniquely package products and services for different markets and customers from a single, flexible platform. The solution offers a full range of functionality including balance and transaction reporting, ACH origination, wire transfer origination and reporting, positive pay, check and deposit image retrieval, and email alerts. In addition, the solution provides an infrastructure for easily integrating other products and services offered by an institution.
